Spoofing the Vampire Simon Bacon,2022-10-10 Famous for being deathly serious the vampire genre has a consistent yet often critically overlooked subgenre the comedic spoof and satire This is the first book dedicated entirely to documenting and analyzing the vampire comedy on film and television Various types of comedy are discussed outlining the important differences between spoofing serious spoofing parody and satire Seminal films such as Abbott and Costello Meet Frankenstein Love at First Bite Vampire in Brooklyn Dracula Dead and Loving It and What We Do In the Shadows are featured More importantly this book demonstrates how comedy is central to both the common perception of the vampire and the genre s ever evolving character making it an essential read for those interested in the laughing undead and creatures that guffaw in the night **New York Magazine** ,1980-05-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating

New York as both a place and an idea Vampire Legends in Contemporary American Culture William Patrick Day,2021-02-15 While vampire stories have been part of popular culture since the beginning of the nineteenth century it has been in recent decades that they have become a central part of American culture Vampire Legends in Contemporary American Culture looks at how vampire stories from Bram Stoker's Dracula to Blacula from Bela Lugosi's films to Love at First Bite have become part of our ongoing debate about what it means to be human William Patrick Day looks at how writers and filmmakers as diverse as Anne Rice and Andy Warhol present the vampire as an archetype of human identity as well as how many post modern vampire stories reflect our fear and attraction to stories of addiction and violence He argues that contemporary stories use the character of Dracula to explore modern values and that stories of vampire slayers such as the popular television series Buffy the Vampire Slayer integrate current feminist ideas and the image of the Vietnam veteran into a new heroic version of the vampire story **Love at First Bite** Michelle Roy Kelly,Andrea Norville,2010-05-18 Everything's better with vampires even dinner Now you can serve up delicacies your guests will love and satisfy your ravenous cravings at the same time Love at First Bite is a unique collection of more than 300 succulent recipes sure to tempt the taste buds and leave everyone begging for more including Blood Chilling Gazpacho Van Helsing's Veggie Rolls Bloody Mary Fondue Coffin Cake I Vant S'mores Blood Orange Mimosas This ghastly guide also includes clever themes for vampire parties with menus and movies for some bloody good fun With Love at First Bite making meals for monster appetites just got easier

Sher,2014-11-22 Daisy May's Lazy Crazy Days is an autobiography written by me a beautiful tuxedo cat Well actually I am unable to write in people words so I decided that I would tell my life story to a human author named A Jay He is one of the very few humans who understands cat language and was able to translate into people language whatever I dictated to him The concept of a cat telling her story is unique and children of all ages from early elementary school age to adults should enjoy hearing me tell about my habits my animal friends my adoptive parent Lu Jo my likes and dislikes and how I spend my days in my home which I refer to as a palace I also show off my sense of humor whenever I can in this book For example I said at one point I hope you find my autobiography interesting with a litter bit of fun The chapter headings listed in the Contents will give you a good idea as what to expect in this delightfully creative piece of literature a must for even those who
