The Wedding Vow
Author, Rebecca W.

You are not the air that I breathe,
You are the sweet scent that drifts upon it
You are not the sounds that I hear,
You are the music of my life
You are not the food that I need,
You are the nourishment of my soul
You are not my will to survive
You are my reason for living

It is with you that I experience the wonders of the world
It is with you that I triumph over the challenges in my path
It is your partnership that will lead me to the fulfillment of
my dreams

It is your friendship that guides me as I learn and grow.
It is your patience and wisdom that calms my restless nature
It is through you that I know my true self
I do not take you for granted, I cherish you
I do not need you, I choose you
I choose you today in witness of all the people who love us
I choose you tomorrow in the privacy of our hearts
I choose you in strength and weakness
I choose you in health and in sickness
I choose you in joy and sorrow
I will choose you, over all others,
every day for all the days of my life

The Oxford Handbook of Anglican Studies Mark David Chapman, Sathianathan Clarke, Martyn Percy, 2016 The Anglican Communion is the third largest Christian denomination and claims a membership of some 80 million members in about 164 countries Given that there are only around two hundred countries in the world this makes the churches of the Anglican Communion the most geographically widespread denomination after Roman Catholicism The 44 essays in this volume embrace a wide range of academic disciplines theological historical demography and geography and different aspects of culture and ethics They are united in their discussion of what is effectively a new inter disciplinary subject which we have termed Anglican Studies At the core of this volume is the phenomenon of Anglicanism as this is expressed in different places and in a variety of ways across the world This Handbook covers a far broader set of topics from a wider range of perspectives than has been hitherto attempted in Anglican Studies At the same time it doesn't impose a particular theological or historical agenda The contributions are drawn from across the spectrum of theological views and opinions It shows that the unsettled nature of the polity is part of its own rich history and many will see this as a somewhat lustrous tradition In its comprehensive coverage this volume is a valuable contribution to Anglican Studies and helps formulate a discipline that might perhaps promote dialogue and discussion across the Anglican world

Cinema, Censorship and Sexuality 1909-1925 (Routledge Revivals) Annette Kuhn,2016-04-06 First published in 1988 This book shows how censorship as a set of institutions practices and discourses was involved in the struggle over the nature of cinema in the early twentieth century It also reveals the part played in this struggle by other institutions practices and discourses for example new knowledge about sexuality and organisations devoted to the promotion of public morality Instead of censorship simply being an act of prohibition by a special institution this work reveals the issues at work were far more complex and contradictory opening up critical scrutiny and challenging assumptions This title will be of interest to students of media and film studies
