Love Hate In China:

Love and Hate in China Hans Koning, 1966 Dutch novelist's impressions of the social and psychological moods and atmosphere of communist China in the middle 1960s Identity and Ethnic Relations in Southeast Asia Chee Kiong Tong, 2010-08-03 Modern nation states do not constitute closed entities This is true especially in Southeast Asia where Chinese migrants have continued to make their new homes over a long period of time resulting in many different ethnic groups co existing in new nation states Focusing on the consequences of migration and cultural contact between the various ethnic groups this book describes and analyses the nature of ethnic identity and state of ethnic relations both historically and in the present day in multi ethnic pluralistic nation states in Southeast Asia Drawing on extensive primary fieldwork in Malaysia Singapore Indonesia Burma Vietnam Thailand and the Philippines the book examines the mediations and transformation of ethnic identity and the social incorporation tensions and conflicts and the construction of new social worlds resulting from cultural contact among different ethnic groups *The World in Guangzhou* Gordon Mathews, Linessa Dan Lin, Yang Yang, 2017-11-16 Only decades ago the population of Guangzhou was almost wholly Chinese Today it is a truly global city a place where people from around the world go to make new lives find themselves or further their careers A large number of these migrants are small scale traders from Africa who deal in Chinese goods often knockoffs or copies of high end branded items to send back to their home countries In *The World in Guangzhou* Gordon Mathews explores the question of how the city became a center of low end globalization and shows what we can learn from that experience about similar transformations elsewhere in the world Through detailed ethnographic portraits Mathews reveals a world of globalization based on informality reputation and trust rather than on formal contracts How he asks can such informal relationships emerge between two groups Chinese and sub Saharan Africans that don't share a common language culture or religion And what happens when Africans move beyond their status as temporary residents and begin to put down roots and establish families Full of unforgettable characters *The World in Guangzhou* presents a compelling account of globalization at ground level and offers a look into the future of urban life as transnational connections continue to remake cities around the world

Streetlife China Michael Robert Dutton, 1998 Collection of articles by various Chinese writers about life in contemporary China *Educating Chinese-Heritage Students in the Global-Local Nexus* Guofang Li, Wen Ma, 2017-08-14 Weaving together a richly diverse range of student voices perspectives and insights this collection of studies from around the world offers the educational community a better understanding of K 12 and adult Chinese heritage students languages cultures identities motivations achievements and challenges in various cross cultural settings outside North America Specifically it addresses these overarching questions What are Chinese heritage students experiences in language and education in and outside schools How do they make sense of their multiple ethnic and sociocultural identities What unique educational challenges and difficulties do they encounter as they acculturate socialize and integrate in their host country What are their common

struggles and coping strategies What are the instructional practices that work for these learners in their specific contexts What educational implications can be drawn to inform their teachers fellow students parents and their educational communities in a global context Individual chapters employ different theoretical frameworks and methodological instruments to wrestle with these questions and critical issues faced by Chinese heritage learners

Image, Perception, and the Making of U.S.-China Relations Hongshan Li,Zhaohui Hong,1998 Image Perception and the Making of U S China Relations examines major events in the history of the relationship between the U S and China to show the development and effects of national images and perceptions These essays expose the effects of ideology as represented through foreign policy and the actions of leaders as well as the role of the media and governments in shaping public opinion and attitudes They show the evolution of the influential forces from the nineteenth century through the twentieth century In each country a small group of people has always controlled these forces by manipulating the power of the media and governments The nature of this situation changed national perceptions as power often moved from one small group to another As a result of manipulating the images and perceptions of each country these biased and untrue views have inevitably led to conflict between the two countries

The Expanding Roles of Chinese Americans in U.S.-China Relations Peter Koehn,Xiao-Huang Yin,Xiao-huang Yin,2015-02-12 This book addresses the historical and contemporary involvement of Chinese Americans from diverse walks of life in U S China relations The contributors present new evidence and fresh perspectives on familiar and unfamiliar national and transnational networks including families businesspersons community newspapers students lobbyists philanthropists and scientists and consider the likely future impact of such contacts on the most important bilateral relationship at the start of the new millennium The volume makes a multidisciplinary contribution to understanding the extensive and vital roles and promise of Chinese Americans at this critical juncture in U S China relations and to revealing the importance of migrants as actors in contemporary global politics The assessments shared by the contributors suggest that the nature and scope of the Chinese American involvement particularly in global civil society networks increasingly will determine the outcome of state to state relations between the United States and the PRC

