

Family I love
In the valley of love,
Love of family is so strong,
It's not for some time,
It's for throughout and so long,
I oh so love my family so much,
I will forever stay with them,
Coz they are my true support

Love Is Forever Poems In Family Life:

My Poems of Life Elizabeth Gray, 2012-02 Elizabeth Gray's first book *I Relived My Nightmare From Hell* was a prelude to this one. Some of the poems written here were first incorporated in the preceding memoir as a different form of relating. Both books show her dramatic search for her own self-discovery. She has succeeded mainly in her battle with Agoraphobia. This came to the surface as told in her own words. Elizabeth's journey on her way to recovery is shown in a unique manner. All her poems come dancing on paper before your very eyes. Her words, which were dormant for years, come to life. Victory took many years to attain, but her solid determination and faith became the key factors. Elizabeth is married to Leo, the love of her life for over fifty years. They lead a simple life along with their dog Gretel and both still work in their now golden years.

The Complete Poems of Louis Daniel Brodsky: Volume One, 1963-1967 Louis Daniel Brodsky, 1996 As the initial volume of an impressive series comprising the full collection of verse by Louis Daniel Brodsky, this book begins with Brodsky's first poem written during his final months at Yale in 1963 and traces the author's maturation into his apprentice years when he was a young graduate student in English at Washington University in St. Louis, presenting the hundreds of poems, prose poems, and short autobiographical prose works he had composed by June of 1967 when he launched his professional writing career. These pieces serve not only as a measure of Brodsky's evolution as a poet but as a human being chronicling one man's struggle to find his purpose in life, to make a place for himself in a society often at odds with his own convictions. His hopes, fears, and frustrations permeate the work, revealing the intense inner conflicts he felt compelled to set to paper from individual matters, his indecision over vocational goals, his candid experiences with love and rejection, the overwhelming isolation inherent in his academic pursuits, to more global concerns, especially his acute awareness of the increasing social and political turbulence surrounding him. By grappling with these issues in his writing, he explored passionate emotions, released tension, and at times resolved doubts evoked through his introspection. But more important, he used this outpouring to hone his creative skills and develop his personal and professional identity, ultimately creating this tangible record of his travail and his ecstasy, his certitude and his confusion, and finally his journey into the heart of the person he would never stop becoming, a poet.
