Dee and Kathy help women discover a life changing intimacy with Jesus No matter your age or marital status you are His bride the object of His affection The secret to an abundant life lies not in ten steps but in developing a deep love relationship with Jesus abandoning yourself to the greatest romance of your life *Numbered Love* Maysam Yabandeh,2025-03-01 Nam never stopped thinking about the girl who once held his heart For thirty years he kept her memory alive through ancient romantic tales from the Far East But when he returns to America to find her his hopeful search unravels into a journey full of unexpected turns as he confronts the realities of love in modern times Letters of Forbidden Love and Selected Poems Abdullah Mokaddam,2019-01-17 We take modern amenities for granted and many of us rarely give a thought of the days when such things were only a dream Our two protagonists in this story faced against all the odds of their repressive age innovated and nurtured their forbidden love with verve and passion Their feelings expressed in a language that is beguiling defying and passionate Ruth Sanderson trapped in a loveless marriage relentlessly pursued all the ways possible to liberate her from marital tyranny Then she met Phillip Hardy a poet and together they planned to surmount the impossible Their secret love grew exponentially but the obstacles did not go of their own volition This is their story and they relate it in memorable epistles There are selected poems that convince us the power poetry is unconquerable and a strong anodyne when melancholia takes over the soul **The Kādambarī of Bāna** Bāṇa,1896 Love in Contemporary British Drama Korbinian Stöckl,2021-01-18 Despite the recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned **Suffolk Tales & Other Stories, Fairy Legends, Poems, Miscellaneous Articles** Lady Eveline Camilla Gurdon,1897 *Suffolk tales & other stories [&c.]*. lady Eveline Camilla Gurdon,1897 Unvoiced veracity Vaidiki Das, Saqlain Khan,2022-02-01 The start of something new always declares newer problems newer ideas newer hassles and newer reforms and reformers Often misconceptions marks the end of something great even before it reaches the goal set prior start This book reflects on the ideas and questions that resides within the newer generation craving for betterment in the current existent situation and society We plan to reach out to more people

who has similar thoughts and ideas at times even better but hasn't reached out yet We hope the insights of this book will not fail to impress and draw attention for its ideal to be fulfilled Our solo moto is to break the misconception and toxicity growing surrounding such lame and false rumours

Trifles in Verse John Marjoribanks, 1784 *The Mystery of Individuality* Mark Perry, 2012-07-13 The Mystery of Individuality explores the nature of human individuality through twelve chapter mirrors whose main focal points are spirituality psychology sociology and love and also the meaning of sacred art The issues of leadership and justice as well as of politics and even crime are also examined in depth along with the roles of sexuality and marriage Finally man and woman are defined in the context of both cosmology and society with a special emphasis on the divine nature of a human being and what this entails morally and socially Perry bases his assessments on the guiding image of archetypal man namely of a being created in the image of God At the same time he does not shy away from addressing what the distortion of this archetype entails He asserts that in creating man God lent him his own immortal personhood namely all that we find most lovable in another human creature in other words his personality But finally the question for each of us comes down to remembering our divine essence without forgetting our human nothingness
