Letters to and from a Christian Mother and More Silas Dobbs McCaslin, 2011-10-10 Ethics morals and society in general have been spiraling downward for more than 50 years Life simply was different up through the 1940s and the decade that followed Christian thought today is discredited on the university campus and traditional Christian piety now is viewed by the majority of the public as old fashioned Postmodernism has become entrenched In Christian circles the question often is asked How does the unbeliever cope As believing Christians we know that the Word of God provides all of the answers Perhaps LETTERS TO AND FROM A CHRISTIAN MOTHER AND MORE will be of some assistance to both the believer and the unbeliever who as the parent of a young child or children or of young adult children must advise and counsel that child as they navigate through their religious social and academic decisions Dr Terry L Johnson stated that the letters are remarkable and show clearly what a devout and accomplished woman your mother was They are wise and devotionally rich and may deserve a wider readership From the Preface Dr Johnson continued Their literary quality was outstanding More importantly they were filled with sound shrewd bold Biblical counsel for her boys particularly in the years between the beginning of college and the birth of Si and Suzannes first child Carey I wanted to read more and became convinced that others particularly parents could benefit from hearing the strong counsel of a Christian mother to her beloved sons From the Foreword

time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God **The Writers Directory**, 2013 Unleashing the Power of Intercessory Prayer Joseph Hollcraft, 2020-09-10 This inspiring book walks you through nine key steps to boosting your intercessory prayer's power and efficacy Working Mother, 1987-06 The magazine that helps career moms balance their personal and professional lives **A Confident Mom** Renee Swope, 2022-02-15 Do you long to go to bed at night knowing you've done the best you could with what you have as a mom and made a difference in your child's life even if you can't see it yet It's easy to compare yourself to other moms and set unrealistic expectations that make you doubt you're doing enough You need hope and encouragement to help you find a new place to start on the days you're tempted to quit Sharing vulnerable stories of her own struggles and doubts award-winning author popular speaker and mom of three Renee Swope is a friend cheerleader and mentor who will come alongside to help you find purpose and meaning in the challenges and adventures of motherhood By unpacking powerful truths of grace and love God used to rescue her from discouragement and guilt that buried her in the dirt of defeat Renee fills this book with hope wisdom and practical help every mom needs Let Renee show you simple ways to give your child what they need most through the power of heart-centered parenting that is character-focused and relationship-driven This book will transform not only the way you parent but also the way you see yourself as a mom and as a child of God **Northwestern Christian Advocate**, 1902 **Mother Teresa: Come Be My Light** Mother Teresa, Brian Kolodiejchuk, 2007-09-04 This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history Mother Teresa During her lifelong service to the poorest of the poor Mother Teresa became an icon of compassion to people of all religions her extraordinary contributions to the care of the sick the dying and thousands of others nobody else was prepared to look after
