My Painting Guidance John Diamond,2011-03-05 I have for quite some time felt very strongly that my painting is guided It always seemed not that I was doing it but that it was being done through me Renowned healer Dr John Diamond explores the influence of some of the spirit guides who have inspired his painting Su Shih a Chinese literatus of the Sung Dynasty the great poet painter Wang Wei and the approach of the Japanese nanga school A jewel among his writings *My Painting Guidance* is not only compelling in its own right but also offers a profoundly original statement about the very nature of the creative process

Art for Healing John Diamond,2011-02-16 In this major statement on art and healing Dr John Diamond reveals his unique approach At its root are the twin concepts of Guidance that everything we do including all creativity is guided from the Spirit World and Matrophilia the love of the mother the ultimate basis of all health These two aspects are exemplified in Paleolithic cave art created by painter shamans for the purpose of healing I can in my mind very clearly see the ancient sufferers twenty or thirty thousand years ago stumbling through the passageways in almost total darkness climbing up and down all sorts of makeshift ladders and suddenly emerging into a cave filled with the most incredible paintings They would be overwhelmed by what had

been done through not by the shamans They would become aware of a completely different world the World of Spirit and would see would feel nothing but Matrophilia in the cave And that was its healing Brilliantly integrating an astonishing array of learning from the spiritual to the psychological from ancient oriental art to Jackson Pollock and punctuated throughout by original insights Art for Healing offers an entirely new appreciation of art and by extension all human creativity as a modality for holistic health

Freedom From Fear John Diamond, 2011-07-10 Essential reading by one of the world's leading holistic healers this remarkable book shows us how to rise above the fear that is both the cause and the consequence of economic instability Psychological and emotional factors such as greed selfishness and materialism are explored with depth and great original insight so helping us to overcome them The full solution to transcending these problems however is through the actuation of our Life Energy the Healing Power within At its heart lie three concepts First the practice of altruism to freely give to others so that their Life Energy their desire to embrace all of their life may be enhanced as Dr Diamond puts it Second Tariki the realization that there is no self power only Other Power acting through us And third Belovedness the feeling of feeling loved especially by the mother which is the basis of all healing Written in response to the global financial crisis that began in 2007 this book is at once a brilliant examination of the psycho pathology of such crises and an inspirational guide powerfully showing us how to transcend their effects at both a personal and societal level

Creativity and Beyond John Diamond, 2015-11-06 Creativity and Beyond is the third volume of writings selected from the milestone series of Diamond Reports newsletters that Dr Diamond created for health professionals and students of his work The series as a whole presented his groundbreaking research in holistic health psychiatry acupuncture philosophy spirituality the Arts all bound together by the core concept of Life Energy the Healing Power within The focus of this final volume is one central to Dr Diamond's work the therapeutic potential of creativity in all its forms As he has long shown artistic endeavor has tremendous power to raise the Life Energy of the individual Included in the volume are major statements on painting drawing sculpture photography architecture dance poetry music and more which collectively offer a unique holistic perspective on using the arts for healing The book will benefit anyone potentially interested in creativity and healing whether at a professional or amateur level The Diamond Reports teem with insights and original findings that will benefit not only those already familiar with Dr Diamond's work but also those new to it His vision of total health which he now calls The Diamond Path of Life and which fuses the physical emotional and spiritual aspects of medicine into a coherent whole manifests in practically every page of the reports which were far ahead of their time when they were produced and remain so even today

Nendo Tamashii John Diamond, 2016-04-17 A Nendo Tamashii from the Japanese nendo clay and tamashii soul is a hand molded sphere of clay specially created with the intention of raising the Life Energy the innate Healing Power of the person holding it In its center a clear quartz crystal is embedded as its Soul the Soul in the clay The ultimate function of the nendo is to help the person find his own Soul his own Tamashii thereby easing his deepest suffering Neither sculpture nor pottery the

nendo is surely one of Dr Diamond's most original contributions to using the arts for healing. This exquisite collection is a series of writings inspired by the nendo concept. With the unique combination of depth, insight, and spirituality that characterizes his work, Dr Diamond explores the themes that surround the nendo through a series of short papers and poems. The result is an inspirational collection which, like the nendo itself, is intended to raise the Life Energy of the reader. Essential, profoundly rewarding reading for anyone interested in holistic healing, meditation, or a higher philosophy of life. Dr Diamond always shows us what true Healing is and how we can help others and ourselves. I am sure this book will be one of our guides to Healing. Dr Shigeto Toyama, D.C., chiropractor, Tokyo.

Beyond the Obvious John Diamond, 2014-10-13. There is a level in the appreciation of all art forms that transcends any of the physical qualities of the creation. In photography, it also transcends the imagery, the program, and what we may call the message of the photograph. I believe that my Special Gift has always been to be able to look deeply into my patients and students through what I would call a photographer's eye, seeing beyond the obvious and into the spirit, the soul of the subject. John Diamond, M.D. In this magnificent collection of writings, one of the world's great healers offers his insights into using photography as a therapeutic medium. Ranging from essays of a deep spirituality to practical advice for photographers at all levels of experience, *Beyond the Obvious* reflects a totally original approach developed by Dr Diamond over more than half a century of research and experimentation. The result is an inspirational book that shows us how to look beyond the obvious.

Singing and Surgery John Diamond, 2014-10-13. Inspired by a series of surgical operations undergone by Dr Diamond in the spring of 2010, this remarkable book was created to encourage others to view surgery as a spiritual, transcendental experience rather than one rooted in fear and anxiety. The result is a unique, deeply personal collection of reflections, poems, and meditations. Its themes include using the power of music, innate in us all, to help transcend traumatic experience such as surgery; a belief in the Spirit World; and that everything that we do and that happens to us in our lives is the result of Guidance from that world. While these themes are found elsewhere in Dr Diamond's writings, nowhere are they expressed with such compelling concision, depth, and coherence. *Singing and Surgery* exudes a spirituality and wisdom that confirms the author's place at the forefront of today's holistic doctor-healers. It will be an inspiration for anyone undergoing surgery, to those interested in the use of music as a therapeutic modality, and more generally, anyone interested in the spiritual dimension of medicine. A rare blend of psychiatrist, traditional healer, and spiritual guide, Diamond has combined an eclectic array of cultural and healing arts to address the intractable issues of the human soul. Tom Monte, *East West Journal*.
