*Coming Home* Brittney Griner, Michelle Burford, 2024-05-07 From the nine time women's basketball icon and two time Olympic gold medalist a raw revelatory account of her unfathomable detainment in Russia and her journey home Compelling An intimate honest recollection of Griner's time held captive in Russia *Coming Home* reads as a deeply personal publicly powerful documentation of what happened what is still happening to her body and mind Slate On February 17 2022 Brittney Griner arrived in Moscow ready to spend the WNBA offseason playing for the Russian women's basketball team where she had been the centerpiece of previous championship seasons Instead a security checkpoint became her gateway to hell when she was arrested for mistakenly carrying under one gram of medically prescribed hash oil Brittney's world was violently upended in a crisis she has never spoken in detail about publicly until now In *Coming Home* Brittney finally shares the harrowing details of her sudden arrest days before Russia invaded Ukraine her bewilderment and isolation while navigating a foreign legal system amid her trial and sentencing her emotional and physical anguish as the first American woman ever to endure a Russian penal colony while the WeAreBG movement rallied for her release the chilling prisoner swap with Russian arms dealer Viktor Bout and her remarkable rise from hostage to global spokesperson on behalf of America's forgotten In haunting and vivid detail Brittney takes readers inside the horrors of a geopolitical nightmare spanning ten months And yet *Coming Home* is more than Brittney's journey from captivity to freedom In an account as gripping as it is poignant she shares how her deep love for Cherelle her college sweetheart and wife of six years anchored her during their greatest storm how her family's support pulled her back from the brink and how hundreds of letters from friends and neighbors lent her resolve to keep fighting *Coming Home* is both a story

Imagine waking up to a world on the brink of collapse. Terrorists have staged an unprecedented attack on the mainstream of America's economic might, destroying the backbone of the nation's communication centers. Anarchy and social disorder have turned the tides of peace. Enslaved in fear, Americans have turned their rage and violence against each other. Warfare erupts in the streets as The President of the United States is forced to do the unthinkable: he must deploy military troops into the heart of our own cities. America's only hope of survival is Marc Bishop, a man with a bounty hanging over his head, branded a traitor by his own government, a man who has been running for his life for the past three years. As Bishop is catapulted back into a world of espionage, he must race against time to save America and himself. But it's a journey of betrayal as Bishop uncovers a secret web of ingenious conspirators that plan to bring America and the rest of the world to its knees. **A Nightmare on Clown Street (Goosebumps Most Wanted #7)** R.
