*Mr. Jefferson's Academy* Norman Thomas Remick,1999      Thomas Jefferson's Military Academy Robert M. S. McDonald,2004 Although Jefferson feared the potential power of a standing army the contributors point out he also contended that whatever enables us to go to war secures our peace They take a broad view of Jeffersonian security policy exploring the ways in which West Point bolstered America s defenses against foreign aggression and domestic threats to the ideals of the American Revolution Thomas Jefferson s Military Academy should appeal to scholars and general readers interested in military history and the founding generation BOOK JACKET      History of West Point Edward Carlisle Boynton,1871      *History of West Point* Edward Boynton,2009-07-28      **Military Academy-West Point** United States. **Exchange of Ideas** Adam R. Nelson,2023-12-05 The first volume of an ambitious new economic history of American higher education Exchange of Ideas launches a breathtakingly ambitious new economic history of American higher education In this volume Adam R Nelson focuses on the early republic explaining how knowledge itself became a commodity as useful ideas became salable goods and American colleges were drawn into transatlantic commercial relations American scholars might once have imagined that higher education could sit beyond the sphere of market activity that intellectual exchange could transcend vulgar consumerism but already by the end of the eighteenth century they saw how ideas could be factored into the nation s balance of trade Moreover they concluded that it was the function of colleges to oversee the complex process whereby knowledge could be priced and purchased The history of capitalism and the history of higher education Nelson reveals are intimately intertwined which raises a host of important and strikingly urgent questions How do we understand knowledge and education as commercial goods Who should pay for them And fundamentally what is the optimal system of higher education in a capitalist democracy      **The Elusive Thomas Jefferson** M. Andrew Holowchak,Brian W. Dotts,2017-11-28 Thomas Jefferson s writings on morality have largely been ignored His thoughts on the subject never developed in any formal work are said to be unsystematic a judgment reinforced by his shift from Stoicism intentions are

critical to Utilitarianism consequences are critical later in life Yet his writings and the moral works he recommended reveal much about his moral sense and views on good living Jefferson valued personal moral improvement had great respect for moral exemplars and drew inspiration from moralists sermonizers novelists poets historians and such role models as
