Padgett (Recorder), 2014-11-07 This book is based on messages from Jesus and other Celestial spirits recorded by James Padgett between 1914 and 1920 Padgett a lawyer in Washington DC is practically unknown and yet recorded vitally important messages from Spirits who desire humanity to realize the truth about life and death that Christianity is not teaching Jesus brings again the truths of his message and mission from his work on earth 2000 years ago Dr D Samuels says about these messages Whatever one may believe regarding the source of these messages the contents are so new and revolutionary yet so compelling by their logic and sublime simplicity that a serious study of them must be undertaken in order to comprehend their significance and challenge Accept the challenge and investigate for your self the astounding good news of God's Great Love presented in these messages from heaven God's Love is the Divine Love it has real substance and when received into the soul will change the soul and complete our creation **Marion Fay** Anthony Trollope, 2016-01-05 THE MARQUIS OF KINGSBURY When Mr Lionel Trafford went into Parliament for the Borough of Wednesbury as an advanced Radical it nearly broke the heart of his uncle the old Marquis of Kingsbury Among Tories of his day the Marquis had been hyper Tory as were his friends the Duke of Newcastle who thought that a man should be allowed to do what he liked with his own and the Marquis of Londonderry who when some such falling off in the family politics came near him spoke with indignation of the family treasure which had been expended in defending the family seat Wednesbury

had never been the Marquis's own but his nephew was so in a peculiar sense His nephew was necessarily his heir the future Marquis and the old Marquis never again politically held up his head He was an old man when this occurred and luckily for him he did not live to see the worse things which came afterwards The Member for Wednesbury became Marquis and owner of the large family property but still he kept his politics He was a Radical Marquis wedded to all popular measures not ashamed of his Charter days and still clamorous for further Parliamentary reform although it was regularly noted in *Dod* that the Marquis of Kingsbury was supposed to have strong influence in the Borough of Edgeware It was so strong that both he and his uncle had put in whom they pleased His uncle had declined to put him in because of his renegade theories but he revenged himself by giving the seat to a glib mouthed tailor who to tell the truth had not done much credit to his choice
