**Love In Uncertain Times** Patricia Watters,2013-01-11 A boxed set of five full length romance novels set in modern times When the western world is focused on cyber connections social networking and internet matchmaking certain individuals like those in these stories have decided from past experience that guarding the heart is preferable to being attached which means avoiding entanglements at all costs At least that s their intention Until love enters the picture

**Erotic Love in Sociology, Philosophy and Literature** Finn Bowring,2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events

and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life *Erotic Love in Sociology Philosophy and Literature* recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love

*Finding Love in Another Dimension* Casper Graham, Siren Menage Amour Erotic Romance Futuristic Alternative Menage MMM HEA Darryl Long is a weak dimension explorer Exploring dimensions is risky so it isn't easy for him to find assignments to earn money When he discovers that Leofric Spencer and Titus Cooke two of the most famous and strongest dimension explorers need someone who can create a pocket dimension to carry their things he signs up for the assignment because he has that ability It's nothing more than a glorified porter but he needs the money Leofric and Titus are boyfriends They're both attracted to Darryl Leofric prefers to be more direct but Titus doesn't agree because he's afraid they may end up scaring Darryl away After spending time together in another dimension the three men grow closer Unfortunately they encounter a ferocious group of demonic dragons They must defeat the dragons while working on their relationship but that's easier said than done Will the three men survive and return home as lovers

**Love in a Village, etc** Isaac Bickerstaffe, 1824 *Love in Excess - Second Edition* Eliza Haywood, 2000-06-12 Eliza Haywood 1693-1756 was one of the most successful writers of her time indeed the two most popular English novels in the early eighteenth century were Robinson Crusoe and Haywood's first novel Love in Excess As this edition enables modern readers to discover its enormous success is easy to understand Love in Excess is a well-crafted novel in which the claims of love and ambition are pursued through multiple storylines until the heroine engineers a melodramatic conclusion Haywood's frankness about female sexuality may explain the later neglect of Love in Excess In contrast her accomplished domestic novel The History of Miss Betsy Thoughtless has remained available Love in Excess and its reception provide a lively and valuable record of the challenge that female desire posed to social decorum For the second Broadview edition the appendix of eighteenth century responses to Haywood has been considerably expanded

[Love In Victorian Times](#) Patricia Watters, 2013-01-08 An anthology of five full-length romance novels set in the 1800s when Queen Victoria sat on the throne of England and the rest of the western world emulated her demeanor in decorum protocol dress and the social graces except for certain bold and resourceful women like those in these stories who strayed from the fold to embrace such notions as shedding corsets and crinolines and remaining free of a husband's control At least that was their

intention Until love entered the picture So slip back in time to a world of adventurous ladies who become entangled with irresistible rogues and rugged frontiersmen and notorious rakes and go along with them on their bumpy rides to everlasting love The five books included in the anthology are Colby s Child Come Be my Love Miss Phipps and the Cattle Baron Perilous Pleasures and Her Master s Touch For information on the five books included please visit [www.patriciawatters.com](http://www.patriciawatters.com)

*Novelistic Love in the Platonic Tradition* Jennie Wang,1997 The love story is an integral part of many novels What is its narrative status How does it function and why In this original study of Socratic love stories from Plato through Fielding and Faulkner to the Postmodernists Jennie Wang proposes a new narrative theory in the study of the novel which deconstructs the mimesis of love stories and reconstructs their historicity Wang claims that in the Platonic tradition the construction of love stories is often a dramatization of the author s historical vision philosophical speculations cultural criticism or political ideology Novelistic love functions as a literary medium a power of free speech that enables the novelist to speak unspeakable truths and include excluded subjects Wang s work will be of interest to both philosophers and scholars of American literature and postmodernism

*Deep Love in Light Times* Yi ChengJiXu,2020-09-11 He liked her loved her doted on her let her feel the love of a fairy tale She thought that she had found the love of her life that she had put on a beautiful wedding dress and was waiting to become his bride but this wedding had already changed hands She had fallen from the peak of happiness into the abyss of ridicule and all of this stemmed from that one sentence She had repaid his hatred with her own blood and pain but he could never find the joy of having her again Where would he go when he and she had the truth
