Moving Targets Women Murder And Representation:

Moving Targets Helen Birch, 1994-08-08 The rampaging female has become a new cliché in Hollywood cinema a sexy beauty stabbing and shooting her way to box office success *Fatal Attraction* *Thelma and Louise* *The Hand That Rocks the Cradle* and *Single White Female* are a few of the recent mainstream films that have attracted huge audiences Meanwhile true accounts of a teenager shooting her lover's wife and a battered woman bludgeoning her husband to death get prime news media coverage and are quickly made into TV movies This pioneering collection of essays looks at our enduring fascination with women who murder The authors explore how both fictional and real women are represented as well as the way society responds to these women The result is an often shocking picture of female violence that covers a vast territory the Australian outback a Florida highway an Austrian hospital a French village and Hollywood The women are as diverse as their settings middle class housewives prostitutes house maids nurses high powered professionals There is much here to provoke controversy Society's uncertainty over the role of premenstrual syndrome the fear of lesbianism female violence as self defense against patriarchy and appropriate female behavior are issues that push buttons on several levels *Moving Targets* is must reading for anyone concerned with violence and representations of women in our culture

Killing Women Susan Lord, Annette Burfoot, 2006-10 The examination of women and violence has traditionally focused on women who are killed or who are the victims of violence Women murderers were often portrayed as vengeful wronged women or as maternal protectors Recently however there have been significant shifts in the characterization of women who kill in both popular culture *Lara Croft* *Buffy* and *Kill Bill* and in the current global political landscape the so called angels of death in Palestine The essays in this book explore gender and violence by focusing on visual culture films museums art archives and the news media and by engaging with contemporary theories and practices of identity politics and the debates about the ethics and politics of representation itself Does representation create or recreate the conditions of violence Is representation itself a form of violence Weaving between fact and fiction the contributors examine the powerful role culture plays in the production and reproduction of social meaning The collection offers fresh analyses of well established sources for the study of women and violence including the horror film and the court trials of women who have killed their abusive husbands It adds significant new dimensions to the characterization of gender and violence with the inclusion of nationalism and war feminist media and the exploration of violence circulated through non obvious sources such as medical cultural practice and the information society

Goddesses and Monsters Jane Caputi, 2004 The essays focus upon

popular culture as it is informed by ancient and current mythic images narratives personalities icons and archetypes Topics include the cult status of the serial sex killer sexual murder as a contemporary form of religious sacrifice pornography as an everyday narrative underlying not only sexism but also racism homophobia and militarism the relation of incest to nuclearism pornography and the sacred cyborg myth and subtextual presence of ancient goddess figures in contemporary narratives including that of Princess Diana

Male and Female Violence in Popular Media Elisa Giomi,Sveva Magaraggia,2022-10-06 Male and Female Violence in Popular Media brings into focus the apparently symmetrical phenomena of men s violence against women and women s violence against men explaining the profound differences in their actual features as well as in their representations which over the last few years have been proliferating in a vast array of global media contents Elisa Giomi and Sveva Magaraggia consider popular media including crime TV series such as The Killing Denmark 2007 2012 The Fall UK 2013 2016 and True Detective USA 2015 factual entertainment such as Who the bleep Did I Marry Investigation Discovery 2010 2015 and Italian pop music in order to examine popular culture s depictions of men and women in their opposite yet complementary roles of perpetrators and victims They reveal how TV shows pop songs news and commercials that populate global audiences daily life fuel false beliefs about love and sexuality that either legitimate or stigmatise violence depending on the perpetrators and victims gender

Historical Dictionary of Crime Films Geoff Mayer,2012-09-13 The Historical Dictionary of Crime Films covers the history of this genre through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries on key films directors performers and studios This book is an

Agatha Christie M. Makinen,2006-10-10 Christie s books depict women as adventurous independent figures who renegotiate sexual relationships along more equal lines Women are also allowed to disrupt society and yet the texts refuse to see them as double deviant because of their femininity This book demonstrates exactly how quietly innovatory Christie was in relation to gender