Focuses on the individual experiences of Western expatriates in China by merging academic knowledge and real life testimonials given by interviewees The author also draws on her own experience of living and working in China to explore a range of challenges and opportunities met by Western expatriates *China's World* Kerry Brown,2017-08-30 In the next decade China's actions on the world stage will affect us all A new superpower with the largest population and GDP on the globe there are now fears that China is becoming more assertive Here award winning China expert Kerry Brown guides us through China's foreign policy from its skirmishes with US Navy destroyers in the South China Sea to its arguments with Japan over the Senkaku Diaoyu Islands and its increased displays of military prowess including huge investments in cyber warfare Brown also assesses China's extraordinary plan to create a New Silk Road across Central Asia one of the biggest infrastructure project in modern history In doing so he seeks to answer a simple question what does China want The answer lies in the unique way China thinks about the world A comprehensive analysis by one of the world's most recognised and respected authorities and based upon unparalleled research into Chinese leaders their beliefs and their instincts China's World is an essential read for the Western world Chinese Theology Chloë Starr,2016-11-22 This major new study examines the history of Chinese theologies as they have navigated dynastic change anti imperialism and the heights of Maoist propaganda In this groundbreaking and authoritative study Chlo Starr explores key writings of Chinese Christian intellectuals from philosophical dialogues of the late imperial era to sermons and micro blogs of theological educators and pastors in the twenty first century Through a series of close textual readings she sheds new light on the fraught issues of Chinese Christian identity and the evolving question of how Christianity should relate to Chinese society Superpower? Raghav Bahl,2010-10-28 Is India ready for superpower status or too far behind China to ever catch up In his career as one of India's leading journalists and entrepreneurs Raghav Bahl has often faced this question and many others from bewildered visitors Why are Indian regulations so weak and confusing Why is your foreign investment policy so restrictive How come your hotels are world class but the roads leading to them are so potholed Why don't you lower your voice when you make fun of your politicians Why do you control the price of oil and cable TV Clearly there's a huge difference in how India and its arch rival China work on the ground China is spectacularly effective in building infrastructure and is now reinvesting almost half its GDP Meanwhile India is still a promising economy more than half its GDP is consumed by its billion plus people yet India has some unique advantages Half its population is under twenty five giving it a strong demographic edge 350 million Indians understand English making it the largest English speaking country in the world and it's the world's largest democracy In the race to superpower status who is more likely to win China's hare or India's tortoise Bahl argues that the winner might not be determined by who is investing more and growing faster today but by something more intangible who has superior innovative skills and more entrepreneurial savvy He notes that China and India were both quick to recover from the financial crisis but China's rebound was accompanied by huge debt and deflation with weak demand India's turnaround was sturdier with lower

debt and modest inflation So India's GDP grew twice as fast as China's for a few quarters the first time that had happened in nearly three decades And in contrast to China's Yuan which is pummeled for being artificially undervalued India's rupee largely floats against world currencies In the end it might come down to one deciding factor can India fix its governance before China repairs its politics With insights into the two countries histories politics economies and cultures this is a well written fully documented comprehensive account of the race to become the next global superpower For anyone looking to understand China India and the future of the world economy this is the book to read Japan's Security Relations with China Since 1989 Reinhard Drifte,2005-08-03 1 Japanese Chinese relations under Cold War conditions 2 The rise of traditional and non traditional security concerns 3 Between power balancing and enmeshment policies 4 The dynamics of engagement Cambodia's China Strategy Chanborey Cheunboran,2021-06-21 This book explores the tensions within Cambodia's foreign policy between a tight alignment with China on the one hand and Cambodia's commitment to the Association of the Southeast Asian Nations ASEAN as well as its delicate foreign policy diversification towards other major powers on the other hand It traces the long history of Cambodia's quest for survival from its bigger and historically antagonistic neighbours the Thai and the Vietnamese and its struggle for security and independence from the two neighbours and external major powers particularly the United States and China It discusses Cambodia's geopolitical predicaments deriving from its location of being sandwiched between powerful neighbours and limited strategic options available for the Kingdom The book also assesses recent developments in Cambodia's relations with its neighbours and their implications for Cambodia's increasingly tight alignment with China in recent years It considers the extent to which the ruling regime in Cambodia depends on strong relations with China for its legitimacy and survival and argues that there are risks and danger for Cambodia in moving towards an increasingly tight alignment with China **Filial Piety in Chinese Thought and History** Alan Chan,Sor-Hoon Tan,2004-08-02 The phenomenon of filial piety is fundamental to our understanding of Chinese culture and this excellent collection of essays explores its role in various areas of life throughout history Often regarded as the key to preserving Chinese tradition and identity its potentially vast impact on government and the development of Chinese culture makes it extremely relevant and although invariably virtuous in its promotion of social cohesion its ideas are often controversial A broad range of topics are discussed chronologically including Confucianism Buddhism and Daoism making it essential reading for those studying Chinese culture religion and philosophy This is a multi disciplinary survey that combines historical studies with philosophical analysis from an international team of respected contributors
