## **Mrs Miniver:**

*A Rose for Mrs. Miniver* Michael Troyan, 2010-09-12 In this first ever biography of Greer Garson Michael Troyan sweeps away the many myths that even today veil her life The true origins of her birth her fairy tale discovery in Hollywood and her career struggles at Metro Goldwyn Mayer are revealed for the first time Garson combined an everywoman quality with grace charm and refinement She won the Academy Award in 1941 for her role in *Mrs Miniver* and for the next decade she reigned as the queen of MGM Co star Christopher Plummer remembered Here was a siren who had depth strength dignity and humor who could inspire great trust suggest deep intellect and whose misty languorous eyes melted your heart away Garson earned a total of seven Academy Award nominations for Best Actress and fourteen of her films premiered at Radio City Music Hall playing for a total of eighty four weeks a record never equaled by any other actress She was a central figure in the golden age of the studios working with legendary performers Clark Gable Marlon Brando Elizabeth Taylor Errol Flynn Joan Crawford Robert Mitchum Debbie Reynolds and Walter Pidgeon Garson's experiences offer a fascinating glimpse at the studio system in the years when stars were closely linked to a particular studio and moguls such as L B Mayer broke or made careers With the benefit of exclusive access to studio production files personal letters and diaries and the cooperation of her family Troyan explores the triumphs and tragedies of her personal life a story more colorful than any role she played on screen

*Mrs. Miniver's Hat* Rhoda Watson, 2006-01-01 *Mrs Miniver*, 2002 Starring Greer Garson *Mrs Miniver* tells the story of a middle class British housewife and her family as they experience the first few months of World War II Her son courts the upper crust daughter of Lady Beldon her husband rescues soldiers from Dunkirk and Mrs Miniver herself not only captures a German parachutist but also has a rose named after her entered into a local competition This Oscar winning film was specially adapted for the radio and performed in front of a live studio audience by many of the original film stars

**Mrs Miniver** Greer Garson, Walter Pidgeon, 2004 Depicts the drama of a family living in an English village and how they are affected by World War II

**Passport to Hollywood** James Morrison, 1998-09-11 Examines popular films made in Hollywood by European directors offering a fresh take on the much debated issue of the great divide between modernism and mass culture

*When Hollywood Loved Britain* Mark Glancy, 1999-08-20 When Hollywood Loved Britain examines the Hollywood British film American feature films that were set in Britain based on British history or literature and included the work of British producers directors writers and actors British films include many of the most popular and memorable films of the 1930s and 1940s yet they have received little individual attention from film historians and even less attention as a body of films While the book is centered on wartime British films it also investigates wider issues the influence of censorship and propaganda agencies during Hollywood's studio era studio finances the isolationist campaign in the United States between 1939 and 1941 and American perceptions of Britain at war

**Hollywood Goes to War** Clayton R. Koppes, Gregory D. Black, 1990-08-16 The little explored story of how politics propaganda and profits were combined to create the drama

imagery and fantasy that was American film during World War II 32 black and white photographs

**We'll Always Have the Movies** Robert L. McLaughlin, Sally E. Parry, 2006-03-03 We'll Always Have the Movies explores how movies made in Hollywood during World War II were vehicles for helping Americans understand the war Far from being simplistic flag waving propaganda designed to evoke emotional reactions these films offered audiences narrative structures that formed a foundation for grasping the nuances of war These films asked audiences to consider the implications of the Nazi threat they put a face on both our enemies and allies and they explored changing wartime gender roles We'll Always Have the Movies reveals how film after film repeated the narratives character types and rhetoric that made the war and each American's role in it comprehensible Robert L. McLaughlin and Sally E. Parry have screened more than 600 movies made between 1937 and 1946 including many never before discussed in this context and have analyzed the cultural and historical importance of these films in explaining the war to moviegoers Pre Pearl Harbor films such as Sergeant York Foreign Correspondent and The Great Dictator established the rationale for the war in Europe After the United States entered the war films such as Air Force So Proudly We Hail and Back to Bataan conveyed reasons for U.S. involvement in the Pacific The Hitler Gang Sahara and Bataan defined our enemies and Mrs. Miniver Mission to Moscow and Dragon Seed defined our allies Some movies The Miracle of Morgan's Creek Hail the Conquering Hero and Lifeboat among them explored homefront anxieties about the war's effects on American society Of the many films that sought to explain the politics behind and the social impact of the war and why it concerned Americans Casablanca is perhaps one of the most widely recognized McLaughlin and Parry argue that Rick's Café Américain serves as a United Nations sheltering characters who represent countries being oppressed by Germany At Rick's these characters learn that they share a common love of freedom which is embodied in patriotism from this commonality they overcome their differences and work together to solve a conflict that affects them all As the representative American Rick Blaine Humphrey Bogart cannot idly stand by in the face of injustice and he ultimately sides with those being oppressed Bogart's character is a metaphor for America which could also come out of its isolationism to be a true world leader and unite with its allies to defeat a common enemy Collectively Hollywood's war era films created a mythic history of the war that even today has more currency than the actual events of World War II

**Women's Film and Female Experience, 1940-1950** Andrea Walsh, 1986-09-10 Women's Film and Female Experience takes a fresh look at a wide range of popular women's films in order to discover what American female consciousness in the 1940s was really about The author traces the evolution and development of the Hollywood women's film and describes the social history of American women in the 1940s She then analyzes dominant narrative patterns within popular women's films of the decade the maternal drama the career woman comedy and the films of suspicion and distrust

