A. I. Bouchier Hayes, John Fry, Eric Gambrell, Alistair Moulds, K. Young, 2012-12-06 The Membership examination of the Royal College of General Practitioners has evolved and matured as a seal and a test on completion of vocational training More than 1000 candidates are taking the examination each year and an increasing majority are trainees who have completed their three year training period The whole concept and philosophy of the MRCGP has been questioned by critical cynics who refuse to accept general practice as a field of medical practice worthy of recognition as a specialty with its own core of knowledge skills and expertise and with its own special epidemiology pathology clinical presentations and management These cynical critics are being answered by the growth of the examination and its recognition within the profession as an important and necessary goal to be achieved The MRCGP exam has arrived it is here to stay and it will continue to grow and evolve The exam is no easy obstacle to negotiate It has a regular failure rate of 1 in 3 and it requires special preparation and study of its examinees if they are to understand its aims contents and methods It must not be assumed that even the brightest trainee can walk off the street enter the examination hall and be confident of passing It requires a few months of careful and guided preparation MEQ Workbook Eise Stacey, 2007-11-30 This Multiple Essay Question Workbook is for those sitting the written paper of the MRCGP exam When revising for the written paper candidates

often concentrate on hot topics and critical reading forgetting that the largest proportion of work to be done for this paper involves problem solving The MEQ Workbook focuses on problem solving techniques and how to get them down on paper which can be tricky for those that have not sat a written exam for some time The MEQ Workbook is an essential companion to the Critical Reading Question Workbook Other resources including an online EMQ course can be found at [www.mrcgpexam.co.uk](http://www.mrcgpexam.co.uk)
