Angel Abbey (Saint Benedict, Or.),1954* Mount of Communion Martin Pollard,1985 Mount of Communion Neil Yocom,1982 **A Tree Rooted in Faith** Alberta Dieker,2007 A Tree Rooted in Faith traces the history of Queen of Angels Monastery from its beginnings in Maria Rickenbach in Switzerland to the end of the twentieth century in Mt Angel Oregon The foundress Mother Bernardine Wachter came to America as a missionary first to Conception Missouri and then to the far west to establish a community of Benedictine Sisters As she was joined by new recruits from Europe as well as American women they built and staffed schools in Oregon and British Columbia Based on community annals and individual memoirs difficulties of their pioneer beginnings are related along with adaptations of their prayer and community life to the new environment and to gradual developments in theology and spirituality This story tells of the sisters early work as teachers and of the gradual change in ministries as the needs of society and of the Catholic Church have evolved The last quarter of the twentieth century saw drastic changes in American society and in the Catholic Church Likewise Queen of Angels Monastery has changed Some basic ingredients of monastic life instilled by its founding mothers remain the same while ministries and some aspects of lifestyle are different Like their landmark giant Sequoia tree Queen of

It Began with Benedict Leodegar Hunkeler,1978 **In the Benedictine Tradition** M. Dorothy Neuhof,1999 Investigates the transmittal of the Benedictine tradition of love of learning books and libraries associated with the order s monasteries in Europe to the United States The author analyses the establishment of the Benedictine Order in the United States and the college libraries that its members began The Benedictine Order in the United States Joel Ripinger,1990 By the early part of the nineteenth century political forces had reduced Benedictine houses on the European continent to their lowest numbers in over a millennium At the century s close however the Order was enjoying a glorious springtime This growth was nowhere more vigorous than in North America where beginning in 1846 an ever increasing number of Benedictine men and women arrived to minister to the German speaking immigrants These monastic missionaries would carry Benedictine ideals across the frontier providing a haven for a growing American Catholic Church The present account of this restoration and expansion is a fascinating one While individual monasteries and convents have left written records of their own history the contribution of this work lies in weaving these various strands into their religious political and cultural context The resulting synthesis is a valuable addition to the literature not only of the Benedictine Order but also of the Catholic Church in the United States Back cover **A Statement on Benedictine Life** Benedictines. Congress of Abbots, Rome, 1967,1968 *Short History of the Benedictine Community Library, New Norcia* A.
