Notes From The Heart A Celebration Of Traditional Irish Music

Fintan Vallely

Notes From The Heart A Celebration Of Traditional Irish Music:

Notes from the Heart P. J. Curtis, 1994 Charting the history of Irish traditional music since the turn of the century award winning record producer and radio presenter PJ Curtis provides an overview of Irish music and song from the earliest recordings through the bleak decades of the Forties and Fifties to the popular renaissance of recent years Vividly capturing the personalities of musicians past and present who have contributed to this living tradition *Notes from the Heart* explores the social milieu from which they spring their influences their cultural significance and the social milieu from which they spring their influences their cultural significance and the spirit and essence of the music they make *The Companion to Irish Traditional Music* Fintan Vallely, 1999-09 *The Companion to Irish Traditional Music* is not just the ideal reference for the interested enthusiast and session player it also provides a unique resource for every library school and home with an interest in the distinctive rituals qualities and history of Irish traditional music and song **BOOK JACKET** **A Short History of Irish Traditional Music**

Gearóid Ó hAllmhuráin, 2017-05-08 The history of Irish traditional music song and dance from the mythological harp of the Dagda right up to Riverdance and beyond Exploring an abundant spectrum of historical sources music and folklore this guide uncovers the contribution of the Normans to Irish dancing the role of the music maker in Penal Ireland as well as the popularity of dance tunes and set dancing from the end of the 18th century It also follows the music of the Irish diaspora from as far apart as Newfoundland and the music halls of vaudeville to the musical tapestry of Irish America today **Turning the Tune** Adam R. Kaul, 2009 The last century has seen radical social changes in Ireland which have impacted all aspects of local life but none more so than traditional Irish music an increasingly important identity marker both in Ireland and abroad The author focuses on a small village in County Clare which became a kind of pilgrimage site for those interested in experiencing traditional music He begins by tracing its historical development from the days prior to the influx of visitors through a period called the Revival in which traditional Irish music was revitalized and transformed to the modern period which is dominated by tourism A large number of incomers locally known as blow ins have moved to the area and the traditional Irish music is now largely performed and passed on by them This fine grained ethnographic study explores the commercialization of music and culture the touristic consolidation and consumption of place and offers a critique of the trope of authenticity all in a setting of dramatic social change in which the movement of people is constant

Irish Music Abroad Angela Moran, 2012-12-04 Irish music enjoyed popularity across Europe and North America in the second half of the twentieth century Regional circumstances created a unique reception for such music in the English Midlands This book is a musical ethnography of Birmingham 1950 2010 Initially establishing geographical and chronological parameters the book cites Birmingham's location at the hub of a road and communications network as key to the development of Irish music across a series of increasingly visible public sites Birmingham's branch of Comhaltas Ceoltíreann was established in the domestic space of an amateur musician Birmingham's folk clubs encouraged a blend of Irish

music with socialist politics from which the Dublin singer Luke Kelly honed his trade Irish solidarity was fostered in Birmingham's churches Each of these examples begins with a performance at Birmingham Town Hall in order to show how a single venue also provides musical representations that are mutable over time The culmination is Birmingham's St Patrick's Parade This the largest Irish procession outside Dublin and New York manifests an incoherent blend of sounds The audio montage nevertheless creates a coherent metanarrative one in which the local community has conquered a number of challenges most especially that of the IRA bombings of the area and has moved Irish music from private arenas to the centre of this large civic event

Across the Water Rebecca E. Farrell, 2010-10-16 Immerse students in the music traditions of the Irish one of North America's largest ethnic populations Across the Water Teaching Irish Music and Dance at Home and Abroad gives general music teachers the tools to introduce the music and dance of Ireland while respecting the music's cultural origins An overview of the history of Irish traditional music provides a basic understanding of the political and cultural events that have influenced this musical style Readers learn how Irish traditional music is viewed both in formal and informal schools in Ireland and find a literature review of current ethnomusicology and world music resources Music teachers can follow the ready to use 8 to 10 week music unit and use the accompanying CD full of authentic materials that the author collected while living in Limerick Ireland Recorded in the field these materials will bring master teachers to the classroom with song ceili bands and Irish step and set dancing Units with Irish ceili assessments

Celtic Modern Martin Stokes, Philip V. Bohlman, 2003 A collection of essays on the global circulation of Celtic music and the place of music in the construction of Celtic imaginaries which provides detailed case studies of the global dimensions of Celtic music in Scotland Wales Ireland Brittany and the diasporas in Canada the US and Australia

