

A romantic sunset scene with a silhouette of a person sitting on a bench by a body of water. The sky is a vibrant mix of orange, pink, and purple, with the sun low on the horizon. The person is seen from the side, looking out over the water. The overall mood is peaceful and intimate.

Love Remains The:

Love Remains Jeff Hood,2016-12-06 *Love Remains* is a collection of Dr Hood s prophetic writings from 2014 2015 **A Love Remains Unsaid** Prakirti Behera,2025-08-18 This is not just a book it s an echo of a heart that once loved in silence Through pages steeped in raw emotion and quiet strength Prakirti Behera opens the door to a world where unspoken glances imagined conversations and unanswered hopes breathe life This collection speaks to anyone who has ever loved without being seen capturing the bittersweet ache of unrequited affection with poetic grace It doesn t ask for pity it offers connection In a world that rushes past soft feelings this book lingers gently deliberately Each piece unfolds like a secret once held tightly in the chest now released to the page with courage and beauty The words don t just tell a story they become a mirror for those still healing from the love that never loved them back Let these pages remind you even unreturned love can return to you in the form of art **Songs of Praise** Karolyn E. Jennings,2024-11-04 The poems in *Songs of Praise* were written while sitting in the choir stand and listening to Rev Frank Calloway preach Every Sunday he said something that inspired me and opened my mind to writing a poem I started writing these poems in 1974 and didn t stop In 1995 I decided I had enough poems for a book I still added more poems to this collection and I m still being inspired everyday to continue to write inspirational poetry *Twenty-First Century Fiction* S. Adiseshiah,R. Hildyard,2015-12-04 This lively new volume of essays examines what happens now in 21st century fiction Fresh theoretical approaches to writers such as Salman Rushdie David Peace Margaret Atwood and Hilary Mantel and identifications of 21st century themes tropes and styles combine to produce a timely critical intervention into genuinely contemporary fiction **The Jordan and the Rhine** William Graham,1854

Witchcraft in the Church Jean Tshibangu,2016-04-08 Many men of God are struggling in their ministries and had not been revealed in the forces behind their difficulties Drawing from Gods Word and real life experiences Jean gathers the information that led him to unmask the works of witchcraft in the church Jean Tshibangu who has been visited by the Holy Spirit is concerning about the question of whether witchcraft can operate within the church and how to defeat it Understanding the activities of witchcraft in the church is vital for anyone Some are astonished to hear that despite the mighty work of the cross witchcraft is still working in the Church The answer to the main question is for the author yes and a Big yes Witchcraft operates in the Church It is active and real even though some seem to ignore it As you read this you will realize that some local Churches that are still embroiled in continual conflicts slimming divisions are under the influences of witchcraft etc By reading the content of this book you will be strongly built The good news is that on the cross and by the cross Jesus destroyed the works of darkness and won over the devil The Cambridge Companion to Martin Luther Donald K. McKim,2003-07-10 Martin Luther 1483 1546 stands as one of the giant figures in history His activities writings and legacy have had a huge effect on the western world This Cambridge Companion provides an accessible introduction to Martin Luther for students of theology and history and for others interested in the life work and thought of the first great Protestant

reformer The book contains eighteen chapters by an international array of major Luther scholars Historians and theologians join here to present a full picture of Luther s contexts the major themes in his writings and the ways in which his ideas spread and have continuing importance today Each chapter serves as a guide to its topic and provides further reading for additional study The Companion will assist those with little or no background in Luther studies while teachers and Luther specialists will find this accessible volume an invaluable aid to their work The Book of Secrets Osho,2012-05-15 The Book of Secrets is a step by step guide to find the best meditation suitable for you 112 methods of meditation are described and introduced here with helpful background information to give contemporary people a door to meditation Reading this book not only will your outlook on life change but so will your life If you want to know more about life and yourself this is your book Each chapter that focuses on describing specific meditation techniques is followed by a chapter of questions from those who were present during the talks In most cases their questions relate to the techniques given in the previous chapter So as you start to experiment with a technique it will be helpful to look into these chapters for some extra hint some greater depth of understanding or response to a question that might have arisen for you in your experiments Psychological Commentaries on the Teaching of Gurdjieff and Ouspensky Maurice Nicoll,1996-08-01 When Maurice Nicholl was studying in Zurich he met Jung and Ouspensky He went on to study with Gurdjieff and from 1931 to his death in 1953 he began at Ouspensky s request a programme of work devoted to passing on the ideas he had received Reissued in hard cover these five unedited commentaries are taken from the weekly lectures and talks Nicoll gave to his students in England and which were recorded verbatim the sixth volume is an index produced by the Gurdjieff society Washington DC These differ from Nicholl s more polished works they are more concerned with directly applying certain deep ideas to daily life Reading Pop : Approaches to Textual Analysis in Popular Music Richard Middleton,2000-06-08 Reading Pop collects together key essays on the interpretation of pop songs previously published in the journal Popular Music In sixteen varied studies by many of the best known scholars all the most influential approaches are represented An introduction by leading pop academic Richard Middleton puts them into context and outlines the main debates A select bibliography of other writings on pop music analysis adds to the usefulness of the book which will become a central text in popular music studies Reading Pop collects together key essays on the interpretation of pop songs previously published in the journal Popular Music In sixteen varied studies by many of the best known scholars all the most influential approaches are represented An introduction by leading pop academic Richard Middleton puts them into context and outlines the main debates A select bibliography of other writings on pop music analysis adds to the usefulness of the book which will become a central text in popular music studies extensive introduction is particularly valuable the paperback price is worth it for the introduction and the Bjornberg and Tagg essays alone Allan More British Journal of Music Education **Sex Role Attitudes and Cultural Change** I. Gross,J. Downing,A. D'Heurle,2012-12-06 The initial impetus for this volume was the occasion of the World Congress for Mental Health held in

Vancouver British Columbia in 1977 The theme of that congress was priorities in mental health The keynote speaker Mrs Rosalynn Carter wife of the then President of the United States focused attention on the necessity for an international perspective in understanding priorities for mental health Without exception subsequent speakers echoed the sentiments Mrs Carter expressed that the first priority for mental health was that of children For many participants the concern for children was translated not only into techniques for treatment but more importantly into broadening the approaches to prevention One theme emerged which has begun to be addressed around the world that of the cultural and developmental implications of sex role stereotyping for mental health This topic proved to be the touchstone for many issues related both directly and indirectly to mental health Among the most prominent concerns expressed were those for the effects on careers the learning environment and relations between the sexes which stem from stereotyped attitudes concerning appropriate sex role behavior The consensus of the participants was to urge the directorate of the congress to continue this topic at the next World Congress This was a particularly appropriate content for the next World Congress since 1979 was the International Year of the Child
