

My dear Mr. Garrison
I have just received your letter of the 10th inst.

and am glad to hear that you are so interested in the cause of the colored people. I am sure that your efforts will be successful in securing for them the rights which they are entitled to.

I have been thinking much lately of the position of the colored people in this country. It seems to me that they are everywhere treated as second-class citizens. They are not allowed to vote, to hold office, or to enjoy the same rights as the white people. This is a great wrong, and it is one which we must strive to correct. I believe that the only way to do this is by the use of the law. We must demand that the government should protect the rights of the colored people, and that it should punish those who violate these rights.

I am, Sir, very respectfully,
Your obedient servant,
Wm. L. Chapin
