Love Beyond Life Six Enlightening Ways To Triumph Over Tragedy:

Ebony, 2005-12 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Glimpses of Heaven: Lessons on Faith and Hope, Love and Joy* Roela Victoria Rivera, 2013-05 A diaconal minister author and creative artist Roela Victoria Rivera became legally blind in 2004 two years after she had severe illness that left her in a coma for three days and led her to a near death experience NDE which allowed her to see the glory and beauty of heaven While undergoing eight eye surgeries over a period of eight years she felt her faith and trust fading away for awhile However her deep faith in GOD and fervent prayers have strengthened her belief that GOD has never left her side and is leading her each day with new meaningful plan and purpose for her life GOD has blessed Roela to see glimpses of heave at three points in her life when she was ten years old at age eighteen and in mid life which guided her with wisdom and strength courage and creative power to write this inspirational book with divine guidance from GOD holy light from Jesus and inspiration from the Holy Spirit She will help you see glimpses of heave in many different ways in everyday life She also wishes to share her creative artworks and the great Lessons of Life she learned from her heavenly visions and from the Scripture She continues her ministry for GOD s glory through her GraceNotes Creative Ministry and inspirational items she designs to share GOD s Words of love and grace Roela s physical and spiritual journey is an inspiration to everyone who reads about it in this book We hope you find it so **The Truth of Buffy** Emily Dial-Driver,, Sally Emmons-Featherston, Jim Ford, 2014-01-10 Seemingly the most fantastical of television series Buffy the Vampire Slayer proves on close examination to be firmly rooted in real world concerns In this collection of critical essays 15 authors from several disciplines including literature the visual arts theatre philosophy and political science study ways in which Buffy illuminates viewers real life experiences Topics include the series complicated portrayals of the relationship between soul morality and identity whether Buffy can truly be described as a feminist icon stereotypes of Native Americans in the episode Pangs the role of signs in the interaction between Buffy s aesthetics and audience and the problem of power and underhanded politics in the Buffy universe The Collected Works of Harold Clurman Harold Clurman, 1994 Applause Books For six decades Harold Clurman illuminated our artistic social and political awareness in thousands of reviews essays and lectures His work appeared indefatigably in The Nation The New Republic The London Observer The New York Times Harper s Esquire New York Magazine and more The Collected Works of Harold Clurman captures over six hundred of Clurman s encounters with the most significant events in American theatre as well as his regular passionate embraces of dance music art and film This chronological epic offers the most comprehensive view of American theatre seen through the eyes of our most extraordinary critic 1102 pages hardcover Shakespeare and Platonic Beauty John Vyvyan, 2013-10-01 Looking at some of the Shakespearean comedies author John Vyvyan suggests they express a consistent profoundly Christian philosophy of life based on the Platonic ideas of beauty and love In A Midsummer Night s

Dream As You Like It and All's Well That Ends Well the heroines bring to life the idea of love as the force that is awakened in the world by beauty which then leads the soul to perfection Vyvyan believes that for Shakespeare love was preeminent over human ideas of justice that self discovery was a supreme human experience and that breaking faith with the ideal as Agamemnon Cressida and Hector all do in Troilus and Cressida sowed the seeds of tragedy The author's recognition of Shakespeare's use of allegory enables him to make sense of certain developments in these plays that seem weak or absurd from the psychological standpoint He does not suggest that Shakespeare's philosophy is the most important thing about his plays it is simply one thing about them that ought to be known The recognition of this philosophy enhances enjoyment of the plays giving them a new dimension and richness This edition contains a list of the author's Shakespearean references and an enhanced index

On Human Conflict Lou Marinoff, 2019-02-13 On Human Conflict excavates the cavernous philosophical foundations of war and peace The magnum opus is bracketed by the author's experience of the Cuban missile crisis as a schoolboy and his witnessing of 9/11 as an adult It studies the human species with an admixture of evolutionary insight free ranging horror and heavily guarded optimism It is also the uncensored voice of a conservative philosopher who dares to speak his mind on contemporary conflicts including the culture and gender wars and Islamic jihad in an age when political correctness has lowered an Ivy Curtain prohibiting freedom of expression on campus and across Western civilization entire

Principle and Prudence in Western Political Thought Christopher Lynch, Jonathan Marks, 2016-03-01 Discussions of the place of moral principle in political practice are haunted by the abstract and misleading distinction between realism and its various principled or idealist alternatives This volume argues that such discussions must be recast in terms of the relationship between principle and prudence as Nathan Tarcov maintains that relationship is not dichotomous but complementary In a substantive introduction the editors investigate Leo Strauss's attack on contemporary political thought for its failure to account for both principle and prudence in politics Leading commentators then reflect on principle and prudence in the writings of great thinkers such as Homer Machiavelli and Hegel and in the thoughts and actions of great statesmen such as Pericles Jefferson and Lincoln In a concluding section contributors reassess Strauss's own approach to principle and prudence in the history of political philosophy
