Penrose,2016-05-06 In *Masculinity and Queer Desire in Spanish Enlightenment Literature* Mehl Allan Penrose examines three distinct male figures each of which was represented as the Other in eighteenth and early nineteenth century Spanish literature The most common configuration of non normative men was the petimetre an effeminate Francophile male who figured a failed masculinity a dubious sexuality and an invasive French cultural presence Also inscribed within cultural discourse were the bujarr n or sodomite who participates in sexual relations with men and the Arcadian shepherd who expresses his desire for other males and who takes on agency as the voice of homoerotica Analyzing journalistic essays poetry and drama Penrose shows that Spanish authors employed queer images of men to engage debates about how males should appear speak and behave and whom they should love in order to be considered real Spaniards Penrose interrogates works by a wide range of writers including Luis Ca uelo Ram n de la Cruz and F lix Mar a de Samaniego arguing that the tropes created by these authors solidified the gender and sexual binary and defined and described what a queer man was in the Spanish collective imaginary *Masculinity and Queer Desire* engages with current cultural historical and theoretical scholarship to propose the notion that the idea of queerness in gender and sexuality based on identifiable criteria started in Spain long before the medical concept of the homosexual was created around 1870 The Publishers Weekly ,1996

Mucho Macho Chris Girman,2013-12-16 Quality research uniquely enhanced by the author's personal experience In one of the first books to examine machismo from the perspective of Latin American and Latino men Chris Girman relies on a compelling combination of ethnographic research and personal experience to explain how macho men like the author himself regulate and sustain same sex erotic encounters Girman incorporates his own sexual experiences with a variety of Latin men into the book infusing his writing with the unique perspective and vivid description that can only be related by someone who has lived the research he writes about While most of the literature on Latin American male same sex desire ignores the significance of the male body in its investigation this book shows why it is essential to focus on the macho male body and re evaluates so called machismo to forge a more nuanced description of Latin American masculinity Girman incorporates his own sexual experiences with a variety of Latin American men into the book infusing his writing with the unique perspective and vivid descriptions that can only be related by someone who has lived the research he writes about With this book you'll become familiar with various kinds of Latin American homosexual behavior Here's a glimpse at what you'll find inside *Machismo Practice Theorists and Macho Performance* summarizes previous research on Latin American

male homo sexuality and defines the author's concept of machismo and Latin American masculinity. *Head Hands Balls and Ass* shows why focusing on the body as living matter rather than metaphor as is done in so many other books on sexuality is the ideal point of entry into the study of Latin American male homo sexuality and masculinity. This chapter focuses on specific regions of the macho body: head, hands, balls, and ass to explain how machismo actually promotes rather than denies sexual encounters between men. It also shows the importance of the Latin American family as a variable that structures the manner and frequency in which homo sexual encounters occur. *The Dominican Tiguere and Hegemonic Masculinities* takes a specific look at a very peculiar form of hegemonic masculinity relying on cunning more than strength to come out on top that is indigenous to the Dominican Republic. This chapter also tells the stories of five of the author's sexual encounters in that nation and discusses the tiguere style of masculine performance. *Desire in a Costa Rican Prison* analyzes the ways in which desire, power, and pleasure are constituted in the Latin American prison environment. *Historical Representations of Same Sex Desire* examines two short stories: *El Matadero* by Esteban Echeverría and *Comienzo el Desfile* by Reinaldo Arenas which highlight male eroticism as important concepts within discourses on national identity. Both stories conceptualize same sex desire within specific historical moments and demonstrate how male homo sexuality emerges and represents itself not in contrast to the dominant discourse but within that discourse itself. *Familiar: Familial Voices* by Latino Men Speak Out documents the voices of gay identified Latino men living in Central Texas: men who have come to love other Latin Black and Anglo men in the context of very full lives. These men reveal their conceptions of identity, race, performance, resistance, family, pleasure, desire, masculinity, silence, and place. *Performing Matter's Masculinity: the Male Body and the Evocation of the non real* defies the notion that written representations can capture the lived realities of

