Love Finds A Way:

Love Finds a Way Lester Wertheimer, 2014-06-25 George and Lisa have been married for six years and all is not well. Once a loving couple they now find themselves in a bitter and hostile relationship. In an effort to repair their disintegrating marriage they travel to Greece where an earlier civilization first celebrated the wonders and delights of romantic love. Upon arriving in Athens they are shocked to discover the year is 430 BC. This is the story of a modern couple's adventures among the gods and mortals of ancient Greece. Their sponsor is Aphrodite, goddess of love, who aims to restore their badly damaged relationship. They receive advice from the Delphic Oracle as well as from ancient intellectuals including Aesop, Pythagoras, and the wisest mortal of all, Socrates, who advises them that Love Finds a Way. Our intrepid couple face endless dangers as they confront vengeful gods, escape the perilous underworld, and match wits with half the Spartan army in order to survive. In a narrative filled with adventure, romance, and humor, George and Lisa search for a way back to the twenty-first century and a more promising future. *Love Finds a Way*, *Love Finds a Way* Lisa Lopez, 2009-03 This story is about a little alien named Pudlie whose mommy could not take care of him the way baby aliens needed to be cared for. He was taken from his mommy and placed into a strange place called a foster home. It is about how he felt and what he went through along the way. He had to find strength and courage every day to face his problems and learn how to deal with them. He made mistakes but worked through them with help and determination, belief in himself. He had to sort out a lot of pain and feelings in order for him to see he could be happy again and loved just in a different way. **Love Finds a Way** Wanda E. Brunstetter, 2012-01-01 Three stories of light-hearted romance from bestselling author Wanda E. Brunstetter prove Love Finds a Way. Widow Lorna Patterson returns to college looking for education, not romance. Then she meets fellow student and culinary novice Evan Bailey. Will his persistence have her rethinking love? When Shelia Nickels searches for her grandmother's doll, her hunt leads to antique dealer Dwaine Woods's door. But will she find love instead of a lost treasure? Wendy Campbell doesn't want a relationship, but her father does for her. Will his matchmaking end with an unexpected romance for Wendy and paramedic Kyle Rogers? *Where Love Finds A Way* Dewey Painter, 2018-12-11 In his early Christian life he read *In His Steps* by Shelton and was awesomely inspired, which set a pattern for his living for Christ over the following fifty-nine years. Over the years he has purchased and given away hundreds of Shelton's book to others in hopes that it would inspire them as well. *In His Steps* is hard to find, so he felt led to write a book entitled *Where Love Finds a Way*. Following the same concepts as written by Shelton, he forged out a writing that observes the daily life of a family of five: father, mother, two daughters, and a son. *Where Love Finds a Way* follows them through one day of their life and the decisions they make, sometimes in view of what would Jesus do, and often times them doing it without that thought. Many of the social issues each of them faced brings them home to the family dinner table where they share the challenges, successes, and failures of the day. The proceeds from the book will go to support the mission work of Mission Harvest America and the missionaries serving therein. Most important

is the request for your prayers for support of missionary efforts of MHA and the impact it has on the lives of others The author is available as a speaker or presenter for conferences **Love Finds a Way, Even Through the Darkness** Tatyana Morosan,2013-04-23 This book tells a story of a young woman named Vanessa who had an image of a Christian who devoted her entire life to serving God Meanwhile she meets the young handsome and wealthy Marcus Their love grew toward each other Despite the brutality even the closest people retained the ability to forgive and love them all even through the darkness
