Love Stories With Happy Endings:

The Book of Happy Endings Elise Valmorbida, 2007 Two childhood sweethearts meet again as adults a young woman defies tradition new love grows from the ruins of an earlier relationship exiles find home in each other love flourishes late in life handwritten letters span the distance of oceans We love to hear about love In a world of bad news and bleak prophecies it is life affirming to hear a story with a happy ending These are true tales of passion and perseverance chance meetings unexpected romance lovers whose stars are uncrossed There is sorrow here There are questions too but no universal answers and yet other people's happy endings inspire optimism in all of us People have told the author about their personal experiences She has listened to their unique voices and woven heartfelt stories from their words All the chapters are about love but together they are about life

Love Stories with Happy Endings Gary W. Crosby, 1999-12 When a young man and young woman meet human ingenuity seems to peak especially if they meet abruptly without pre orchestration the results are sometimes amusing and often profound These stories of romance each stand alone but adhere to a potent theme love is exciting and refreshing and lasting relationships often begin in the most unlikely ways These romances do much more than entertain they bring a smile to the heart a warmth to the soul and gladness to the spirit Not just about others these experiences are really about the yearnings in each of us

Happy Endings? I Doubt! Manik Chopra, 2019-01-10 Some love stories are not meant to be complete you might not have the person with you but love resides in a corner of our heart forever and brings a smile on our faces remembering the moments spent together Some stories might not have a happy ending but something happens which makes us happy Ours love story didn't have a happy ending but story of my life will definitely have a happy ending