Nineteenth-Century Female Poisoners V. Nagy,2015-02-18 Nineteenth Century Female Poisoners investigates the Essex poisoning trials of 1846 to 1851 where three women were charged with using arsenic to kill children their husbands and brothers Using newspapers archival sources including petitions and witness depositions and records from parliamentary debates the focus is not on whether the women were guilty or innocent but rather on what English society during this period made of their trials and what stereotypes and stock stories were used to describe women who used arsenic to kill All three women were initially presented as bad women but as the book illustrates there was no clear consensus on what exactly constituted bad womanhood

Illuminating the Dark Side: Evil, Women and the Feminine ,2020-09-25 Evil Women The Feminine The relationships that bring together these three ideas form the basis for the papers gathered together in this volume By asking how why when and to what purpose these three terms are often linked serves as the starting point of interrogation for each of the authors here considered

Women Who Kill Men Gordon Morris Bakken,Brenda Farrington,2009 The late nineteenth and early twentieth centuries were a revolutionary period in the

lives of women and the shifting perceptions of women and their role in society were equally apparent in the courtroom. *Women Who Kill Men* examines eighteen sensational cases of women on trial for murder from 1870 to 1958. The fascinating details of these murder trials documented in court records and embellished newspaper coverage mirrored the changing public image of women. Although murder was clearly outside the norm for standard female behavior, most women and their attorneys relied on gendered stereotypes and language to create their defense and sometimes to leverage their status in a patriarchal system. Those who could successfully dress and act the part of the victim were most often able to win the sympathies of the jury. Gender mattered. And though the norms shifted over time, the press, attorneys, and juries were all informed by contemporary gender stereotypes.

Impossible Bodies Christine Holmlund, 2013-11-05 *Impossible Bodies* investigates issues of ethnicity, gender, and sexuality in contemporary Hollywood. Examining stars from Arnold Schwarzenegger and Clint Eastwood to Whoopi Goldberg and Jennifer Lopez, Holmlund focuses on actors whose physique or appearance marks them as unusual or exceptional and yet who occupy key and revealing positions in today's mainstream cinema. Exploring a range of genres and considering both stars and their sidekicks, Holmlund examines ways in which Hollywood accommodates or doesn't a variety of impossible bodies from the outrageous physiques of Dolph Lundgren and Dolly Parton to the almost invisible bodies of Asian Americans, Latinas, and older actors.

Contemporary Action Cinema Lisa Purse, 2011-04-25 This book is an authoritative account of post-1990s US action cinema.

Executing Race Sharon M. Harris, 2005 *Executing Race* examines the multiple ways in which race, class, and the law impacted women's lives in the 18th century and equally important, the ways in which women sought to change legal and cultural attitudes in this volatile period. Through an examination of infanticide cases, Harris reveals how conceptualizations of women, especially their bodies and their legal rights, evolved over the course of the 18th century. Early in the century, infanticide cases incorporated the rhetoric of the witch trials. However, at mid-century, a few women, especially African American women, began to challenge definitions of bastardy, a legal requirement for infanticide, and by the end of the century, women were rarely executed for this crime as the new nation reconsidered illegitimacy in relation to its own struggle to establish political legitimacy. Against this background of legal domination of women's lives, Harris exposes the ways in which women writers and activists negotiated legal territory to invoke their voices into the radically changing legal discourse.

[Feminist Review](#) The Feminist Review Collective, 2005-06-29 A unique combination of the activist and the academic, *Feminist Review* has an acclaimed place within women's studies courses and the women's movement. *Feminist Review* is produced by a London-based editorial collective and publishes and reviews work by women featuring articles on feminist theory, race, class, and sexuality, women's history, cultural studies, Black and Third World feminism, poetry, photography, letters, and much more. *Feminist Review* is available both on annual subscription and from bookstores.
