also utilises the comedy's forest aware dramaturgy to explore Mistress Page's concept of being frugal in my mirth in relation to sustainable theatre practices Herne's Oak the fictitious tree in Windsor Forest where everyone meets in the final scene of the play is utilised to enable a maverick but ecologically based reframing of the productions of Merry Wives analysed here This study engages with gender physical comedy and cultural relocations of Windsor across the world to offer new insight into Merry Wives and its theatricality

Staging Women and the Soul-Body Dynamic in Early Modern England Sarah E. Johnson, 2016-04-01 Though the gender coded soul body dynamic lies at the root of many negative and disempowering depictions of women Sarah Johnson here argues that it also functions as an effective tool for redefining gender expectations Building on past criticism that has concentrated on the debilitating cultural association of women with the body she investigates dramatic uses of the soul body dynamic that challenge the patriarchal subordination of women Focusing on two tragedies two comedies and a small selection of masques from approximately 1592-1614 Johnson develops a case for the importance of drama to scholarly considerations of the soul body dynamic which habitually turn to devotional works sermons and philosophical and religious treatises to elucidate this relationship Johnson structures her discussion around four theatrical relationships each of which is a gendered relationship analogous to the central soul body dynamic puppeteer and puppet tamer and tamed ghost and haunted and observer and spectacle Through its thorough and nuanced readings this study redefines one of the period's most pervasive analogies for conceptualizing women and their relations to men as more complex and shifting than criticism has previously assumed It also opens a new interpretive framework for reading representations of women adding to the ongoing feminist re-evaluation of the kinds of power women might actually wield despite the patriarchal strictures of their culture