**The 50 MGM Films That Transformed Hollywood** Steven Bingen, 2022-11-01 Movies don't exist in a vacuum Each MGM movie is a tiny piece of a large colorful although often black and white quilt with threads tying it into all of the rest of that studio's product going forward yes but also backward

and horizontally and three dimensionally across its entire landscape Not necessarily a best of compilation this book discusses the films that for one reason or another and not all of them good ones changed the trajectory of MGM and the film industry in general from the revolutionary use of Cinerama in 1962's *How the West Was Won* to Director Alfred Hitchcock's near extortion of the profits from the 1959 hit thriller *North by Northwest* And there are the studio's on screen self shoutouts to its own past or stars in films like *Party Girl* 1958 the *That's Entertainment* series *Garbo Talks* 1984 *Rain Man* 1955 and *De Lovely* 2004 or the studio's acquisition of other successful franchises such as *James Bond* But fear not what we consider MGM's classic films all get their due here often with a touch of irony or fascinating anecdote *Singin in the Rain* 1952 for example was in its day neither a financial blockbuster nor critically acclaimed but rather an excuse for the studio to reuse some old songs it already owned *The Wizard of Oz* 1939 cost almost as much to make as *Gone With the Wind* also 1939 and took ten years to recoup its costs But still the MGM mystique endures Like the popular Netflix series *The Movies that Made Us* this is a fascinating look behind the scenes of the greatest and at times notorious films ever made Moving on Sarah Ban Breathnach, 2006 The author offers an inclusive inspirational guide to help readers understand themselves and use their insights to accept change and move on after life changing events *From Bourgeois to Boogie* Vershawn Ashanti Young, Bridget Harris Tsemo, 2011 Vershawn Ashanti Young and Bridget Harris Tsemo collect a diverse assortment of pieces that examine the generational shift in the perception of the black middle class from the serious moniker of bourgeois to the more playful sardonic boogie Including such senior cultural workers as Amiri Baraka and Houston Baker as well as younger scholars like Damion Waymer and Candice Jenkins this significant collection contains essays poems visual art and short stories that examine the complex web of representations that define the contemporary black middle class *Film Propaganda and American Politics* James Combs, Sara T. Combs, 2013-12-17 Originally published in 1994 this important book traces the rise of film propaganda in the 20th Century discussing specifically how film can be used to manipulate public perception and opinions Two distinct areas are covered war propaganda including feature and documentary films regarding warfare and civilian propaganda including films that address a variety of political subjects Although the focus is American film and American politics this book offers insights for all those interested in the affect of film on the minds of citizens of any country or state **Forever England** Alison Light, 2013-08-21 Most studies of the interwar years have focussed upon literary elites rendering that past and its literature in almost exclusively male terms In *Forever England* Alison Light argues that we cannot make sense of Englishness in the period or understand the changes within literary culture unless we recognise the extent to which the female population represented the nation between the wars From the traumatic aftermath of the First World War *Forever England* traces the making of a conservative national temperament which could be defensive and protective yet modernising in outlook In a series of literary analyses the author suggests some of the tones and accents of this new version of Englishness in particular she looks at new kinds of readership and fiction at the historical and

emotional significance of the whodunit the burgeoning of historical romance and the creation of a middlebrow culture in the period *Forever England* evokes a powerful sense of period and of the pleasures of reading providing an intimate picture of interwar life from inside the English middle classes As a feminist inquiry it argues from a different kind of social and political history one which makes connections between the interior structures of private life and their more public national forms Controversially it also urges that feminism deal with conservative as well as radical desires and their place in women's lives

**Mission Unaccomplished** Alan Nadel, 2025-10-07 An analysis of how post 9/11 war movies changed from following soldiers on specific missions to chronicling war as a day to day

occupation In 2003 the United States began a war in Iraq without a mission Instead of fighting to restore peace the traditional objective of warfare servicemembers faced the grim reality that there was no goal Lacking even certainty as to who was the enemy soldiers discovered that their task was simply to survive Mission Unaccomplished explores how Hollywood grasped the experience of Iraq from the perspective of US soldiers reinventing the war film in the process Historically films such as Saving Private Ryan valorized the goals of war by chronicling missions that unambiguously contribute to the defeat of the enemy and the restoration of peace But in The Hurt Locker American Sniper Green Zone and other recent dramas soldiers just try to outlast the chaos Dramatizing the aimlessness of the war events occur in random order and soldiers have no sense of how their actions contribute to victory or peace Looking to recent WWII movies such as Dunkirk and Hacksaw Ridge which use this same cinematic vocabulary to position soldiering as merely a deadly job to be endured Alan Nadel argues that the disillusionment of Iraq has influenced cinema broadly inspiring a newly critical war film genre

*How to Write It, How to Sell It* Linda Palmer, 1998-05-15 As a producer and successful screenwriter Linda Palmer knows all of Hollywood's trade secrets and in *How to Write It How to Sell It* she shares them all Linda Palmer knows that even in closed door Hollywood if your screenplay snags the interest of a producer it doesn't matter who you are you're in The trick is getting your screenplay into the producer's hands As a former vice president of production at Tristar Pictures and a credited screenwriter Linda Palmer has a unique understanding of both sides of Hollywood's desk In *How to Write It How to Sell It* she shares her knowledge with aspiring screenwriters and she does so with the same charm the students of her popular UCLA Extension class have come to love and depend on Straightforward and personable Palmer uses the movies she loves to illustrate discussions of plot structure and character From the layout of the page to the pitch to tips on sneaking by Hollywood's notorious readers Palmer explains the business of show business as only one who knows it from the inside can
