Love Sick One Woman's Journey Through Sexual Addiction:

Love Sick Sue William Silverman, 2008-02-17 Now a Lifetime Television original movie airing April 2008 with Sally Pressman star of *Army Wives* In this powerful memoir a woman learns to value herself as a whole person rather than as a sexual object Sue William Silverman tells of her roller coaster life of sex and self destructive behavior Finally addicted to danger itself she seeks the help of a trusted therapist to discover what love really means

Love Sick Sue William Silverman, 2012-09-30 An honest and deeply chilling account of what it's like to suffer from a compulsion to look for love in what are most definitely the wrong places Elle For Sue Silverman the wrong places to look for love include At the end of a phone when a stranger calls her college dorm late night and asks what she's wearing On a blue leather couch with a senator while an intern on Capital Hill In the back of a military truck with a paratrooper when hitching a ride across a desert on holiday And still years later in Room 213 of the Rainbow Motel where she goes every Thursday lunchtime for routine sex with Rick unbeknownst to Husband 2 In *Love Sick* her unflinching memoir of her 28 days of treatment in a clinic for female sex addicts Sue revisits her past behaviour as she learns to put her demons behind her and discover what love really means

Addicted? Marilyn Freimuth, 2008-05-29 Despite our associating addictions with crazy out of control behavior most addictions go unrecognized Those who suffer from addictions often misinterpret their symptoms as a sign of some other problem Health care professionals who are entrusted by society to identify such problems routinely fail to do so When addictions are recognized they are confined to substance use which overlooks the wide array of activities that engage people in an addictive manner Further when addictions are detected they are in their most advanced and difficult to treat phases In large part this is due to the all or none way we think about addiction either you are addicted or not In reality an addiction does not emerge fully formed what starts out as just having fun gradually over time becomes a problem To limit the devastation created by late stage addictions and reap the benefits of early detection this book provides questionnaires that screen for a wide array of chemical and behavioral addictions at all stages of development Much in the same way we learned the early warning signs of cancer this book explores different ways to recognize the early and often subtle signs of addiction Unlike cancer where people rush to get treatment facing an addiction is associated with guilt and ambivalence To navigate these feelings and get help the book provides a step by step guide for how to prepare the addicted person be it oneself or someone else to change an addiction

Selected Misdemeanors Sue William Silverman, **Desire** Susan Cheever, 2009-10-06 We've all felt the giddy flutter of excitement when our new lover walks into the room Waited by the phone changed our plans But are we in love or is there something darker at work In *Desire Where Sex Meets Addiction* Susan Cheever explores the shifting boundaries between the feelings of passion and addiction desire and need and she raises provocative and important questions about who we love and why Elegantly written and thoughtfully composed Cheever's book combines unsparing and intimate memoir interviews and stories hard science and psychology to explore the difference

between falling in love and falling prey to an addiction Part one defines what addiction is and how it works the obsession the betrayals the broken promises to oneself and others Part two explores the possible causes of addiction is it nature or nurture a permanent condition or a temporary derangement Part three considers what we can do about it including a provocative suggestion about how we describe and treat addiction and a look at the importance of community and storytelling In the end there are no easy answers A straight look about some crooked feelings Desire shows us the difference between the addiction that cripples our emotions and healthy empowering love that enhances our lives **You Need Help!** Mark S
