Last Orgy by the Cemetery David Kerekes, David Slater, 2024-03-07 The meteoric rise of video technology in the early 1980s was met with suspicion in some quarters Pressure groups found certain videocassettes objectionable and video nasties became a catch all term for undesirable films or films potentially liable for prosecution under the Obscene Publications Act 1959 This book is not a discussion of the video nasties themselves but instead gives a detailed synopsis of each film from Absurd to Zombie Flesh Eaters without criticism or commentary 75 video nasty plots without dissection The book may be considered a nostalgic reverie for those fans and collectors who don t have the fortitude to sit through these

films again and would like an aide memoire means of revisiting them What's more many of the films are cheap and exploitative little masterclasses of cutting corners and the brutal logic of their storylines when laid bare make for entertaining reading The material contained in *LAST ORGY BY THE CEMETERY* originally appeared in a different form in the authors *See No Evil Banned Films and Video Controversy* published by Headpress in 2000 and now out of print

Spinegrinder Clive Davies, 2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities With so many sources available today's fan of horror and exploitation movies isn't necessarily educated on paths well trodden Universal classics 1950s monster movies Hammer as once they were They may not even be born and bred on *DAWN OF THE DEAD* In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing *MYSTICS IN BALI* and *S S EXPERIMENT CAMP* long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock master of suspense *SPINEGRINDER* is one man's ambitious exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won't care to write about One opinion 8 000 reviews or thereabouts [The Dramatic Works of John Lilly](#), (the Euphuist.): John Lilly and his works. Nicole King, 2012-02-15 In 1949 Alan Schafer opened South of the Border a beer stand located on bucolic farmland in Dillon County South Carolina near the border separating North and South Carolina Even at its beginning the stand catered to those interested in Mexican themed kitsch sombreros toy pinatas vividly colored panchos salsas Within five years the beer stand had grown into a restaurant then a series of restaurants and then a theme park complete with gas stations motels a miniature golf course and an adult video shop Flashy billboards featuring South of the Border's stereotypical bandit Pedro advertised the locale from 175 miles away An hour south of Schafer's site lies the Grand Strand region sixty miles of South Carolina beaches and various forms of recreation Within this region Atlantic Beach exists From the 1940s onward Atlantic Beach has been a primary tourist destination for middle class African Americans as it was one of the few recreational beaches open to them in the region Since the 1990s the beach has been home to the Atlantic Beach Bikefest a motorcycle festival event that draws upward of 10 000 African Americans and other tourists annually

Sombreros and Motorcycles in a Newer South studies both locales separately and together to illustrate how they serve as lens for viewing the historical social and aesthetic aspects embedded in a place's culture over time In doing so author Nicole King engages with concepts of the Newer South the contemporary era of southern culture which integrates Old South and

New South history and ideas about issues such as race taste and regional authenticity Tracing South Carolina s tourism industry through these locales King analyzes the collision of southern identity and place with national corporatized culture from the 1940s onward Sombreros and Motorcycles in a Newer South locates campy but historic tourist sites that serve as important texts for better understanding how culture moves and more inclusive notions of what it means to be southern today *Cumulative Paperback Index, 1939-1959* R.
