Big Blue Train (p) Paul Zimmer,1993 These poems survey the human spirit in a way that is both accessible and challenging Even though he retains aspects of the wry funny voice that inhabits his earlier work Zimmer constructs a more mature collection with a vision that explores limits the difficulties of aging and the inevitable presence of mortality What is perhaps surprising is how often this vision is profoundly optimistic despite the high price required to purchase it

The Dance of Illusion Evelyn Pretkus,2021-08-29 The Dance of Illusion story covers the topics of courage change and the power of choice in a way that has never been done before Imagine the possibility we are all impaired at birth with the blessing of forgetfulness to the universal truth that separation is The Dance of Illusion and where there is love Divine Love there is no separation This story calls humanity forward to awaken from an unidentified silent epidemic of an addiction to suffering caused by an underlying unrecognized belief system rooted in separation What is required as the entrance ticket to new beginnings in life It is for the reader to answer an invitation to love Divine Love that stands the test of time with a resounding YES Ultimately The Dance of Illusion proposes a new way of living in the 21st century and beyond to learn and live in joy with suffering a distant memory of the past This is a story laced empowerment hope and new beginnings This is one woman s true story about awakening to something more in life and how to navigate through many sunrise and sunsets to find true love Divine love that is found on a journey within The basic universal truth offered for consideration throughout the story is that we are human beings having a spiritual experience

What is important along the way is to discover the building blocks of truth both personal and universal to rise out of tragedy to experience triumph What is triumph you might ask From the author s point of view it is the joy of living in freedom without suffering with great passion while consciously creating life with Divine Love as the foundation of faith upon which we stand Every element of the story showcases an innovative breakthrough process on how to thrive through difficult times of chaos and change and how to quiet the passions of the mind in ways that are previously unimaginable and unavailable to millions of people today The reader is encouraged to ask and seek the answer to a tough question How do we create peace in the world when so many millions of us are at war an invisible war an attack unrecognized within our own being perhaps even sleepwalking through life The described paradigm creates the set up for denying the time to question the true meaning of life on earth beyond the obvious In midlife the author asked herself the question Who am I at the core of my being The answers sought were beyond the field of right and wrongdoing beyond make a living and beyond material possessions While this sounds serious and it is there are many stories shared that will leave the reader laughing and asking for more Time may just be the new currency of wealth in the 21st century It is the author s perspective it is what we consciously choose to do with time that is up for investigation throughout this story In midlife the author found herself in emotional and financial crisis which unexpectedly led to a spiritual emergency After experiencing great loss she found herself experiencing deep depression anxiety and nagging never ending suicidal thoughts Having been raised Catholic she found herself feeling separate from God family and everyone she loved This is a story that has never been told before about suicide from a spiritual perspective This is a must read for those who suffer from depression anxiety and suicidal tendencies those who love them and professionals who help them

Gloria M. Kemp Van Ee,2021-10-27 Many people will come in to our lives They will leave out lives And some people some where down the line will come to stay in our lives forever Though is there really such a thing as forever For me I have not found that forever friend but when I do I will be glad to let you know These words are not just any old words or poems They are the thoughts in which I think the feelings in which I feel This is the part of me in which I have kept hidden away from the rest of the world meaning people that do not understand others such as my self It is my heart In the last 20 years of my life I have come to discover that everything revolves around one thing Weather it is good or bad Happy or sad Everything revolves around some kind of love That is why everything is love to me We all go through easy and hard times and in the end we always turn to the one thing we say we will never turn to or do again And can you guess what that is Love *Film and Sexual Politics* Kylo-Patrick R.