Rose Arny, 1996-10 **Subject Guide to Books in Print**, 1996 *The Literary Review*, 1997 An international journal of contemporary writing Joe Conzo, David A. Perez, 2010-10-28 Joe Conzo and David A Perez luminously recreate the life of widely acclaimed Afro-Cuban and jazz musician Tito Puente in the biography *Mambo Diablo: My Journey with Tito Puente*. The authors chronicle the life of the popular and combative New York Puerto Rican multi-talented musician and entertainer who climbed from his obscure and poor environment in East Harlem, El Barrio, New York to international fame and recognition. Countless stories have been written about Tito Puente's percussive musical abilities but rarely has the talent, intuition, mishaps, and controversies been presented

in a vivid and personal biography Joe Conzo was Tito's close friend, confidant and chronicler for nearly 40 years; no one was closer to Tito or knew him better, not even his family. Joe tells the story of a man and his music the way it has never been told. David A. Perez sets down Joe's personal recollections and fits them into the context of the social milieu and revolving world. Hundreds of articles have been written about Puente and three books. Powell Josephine, *Tito Puente: When The Drums Are Dreaming*, Authorhouse, 2007. Information re Tito is based on her conversations with Tito Puente. The book is self-published and chronicles many of his activities on the West Coast. There are many inconsistencies, misquotes and errors of fact. Loza Steven, *Tito Puente and the Making of Latin Music*, University of Illinois Press, 1999. A technical work that is based on interviews with people who knew Tito. The life of Puente is glanced over; the musicians he worked with are almost overlooked. Joe Conzo is among those interviewed. Payne Jim, *Tito Puente: The King of Latin Music*, Hudson Music, 2000. Is presented as an overview of Tito Puente's music and includes a DVD with footage of Tito discussing his 50-year career. Joe Conzo provided much of the information for this endeavor; record some of his achievements. None of them touch on the personal life of the man; expose his weaknesses, reveal his intensity for perfection and describe the musical brilliance in such a delicate and personal way. Joe and David reveal the inner Tito Puente through his music, his musical associations and present a man that is more than a flamboyant percussionist. Tito played piano and he played it well. Tito played the saxophone and often sat in the sax section of his orchestra. Tito played the vibes and had an incomparable style that was exciting, romantic and jazzy. He composed about 500 tunes, probably more. And yet in the realm of American jazz historians, writers and critics, ignore, brush over and avoid the importance of Tito's music and his contributions. A prime example of this is Ken Burns's television documentary about jazz; he virtually ignores Afro-Cuban music. Afro-Cuban jazz. Joe and David reveal Tito's rightful place in the history of music and give an unbiased, on-the-mark portrait of Puente's complexities like no book before it. Author and journalist Pete Hamill sets the stage for the journey in the preface.

She is also struggling with the death of close family members, best friend, woes and job responsibilities. Lacy knows there are several roads to happiness but she doesn't feel she is on any of them. Will she turn back to a love and a life that could lead to headache, heartache and regret, or will she take a chance and turn to those who truly care for her and as a result really turn her life around.

Time, 1991. *The Race of Her Life* Len Cohen, 2005-03. *The Race of Her Life*, the sequel to Len Cohen's exciting first novel *Madam Chairman*, once again places political leader Micki Feldsher into a life-threatening situation. Unaware of the personal risk she competes for a seat in the U.S. House of Representatives and becomes a target of terrorists. The American branch of al Qaeda, scheming to build their influence in the Congress, has co-opted her opponent and is prepared to kill, remove Micki to ensure his election. To camouflage their many removals as accidents, the terrorists employ unique murder weapons: disease-carrying stinging insects and flesh-eating microbes which they remotely activate and control using beams of tailored electromagnetic radiation.

Micki knows that her under funded campaign is a long shot But shortly before the election on orders from his al Qaeda handlers her opponent publicly attacks her as a tool of Israel The resulting flood of publicity from the national media energizes Micki s campaign As Micki s poll numbers surge the terrorist threat inevitably emerges Micki s husband Ben is alerted to the imminent danger when his inquisitiveness reveals a surprising number of fatalities among Congressional hopefuls in incidents involving bees and mosquitoes He gathers evidence to establish the murderous methodology and undertakes to convince the FBI to pursue the perpetrators The race for Micki s life is joined Billboard ,1999-11-27 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Disco Files 1973-78** Vince Aletti,2009 The records the charts the clubs the stories Cover **ISLA** ,1991-09 Clippings of Latin American political social and economic news from various English language newspapers *Cycle World Magazine* ,1976-01 *Compact Oxford Spanish Dictionary* Nicholas Rollin,Carol Styles Carvajal,Jane Horwood,2013-05-09 A compact intermediate level dictionary covering over 90 000 words and phrases and 120 000 translations ideal for the home office or school *AUEW.* ,1985
