The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene, 2017-08-01 In *The End of Divine Truthiness* Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr.'s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert's word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love

Enemy Images in American History Ragnhild Fiebig-von Hase,Ursula Lehmkuhl,1998-01-01 It seems to be a tenet of the human condition to perceive others as different and potentially hostile In nearly all societies stereotypes are developed to stigmatize suspected enemies within and without The American case is particularly interesting in this respect because American society consists of nothing but others to be open to others and welcome those who are different is one of the basic tenets of the country However this principle often conflicts with the need to integrate all these strangers into a homogeneous governable society which causes the formation of hostile stereotypes of certain ethnic groups that do not fit in The authors in this volume look at the development of these enemy images which form a fairly consistent pattern from the period of the American Revolution to the post World War II era In doing so they focus on the question of to what extent these enemy images influence the formulation and outcome of foreign domestic and immigration policies Borrowed Love Poems John Yau,2002-03-26 More information to be announced soon on this forthcoming title from Penguin USA **Preserving Flowers** Diane Flowers,2008 Full color illustrated instructions for creating over forty dried and pressed floral designs and projects
