century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family Redemptive Divorce Mark Gaither, 2008-08-12 A graceful biblical way to reclaim sanity for the home and dignity for the suffering spouse in a dysfunctional or dangerous marriage Thousands of conscientious believers wanting to honor the sacred vows they took before God suffer in dysfunctional even dangerous marriages Each and every day they must choose between the lesser of two evils divorce without sound biblical support or a life of perpetual unrelenting misery Somewhere between the secular disregard for the commands of Christ and the sacred unwillingness to deal with real problems of people there is a way The redemptive divorce process is designed to honor the sacredness of the union while offering practical relief for the suffering partner and tough love for the offending spouse In some cases it might even be the catalyst for the restoration and rebuilding of the marriage Practical provocative and utterly unique Redemptive Divorce includes a helpful guide with worksheets for implementation *Family Disintegration* Anton Purcell, 2002 The contemporary family is being distracted disturbed and distraught by societal pressures from every direction The nuclear family concept believed crucial to child rearing is becoming pass according to census data Or has the wave of disruption to families crested It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century **Stephen Lives** Anne Puryear, 1997-04 The author discusses the life of her son Stephen who committed suicide at the age of fifteen and relates messages she has received from him since his death telling her why he took his own life and offering hope to other people who may be discouraged with their own lives *No Place for Abuse* Catherine Clark Kroeger, Nancy Nason-Clark, 2010-10-12 In this thoroughly revised and updated edition Catherine Clark Kroeger and Nancy Nason Clark share with readers a further ten years of experience in listening to the voices of women from around the world and especially to those in the church They help us hear their cries and find concrete ways to respond so that no home will be a place of abuse Feminist Narratives and the Sociology of Religion Nancy Nason-Clark, Mary Jo Neitz, 2001 In 14 essays US and Canadian sociologists of religion cultivate the growing gender and feminist consciousness in their profession and challenge established scholars and graduate students to be cognizant of it They combine biography and scholarly pursuits academic rigor and personal passion There is no index c Book News Inc **The Power of a Positive Mom** Karol Ladd, 2015-03-24 Updated for today's tech savvy mom Cover *Power of a Positive Mom & Power of a Positive Woman* Karol Ladd, 2006-09-26 2 Best Selling Positively Power Packed Books in 1 There's an amazing power in the fourteen principles shared in this dynamic duo of a book Seven time tested principles from the The Power of a Positive Mom are perfect for stay at home and working moms alike plus seven more life changing principles from The Power of a Positive Woman will unlock

the potential in any woman to be a positive influence in her world In this two for one book you ll learn the power of your words and how to use them positively you ll learn how your prayers encouragement attitude and example can change your family forever and you ll learn how to become a powerful force in your family your church your community and your world Become the positive mom and woman that you were created to be Bad Pastors Anson D. Shupe, William A. Stacey, Susan E. Darnell, 2000-08 Child molesting priests embezzled church treasures philandering ministers and rabbis even church endorsed pyramid schemes that defraud gullible parishioners of millions of dollars for the past decade clergy misconduct has seemed continually to be in the news Is there something about religious organizations that fosters such misbehavior Bad Pastors presents a range of new perspectives and solidly grounded data on pastoral abuse investigating sexual misconduct financial improprieties and political and personal abuse of authority Rather than focusing on individuals who misbehave the volume investigates whether the foundation for clergy malfeasance is inherent in religious organizations themselves stemming from hierarchies of power in which trusted leaders have the ability to define reality control behavior and even offer or withhold the promise of immortality Arguing that such phenomena arise out of organizational structures the contributors do not focus on one particular religion but rather treat these incidents from an interfaith perspective Bad Pastors moves beyond individual case studies to consider a broad range of issues surrounding clergy misconduct from violence against women to the role of charisma and abuse of power in new religious movements Highlighting similarities between other forms of abuse such as domestic violence the volume helps us to conceptualize and understand clergy misconduct in new ways

Practicing what the Doctor Preached Susan Bales Ridgely, 2017 James Dobson is well known to the secular world as a crusader for the Christian right But within Christian circles he is known primarily as a childrearing expert millions of American children have been raised on his message Practicing What the Doctor Preached looks at how Dobson s rigid authoritarian teachings are put into practice by actual families often in surprisingly flexible ways