The Anglo-German Concertina Dan Michael Worrall, 2009

Irish Immigrants in New York City, 1945-1995 Linda Dowling Almeida, 2001-03-22 Irish Immigrants in New York City 1945 1995 Linda Dowling Almeida The story of one of the most visible groups of immigrants in the major city of immigrants in the last half of the 20th century Almeida offers a dynamic portrait of Irish New York one that keeps reinventing itself under new circumstances Hasia Diner New York University Almeida's close attention to changes in economics culture and politics on both sides of the Atlantic makes this book one of the more accomplished applications of the new social history to a contemporary American ethnic group Roger Daniels University of Cincinnati It is estimated that one in three New York City residents is an immigrant No other American city has a population composed of so many different nationalities Of these foreign born a relatively small percentage come directly from Ireland but the Irish presence in the city and America is ubiquitous In the 1990 census Irish ancestry was claimed by over half a million New Yorkers and by 44 million nationwide The Irish presence in popular American culture has also been highly visible Yet for all the attention given to Irish Americans surprisingly little has been said about post World War II immigrants Almeida's research takes important steps toward understanding modern Irish immigration Comparing 1950s Irish immigrants with the New Irish of the 1980s Almeida

provides insights into the evolution of the Irish American identity and addresses the role of the United States and Ireland in shaping it She finds among other things that social and economic progress in Ireland has heightened expectations for Irish immigrants But at the same time they face greater challenges in gaining legal residence a situation that has led the New Irish to reject many organizations that long supported previous generations of Irish immigrants in favor of new ones better suited to their needs Linda Dowling Almeida Adjunct Professor of History at New York University has published articles on the New Irish in America and is a longtime member of the New York Irish History Roundtable She also edited Volume 8 of the journal New York Irish History March 2001 232 pages 6 1 8 x 9 1 4 index append cloth 0 253 33843 3 35 00 s 26 5

Ageing Masculinities in Irish Literature and Visual Culture Michaela Schrage-Früh, Tony Tracy, 2022-07-14 This book engages with ageing masculinities in Irish literature and visual culture including fiction drama poetry painting and documentary Exploring the shifting representations of older men from the early twentieth century to the present the contributors analyse how a broad range of literary and visual texts construct reinscribe or challenge perceptions of older age In doing so they trace a shift from depictions of authority figures often symbolising patriarchal dominance and oppression to more nuanced complex and heterogeneous explorations of older men s embodied subjectivities and vulnerabilities Exploring artists and writers such as Se n Keating J M Synge Teresa Deevy Marina Carr Seamus Heaney Paul Muldoon Derek Mahon Kate O Brien John Banville Colm T ib n Bernard MacLaverty Mike McCormack Anne Griffin and Claire Keegan the chapters in this book attend to the symbolic as well as social significance of older men in Irish cultural expression

Women and Music in Ireland Laura Watson, Ita Beausang, Jennifer O'Connor-Madsen, 2022 Explores the world of women s professional and amateur musical activity as it developed on and beyond the island of Ireland In a story which spans several centuries the book highlights representative composers and performers in classical music Irish traditional music and contemporary art music whose contributions have been marginalised in music narratives As well as investigating the careers of public figures this edited collection brings attention to women who engaged with and taught music in a variety of domestic settings It also shines a spotlight on women who worked behind the scenes to build infrastructures such as festivals and educational institutions which remain at the heart of the country s musical life today The book addresses and reconsiders ideas about the intersections of music gender and Irish society including how the national emblem of the harp became recast as a symbol of Irish womanhood in the twentieth century The book is divided into four parts Part 1 surveys women musicians in Irish society of the eighteenth and nineteenth centuries Part 2 discusses women and practice in Irish traditional music Part 3 studies gaps and gender politics in the history of twentieth century women composers and performers Part 4 situates discourses of women gender and music in the twenty first century The book s contributors encompass musicologists cultural historians composers and performers

The Unity of Music and Dance in World Cultures David Akombo, 2016-02-09 This study surveys music and dance from a global perspective viewing them as a composite whole found in every culture To some music means

