## **Mr Hawthorne Goes To England:**

*Mr. Hawthorne Goes to England* James O'Donald Mays, 1983      The American Consul Charles Stuart Kennedy, 2015-12-01 This definitive study of the U S Consular Service examines its history from the Revolutionary War until its integration with the Foreign Service in 1924 As a British colony Americans relied on the British consular system to take care of their sailors and merchants But after the Revolution they scrambled to create an American service While the American diplomatic establishment was confined to the world s major capitals U S consular posts proliferated to most of the major ports where the expanding American merchant marine called Mostly untrained political appointees each consul was a lonely individual relying on his native wits to provide help to distressed Americans Appointments were often given to accomplished authors with notable members including Nathaniel Hawthorne James Fennimore Cooper William Dean Howells Bret Harte and the cartoonist Thomas Nast Briefly traces the history of consuls from their creation in Ancient Egypt this volume sheds light on the significant roles American consuls played throughout history including in the War of 1812 the Mexican War the Civil War and the Spanish American War This second edition continues the narrative to cover World War I the Greek disaster in Turkey and the early years of the Weimar Republic      The Republic Afloat Matthew Taylor Raffety, 2013-03-04 In the years before the Civil War many Americans saw the sea as a world apart an often violent and insular culture governed by its own definitions of honor and ruled by its own authorities The truth however is that legal cases that originated at sea had a tendency to come ashore and force the national government to address questions about personal honor dignity the rights of labor and the meaning and privileges of citizenship often for the first time By examining how and why merchant seamen and their officers came into contact with the law Matthew Taylor Raffety exposes the complex relationship between brutal crimes committed at sea and the development of a legal consciousness within both the judiciary and among seafarers in this period The Republic Afloat tracks how seamen conceived of themselves as individuals and how they defined their place within the United States Of interest to historians of labor law maritime culture and national identity in the early republic Raffety s work reveals much about the ways that merchant seamen sought to articulate the ideals of freedom and citizenship before the courts of the land and how they helped to shape the laws of the young republic      **State**, 1984      **Receiving Erin's Children** James Matthew Gallman, 2000 Between 1845 and 1855 2 million Irish men and women fled their famine ravaged homeland many to settle in large British and American cities that were already wrestling with a complex array of urban problems In this innovative work of comparative urban h      **The Making of a Cultural Landscape** Jason Wood, John K. Walton, 2016-03-09 For centuries the English Lake District has been renowned as an important cultural sacred and literary landscape It is therefore surprising that there has so far been no in depth critical examination of the Lake District from a tourism and heritage perspective Bringing together leading writers from a wide range of disciplines this book explores the tourism history and heritage of the Lake District and its construction as a cultural landscape from the mid

eighteenth century to the present day It critically analyses the relationships between history heritage landscape culture and policy that underlie the activities of the National Park Cumbria Tourism and the proposals to recognise the Lake District as a UNESCO World Heritage Site It examines all aspects of the Lake District s history and identity brings the story up to date and looks at current issues in conservation policy and tourism marketing In doing so it not only provides a unique and valuable analysis of this region but offers insights into the history of cultural and heritage tourism in Britain and beyond
