Love, David Novel ePDF D Case, This note is part of Quality testing *The Christ of God* Beatrice Francis Carey, 2024-01-04 If our lives are built on the foundation of the Word of GOD it will be that we will seek Him more and more We will want to honor Him in as many venues as possible I think if Jesus the Christ of GOD was here today He would be using every platform available to declare His Word Jesus lives through His Word so the more it is honored and declared the more He is glorified For the most part GOD S Word has been ignored lately When this great country of ours was founded by Christian fathers the Bible was the textbook children learned to read out of at school Then we became too prideful and sophisticated to keep Christ central We started relying on ourselves and our inventions and strayed from our first love As Hosea rightly proclaimed Thou hast gone a whoring from thy GOD We have cast off the thing that is good and are deeply corrupted He continues his rebuke warning Israel of GOD S wrath It is the same for us today GOD will visit us for our sins and our glory shall fly away as a bird Hos 9 11 The message is always the same return unto your Maker We are like children following every pied piper on jump street Hopefully with more chapters on our King and Savior Jesus Christ we will flee to His open arms We do not want to hear The glory is departed not from our country or any country No we want the King s glory to rain down upon us Hosea s beautiful words remind us According to their pasture so were they filled They were filled and their heart was exalted Therefore have they forgotten Me O Israel thou hast destroyed thyself but in Me is thine help I will be thy King Where is any other that may save thee Hos 13 6 9 10 *The Drama* ,1919 *Male Friendship, Homosexuality, and Women in the Hebrew Bible* Barbara Thiede, 2021-07-01 Male alliances partnerships and friendships are fundamental to the Hebrew Bible This book offers a detailed and explicit exploration of the ways in which shared sexual use of women and women s bodies engenders sustains and nourishes such relationships in the Hebrew Bible Hebrew Bible narratives demonstrate that women and women s bodies are not merely used to foster and cultivate male homosociality male friendship and toxic hegemonic masculinity but rather to engender them and make them possible in the first place Thiede argues that homosocial bonds between divine and mortal males are part of a continual competition for power rank and honor and that this competition depends on women s bodies for its expression In a final chapter she also explores whether female characters in the Hebrew Bible use male bodies to form friendships and alliances to advance female power status and rank The book concludes by arguing that women are essential to the toxic biblical hegemonic masculinity we find in the Hebrew Bible but only because their bodies are used to make it possible in the first place This book is intended for scholars of the Hebrew Bible as well as advanced undergraduate and graduate students in religious studies women and gender studies masculinity studies queer studies and like fields The book can also be read profitably by lay students of biblical literature seminary students and clergy *Life Application Study Bible* Tyndale, 2004-09 Today s best selling study Bible the Life Application Study Bible has been updated and expanded Over 300 new Life Application notes nearly 350 note revisions 16

Estrin,1994-12-15 How do men imagine women In the poetry of Petrarch and his English successors Wyatt Donne and Marvell the male poet persistently imagines pursuing a woman Laura whom he pursues even as she continues to deny his affections Critics have long held that in objectifying Laura these male authored texts deny the imaginative intellectual and physical life of the woman they idealize In Laura Barbara L Estrin counters this traditional view by focusing not on the generative powers of the male poet but on the subjectivity of the imagined woman and the imaginative space of the poems she occupies Through close readings of the Rime sparse and the works of Wyatt Donne and Marvell Estrin uncovers three Lauras Laura Daphne who denies sexuality Laura Eve who returns the poet's love and Laura Mercury who reinvents her own life Estrin claims that in these three guises Laura subverts both genre and gender thereby introducing multiple desires into the many layers of the poems Drawing upon genre and gender theories advanced by Jean Fran ois Lyotard and Judith Butler to situate female desire in the poem's framework Estrin shows how genre and gender in the Petrarchan tradition work together to undermine the stability of these very concepts Estrin's Laura constitutes a fundamental reconceptualization of the Petrarchan tradition and contributes greatly to the postmodern reassessment of the Renaissance period In its descriptions of how early modern poets formulate questions about sexuality society and poetry Laura will appeal to scholars of the English and Italian Renaissance of gender studies and of literary criticism and theory generally **A Shooting Star** Joe Cosentino,2015-09-02 An In My Heart Novella On the eve of the best night of his life winning an Academy Award Jonathan Bello thinks back to his one great love David Star Flipping back the pages of time Jonathan recalls his handsome muscular and charismatic college roommate Since Jonathan was a freshman and
