Total Cold War Kenneth Alan Osgood, 2006 Osgood focuses on major campaigns such as Atoms for Peace People to People and cultural exchange programs Drawing on recently declassified documents that record U S psychological operations in some three dozen countries he tells how U S propaganda agencies presented everyday life in America to the world its citizens living full happy lives in a classless society where economic bounty was shared by all Osgood further investigates the ways in which superpower disarmament negotiations were used as propaganda maneuvers in the battle for international public opinion He also reexamines the early years of the space race focusing especially on the challenge to American propagandists posed by the Soviet launch of Sputnik

Mass Media, Culture and Society in Twentieth-Century Germany K. Führer, C. Ross, 2015-12-26 This is the first study of mass media in Germany from a social and cultural historical perspective Beyond the conventional focus on organizational structures or aesthetic content it investigates the impact the media has on German society under varying political systems and how the media is shaped by wider social political and cultural context

Connecting Social Problems and Popular Culture Karen Sternheimer, 2018-05-04 Is violence on the streets caused by violence in video games Does cyber bullying lead to an increase in suicide rates Are teens promiscuous because of Teen Mom As Karen Sternheimer clearly demonstrates popular culture is an easy scapegoat for many of society s problems but it is almost always the wrong answer Now in its second edition *Connecting Social Problems and Popular Culture* goes beyond the news grabbing headlines claiming that popular culture is public enemy number one to consider what really causes the social problems we are most concerned about The sobering fact is that a media made them do it explanation fails to illuminate the roots of social problems like poverty violence and environmental degradation Sternheimer s analysis deftly illustrates how welfare reform a two tiered health care system and other difficult systemic issues have far more to do with our contemporary social problems than Grand Theft Auto or Facebook The fully revised new edition features recent moral panics think sexting and cyberbullying and an entirely new chapter exploring social media Expanded discussion of how we understand society s problems as social constructions without disregarding empirical evidence as well as the cultural and structural issues underlying those ills allows students to stretch their sociological imaginations
