purposes There is also an increasing absence of genuine love i e love as caring and solidarity which under certain conditions takes romantic forms Ideological political lying is connected to the corruption of love with its confinement to the private sphere of individuals and consequent isolation from the wider unequal society This connection is via capitalism On the one hand capitalism resorts to ideological political lying to cover up its contradictions that cause alienation suffering of the masses Lying and alienation suffering are not conducive to genuine love in society On the other hand a crisis ridden capitalism produces the right wing politics of lying post truth politics This is also a politics of hatred or post love or anti love against minorities democrats and socialists a politics that is justified by lies about these subjects The fight against hate politics and post truth politics must be part of the fight for a post capitalist world socialist democracy imagined as a truthful and caring world
