Shreemad Bhagavad Gita Paramahansa Sri Swami Vishwananda, 2016-05-31 The *Shreemad Bhagavad Gita* is one of the most ancient scriptures in the world. It contains the direct word of God spoken for all of mankind irrespective of religion or tradition. Its philosophy and teachings are central to human life. It teaches us to live our daily lives in Divinity as a service unto God and His creation. It achieves this by gifting us true knowledge, faith, devotion, surrender, detachment, and a release of expectations and ownership over one's own actions. It comes as a stark contrast to the lives with which we have grown accustomed to leading. Today's world is filled with constant desire for material wealth, sense pleasures, individualism, and egoism. The *Gita* acts as a lighthouse on the shores of Vaikunta, guiding lost sailors at the sea of illusion to safety. But like any teaching, time and unqualified minds can distort it and misunderstand what is contained within. It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the *Gita* to show the simplicity of the message of Bhagavan. One such Master is Paramahansa Sri Swami Vishwananda, and in this book, which is his personal commentary, we hold a treasure chest of spiritual insight. *The Walk II* Barrett Taylor, 2011-08-06 Before you make a choice, you are the master of it. Once you choose, you become its slave. The life that you are living right now is the sum total of all the choices you have made in the past. Experience is not the best teacher, but rather learning from the experiences of others. The poems within this book are inspired by the experiences of others. They experienced the pain, but if you will hear and heed, you will experience the gain. Every choice you make leads toward either one of two places. It will either lead toward blessings or curses, so choose wisely. **Beautifully Broken: The Spiritual Woman's Guide to Thriving (not Simply Surviving)**
