Writing Love
Katharine Ann Jensen, 1995 In this compelling new addition to Sandra M Gilbert's *Ad Feminam Women and Literature* series Katharine Ann Jensen examines the cultural form of the love letter and its intersection with the novel in the works of seventeenth and eighteenth century French women writers Traditionally French literary history has focused on eighteenth century male writers Rousseau and Laclos as the master artists of the epistolary novel That emphasis on one century one gender and one epistolary form the novel obscures the history of women's writing in France In the seventeenth century the love letter was viewed as a feminine literary form in which a woman's passionate and emotional nature found its logical expression Such emotional writing was criticized for its structural and grammatical imperfections rendering it in the eyes of men invalid as true literary material However men often wrote under female pseudonyms composing letters of seduction and betrayal that were published as true accounts Jensen contends that men disguised their words as women's words because writing as women allowed them to experiment with narrative fiction at a time when men's writing was rigidly defined by classical rhetoric She further argues that men were able to moderate women's linguistic strengths by limiting their epistolary expertise to a social rather than literary practice thereby maintaining literature as an almost exclusively male province Jensen argues for a tradition of women's writing by examining both the love letters and novels of such writers as Desjardins Ferrand Graffigny Riccoboni and Lespinasse In her novel *Les D sordres de l amour* Desjardins Madame de Villedieu creates an ambitious letter writing heroine Through an analysis of the textual similarities between the heroine's letters and Desjardins's personal love letters to her unfaithful lover Jensen concludes that Desjardins rewrites her own unfortunate epistolary relationship Jensen draws similar conclusions from an examination of the personal letters of Ferrand in relation to her novel *Histoire des amours de Cl ante et de B lise* In order to chart the legacy of seventeenth century feminine epistolarity

Jensen goes on to consider the works of eighteenth century French women writers Like Desjardins s novel Graffigny s *Lettres d une Pruvienne* and Riccoboni s *Lettres de Mistress Fanni Butlerd* present letter writing heroines who overturn the conventions of seduction and betrayal in order to claim their independence and desire to write This desire correlates to Graffigny s and Riccoboni s own writing ambitions thereby asserting the ability of women to write self consciously rather than emotionally and to create narrative fiction rather than cyclical letters of love and suffering Jensen demonstrates that these assertions constitute a significant break with seventeenth century ideas about feminine letter writing that inextricably bind women to a supposedly natural language of sexual and literary disempowerment This important and insightful book will prove a valuable addition to the libraries of scholars in French seventeenth and eighteenth century studies feminist studies epistolary fiction and novel and narrative studies

Love Letters From The Father Cynthia Quismundo, 2020-10-23 Imagine reading a letter from your own father In this case letters from your Heavenly Father Tons of holy mails that have piled up untouched unopened over the years The world with all its buzz got you independent and too busy On top of this there s your family your career your business all and sundry gave you too much loads that occupied your being You might have seen the Father s letters from afar attempted to open some but again the frenzied life And so the mails remained to be unread sealed Until the unsturdy cosmos where you thought you belong began to crumble Suddenly you find yourself alone and empty In this state of desolation you remembered your Heavenly Father And yes His letters You began to read it all indulging one after the other Straight away you realized these are answers to your questions bringing clarity to your confusions a reassurance that you matter that you are enough that you have never been once an accident nor a failure God is patiently waiting He longs to have an intimate relationship to have a constant conversation with you Oh how much love God has for you That great love that conquers all fear He is able and willing to carry all your burdens Begin to believe that there s nothing to be afraid of now for the battles you are facing are not yours but His You may have been shaken battered and broken but not crushed perplexed but not in despair persecuted but not abandoned struck down but not destroyed because all of these He has used for a purpose if only you cared to listen *Love Letters From The Father* is all that and more Our majestic Creator reaching out pulling us up crying and hurting with us and yet cheering us on giving us hope and making us whole In that secret place read on and experience a life changing encounter with the Father

Sex, Love, and Letters Judith G. Coffin, 2020-09-15 When Judith G Coffin discovered a virtually unexplored treasure trove of letters to Simone de Beauvoir from Beauvoir's international readers it inspired Coffin to explore the intimate bond between the famed author and her reading public This correspondence at the heart of *Sex Love and Letters* immerses us in the tumultuous decades from the late 1940s to the 1970s from the painful aftermath of World War II to the horror and shame of French colonial brutality in Algeria and through the dilemmas and exhilarations of the early gay liberation and feminist movements The letters also provide a glimpse into the power of reading and the power of readers to seduce their favorite authors The relationship between Beauvoir and her audience proved especially long intimate and vexed Coffin traces this relationship from the publication of Beauvoir's acclaimed *The Second Sex* to the release of the last volume of her memoirs offering an unfamiliar perspective on one of the most magnetic and polarizing philosophers of the twentieth century Along the way we meet many of the greatest writers of Beauvoir's generation Hannah Arendt Dominique Aury author of *The Story of O* Fran ois Mauriac winner of the Nobel Prize and nemesis of Albert Camus Betty Friedan and of course Jean Paul Sartre bringing the electrically charged salon experience to life *Sex Love and Letters* lays bare the private lives and political emotions of the letter writers and of Beauvoir herself Her readers did not simply pen fan letters but as Coffin shows engaged in a dialogue that revealed intellectual and literary life to be a joint and collaborative production This must happen to you often doesn't it wrote one That people write to you and tell you about their lives

Explorers, Fortunes and Love Letters New Netherland Institute, 2010-04-01 When Henry Hudson sailing on the Half Moon for the Dutch East India Company first laid eyes on the entrance to the Hudson River in 1609 a world of seemingly infinite possibilities lay before him and his crew In 1624 the Dutch would take advantage of these opportunities and create the colony of New Netherland building homes and communities that stretched from the Delaware Bay up along the Hudson River Valley to present day Albany New York The story of New Netherland is often overlooked in tales of the founding of America The essays in *Explorers Fortunes and Love Letters A Window on New Netherland* offer a new perspective that takes the spotlight off the Puritans of New England and the settlers of Jamestown Virginia and instead offers striking arguments for casting the Dutch as central players in the American narrative These twelve essays written by preeminent historians of New Netherland pull from diverse perspectives social cultural intellectual economic and political to weave together the dynamic and diverse history of the Dutch in America

These scholars explore all aspects of Dutch life ranging from sailing methods to factional politics to written expressions of love The authors discuss how settlers retained traditions from the Netherlands such as the baking of bread and how these traditions changed over time and became engrained in American culture including the transformation of the Dutch St Nicholas into today's Santa Claus The colony of New Netherland was marked by its diversity and this topic is explored in discussions of the relationship between Native Americans and Dutch settlers in the Mohawk Valley the role of Jews in New Netherland and the practice of slavery throughout the colony The Dutch perspective on child rearing practices is also examined as well as the dream of attaining fortune in the New World The Dutch colony of New Netherland and the development of America are not separate stories but are inextricably linked together through historical moments and present realities Dutch settlers played critical roles in building the nation their influences are not lost and forgotten but are clearly evident even today Explorers Fortunes and Love Letters brings the reader into the everyday life of New Netherland and displays just how prominently the Dutch shaped America
