Fox, 2020-05-09 Rhea loves helping her friends She s always been the kind of girl to do anything for just about anyone But the most selfless act she s ever tried to accomplish is being a surrogate for her gay best friend and his husband After three rounds of IVF everything looks bleak and hopeless That is until the tables turn and she realises her best friend and his husband want way more than she ever expected What she learns quickly is that she wants it way more than she realised herself A new adventure leads to unexpected outcomes when she finds out she s gotten more than she ever wanted from life

Will she manage to give her best friend what he's always wanted too **Losing Your Best Friend** Frosty Wooldridge, 2010

Praise for the book *Losing Your Best Friend* covers one of the most ignored emotional issues in America today. Our high speed society causes 20 million households to change addresses annually. No one knows the emotional damage caused by friends losing touch with each other. This book not only addresses different aspects of losing your buddy but it gives ideas on how to heal yourself when you lose a dear friend. Glen Hamilton: I don't usually cry but I cried at some of the histories of the people in this book because their stories are my story. I lost my dad at an early age. My best friend in high school dropped out of my life. This book answered several of my life long emotional aches. Frank Archer: This is one heck of a powerful book. It's a must read for anyone that has lost a friend or parent. It will give you answers that you may not have thought about. It will touch your heart and you will learn from their experiences. It also shows you what you can do if you suffer conflict with your friend's wife or girlfriend. Jonathan Runy: I couldn't put this book down. It spoke to me and a lifetime of my thinking that I had lost several of my friends because it was my fault. Finally somebody wrote about the pain of losing a friend as well as the deeper meanings of friendships. Howard Jones: Relationships are the cornerstones of our lives. Losing a friend or family member is one of the biggest traumas we face in life. This collage of stories about losing a friend provides you with tools to deal with your own heartbreak. Whatever your age or situation you will find this book profoundly interesting as well as touching. Read it to help you with your own friendship issues. Al Wilson **Falling for my Brother's Best Friend** Piper Rayne, 2019-02-20

Let's say you're an independent self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now more than ever you need to count all the reasons why you need to abandon falling. Abandon Falling 1 He's a womanizer. Hasn't had a serious relationship a day in his life and changes women more often than he changes his sheets. Abandon Falling 2 He's never serious. He cracks one liners mostly at your expense. Abandon Falling 3 When things go wrong he seems unfazed and always remains in control. It's so annoying. Abandon Falling 4 He has tattoos. Lots of them. Everywhere. Not to mention he owns a tattoo parlor. Damn it. Why doesn't that sound like a bad thing anymore. Abandon Falling 5 There's a growing list of how different you two are. You can't get along for fifteen minutes a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don't notice his good qualities or how enticing he looks without a shirt and do not I repeat do not agree to live with the man while your place is being repaired from flood damage. Trust me even the strongest of us can only forego temptation for so long.
