Love Is . . . Deeci Murphy, 2016-02-18 Deeci Murphy a Philadelphia poet author and educator presents a collection of fifteen love poems to warm the heart as well as entertain and excite the spirit Whether love is real or imagined reciprocal or unrequited lost or newly discovered its still the most powerful emotion there is If you feel it say it cause love is not love until its spoken [Age in Love](#) Jacqueline Vanhoutte, 2019-06 The title *Age in Love* is taken from Shakespeare s sonnet 138 a poem about an aging male speaker who by virtue of his entanglement with the dark lady vainly performs the role of some untutor d youth Jacqueline Vanhoutte argues that this pattern of age in love pervades Shakespeare s mature works informing his experiments in all the dramatic genres Bottom Malvolio Claudius Falstaff and Antony all share with the sonnet speaker a tendency to flout generational decorum by assuming the role of the lover normally reserved in Renaissance culture for young men Hybrids and upstarts cross dressers and shape shifters comic butts and tragic heroes Shakespeare s old men in love turn in boundary blurring performances that probe the gendered and generational categories by which early modern subjects conceived of identity In *Age in Love* Vanhoutte shows that questions we have come to regard as quintessentially Shakespearean about the limits of social mobility the nature of political authority the transformative powers of the theater the vagaries of human memory or the possibility of secular immortality come to indelible expression through Shakespeare s artful deployment of the age in love trope *Age in Love* contributes to the ongoing debate about the emergence of a Tudor public sphere building on the current interest in premodern constructions of aging and ultimately demonstrating that the Elizabethan court shaped Shakespeare s plays in unexpected and previously undocumented ways

Sleep and the Novel Michael Greaney,2018-04-04 Sleep and the Novel is a study of representations of the sleeping body in fiction from 1800 to the present day which traces the ways in which novelists have engaged with this universal indispensable but seemingly nondescript region of human experience Covering the narrativization of sleep in Austen the politicization of sleep in Dickens the queering of sleep in Goncharov the aestheticization of sleep in Proust and the medicalization of sleep in contemporary fiction it examines the ways in which novelists envision the figure of the sleeper the meanings they discover in human sleep and the values they attach to it It

argues that literary fiction harbours on its margins a sleeping partner one that we can nickname the Schlafroman or sleep novel whose quiet absorption in the wordlessness and passivity of human slumber subtly complicates the imperatives of self awareness and purposive action that traditionally govern the novel Love and Pain Dawin Antonio Welch,2011-05-05

Poetry is more than just words on a sheet of paper or clever rhyme schemes Poetry contains and can emulate every human emotion one can think of when written in that given format These words possess so much power that they take us through sentiments that we display when they are spoken or read This Volume of poems were written in the attempt to tug at these same emotions My thanks goes to my Lord my heavenly father my God for without his hand upon anything nothing is possible I have been blessed with the gift of poetry and now i have the opportunity to share with the world my words of emotions Whatever can be taken from my poetry take them and make good of whatever situations that you can relate them to and to everyone who supported my first collection I thank you for being with me once again Woman's Record; or, sketches of all distinguished women from the Creation to A.D. 1854 ... Esther: A Mystic's Philosophy of Love Collins I. Aki, 2017-01-24 My Heart After Esther could be considered a philosophy of love in the skin of a romance novel or a romance novel in the skin of a philosophy of love but it is ultimately a story about love and philosophy in a way that romances the two In this work of literary meta fiction two stories are interwoven into one The first story is about the translator of the second story Gustav Z Itohahn and his love for the author and his work he is translating the mysterious pseudo philosopher Jorge Manuel Belmarez In the second story we read Itohahn s presentation of Belmarez s story of love which dares to challenge every idea of love and marriage from the vow till death do we part to the old courtly love edict that marriage is no proper defense against love This new take on philosophical fiction may somehow find itself in the memory of its readers as more than an experiment in story telling but truly an experiment in challenging our deepest ideas and beliefs