sound and body movement To others dance means body movement and sound The author examines the complementary connection between sound and movement as an element of the human experience as old as humanity itself Music and dance from Africa the Americas Asia Europe the Middle East and the South Pacific are discussed **Celtic Music** Kenny Mathieson, 2001 Essays and reviews about performers instruments and recordings Dance in Ireland Sharon A. Phelan, 2014-08-11 In Dance in Ireland Steps Stages and Stories Sharon Phelan provides an in depth view of dance in Ireland during the colonial and post colonial eras She presents dance as an integral part of Irish life and as a signifier of cultural change Central themes are documented and analysed They include cross cultural influences the dance master and pantomimic dance traditions dance during the Gaelic Revival dichotomies in dance and the theatricalisation of Irish dance The book is illustrated with photographs and it is an indispensable resource for academics and artists alike as they continue to foster dance on the page and on the stage Flowing Tides Gearóid Ó hAllmhuráin, 2016-06-07 Despite its isolation on the western edge of Europe Ireland occupies vast amounts of space on the music maps of the world Although deeply rooted in time and place Irish songs dances and instrumental traditions have a history of global travel that span the centuries Whether carried by exiles or distributed by commercial networks Irish traditional music is one of the most popular World Music genres while Clare on Ireland's Atlantic seaboard enjoys unrivaled status as a Home of the Music a mecca for tourists and aficionados eager to enjoy the authentic sounds of Ireland For the first time this remarkable soundscape is explored by an insider a fourth generation Clare concertina player uilleann piper and an internationally recognized authority on Irish traditional music Entrusted with the testimonies tune lore and historic field recordings of Clare performers Gearóid Ó hAllmhuráin reveals why this ancient place is a site of musical pilgrimage and how it absorbed the impact of global cultural flows for centuries These flows brought musical change inwards while simultaneously facilitating outflows of musical change to the world beyond in more recent times through the music of Clare stars like Martin Hayes and the Kilfenora Céilí Band Placing the testimony of music and music makers at the center of Irish cultural history and working from a palette of disciplines Flowing Tides explores an Irish soundscape undergoing radical change in the period from the Napoleonic Wars to the Great Famine from the birth of the nation state to the meteoric rise and fall of the Celtic Tiger It is essential reading for all interested in Irish Celtic music and culture *Highways, Crossroads and Cul de Sacs* Paul Burgess, Peter Herrmann, 2010 This book examines various aspects of youth and community work drawn from an Irish context but spanning European and international perspectives Authors locate the subject matter at source whilst exploring some of the impediments that policy practice and actors must contend with Significantly the contributors locate their reflections within European and global contexts whilst critiquing developing trends and outcomes so as to better understand key issues in Irish Youth and community work in particular and wider Irish civil society as a whole **Irish Studies** Marti D. Lee, Ed Madden, 2008 Highlighting the work of both established and emerging scholars in Irish studies this collection brings together fifteen essays

working at the intersection of two important and developing fields of Irish studies gender studies and cultural geography Developed from papers first presented at a regional meeting of the American Conference for Irish Studies in South Carolina in 2006 not only does this work suggest the importance of linking gender and geography but it also suggests in the range of literary and historical topics the rich interdisciplinary nature of Irish studies at present Central to all of the essays is an attention to intersections of gender and sexual identity formation with the politics of place and space Although considerations of geographic space have long been staples of Irish cultural studies especially in relation to political identities these pieces suggest the critical importance of linking spatial and geographic analysis more clearly to ongoing examinations of gender and sexuality From institutions such as the Magdalen laundries and the prison to the domestic garden and home across urban and rural landscapes from the Dublin GPO to a St Patty s festival in the southern United States this book examines the local and human contexts of identity formation and performance **Irish Scene and Sound** Virva Basegmez,2005 *All Music Guide* Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre

Anam Cara. Edición 25 aniversario O'Donohue, John ,2025-07-07 En esta edici n del vig simo quinto aniversario encontrar s a John como un amigo del alma en su propio viaje por la vida que ofrece apoyo y consuelo claridad y conciencia desplegando narrativas que te invitan a experimentar las relaciones con los dem s la naturaleza e incluso tu mundo interior de nuevas formas que nutren el bienestar y la resiliencia en estos tiempos desafiantes Daniel J Siegel neuropsiquiatra y autor superventas Una edici n especial del vig simo quinto aniversario de la obra cl sica de espiritualidad y misticismo celta del querido poeta y fil sofo John O Donohue con una nueva introducci n del presidente de Irlanda Michael D Higgins un ep logo del difunto hermano del autor Pat O Donohue y material perspicaz del c rculo de amigos cercanos del autor En este venerado cl sico John O Donohue ahonda en temas de amistad pertenencia soledad creatividad e imaginaci n entre muchos otros Ampliamente reconocido por llevar la espiritualidad celta al di logo moderno sus percepciones nicas del mundo antiguo hablan con urgencia sobre nuestra necesidad de redescubrir los umbrales del alma Con sabidur a l rica y fluidez O Donohue nos empuja hacia senderos de descubrimiento para regresar al ritmo natural que mora en nosotros en sagrada conexi n con los dem s y con los paisajes que habitamos Esta colecci n atemporal nutre el coraz n y eleva el esp ritu Es un libro para leer y releer ahora y siempre Irish Times
