## Notes From Underwhelmed:

**Locked, Loaded and SEAled** Carol Ericson, 2017-04-01 A Navy SEAL must protect the mentee of a high profile doctor from dangerous terrorists in this romantic suspense adventure The SEAL's secret assignment had been to protect a certain important doctor But when the man is murdered Austin Foley's mission changes The Navy sniper must now protect the doctor's protégé the irresistible Sophia Grant at any cost For Sophia has information that could endanger the entire country There's only one problem Sophia has no idea what those secrets are With lethal terrorists on their heels Austin and Sophia must embark on a covert operation But it will mean placing Sophia even more in harm's way a sacrifice not even the steel hearted SEAL may be able to make Praise for Locked Loaded and SEAled A riveting thrill ride from start to finish Caitlyn Lynch author of the Rescue Rangers series

**Net Neutrality and the Battle for the Open Internet** Danny Kimball, 2022-08-24 Net neutrality a dry but crucial standard of openness in network access began as a technical principle informing obscure policy debates but became the flashpoint for an all out political battle for the future of communications and culture Net Neutrality and the Battle for the Open Internet is a critical cultural history of net neutrality that reveals how this intentionally boring world of internet infrastructure and regulation hides a fascinating and pivotal sphere of power with lessons for communication and media scholars activists and anyone interested in technology and politics While previous studies and academic discussions of net neutrality have been dominated by legal economic and technical perspectives Net Neutrality and the Battle for the Open Internet offers a humanities based critical theoretical approach telling the story of how activists and millions of everyday people online and in the streets were able to challenge the power of the phone and cable corporations that historically dominated communications policy making to advance equality and justice in media and technology

**Greedy: Notes from a Bisexual Who Wants Too Much** Jen Winston, 2021-10-05 Named one of the Best Books of 2021 by Oprah Daily Glamour Shondaland BuzzFeed and more A hilarious and whip smart collection of essays offering an

intimate look at bisexuality gender and of course sex Perfect for fans of Lindy West Samantha Irby and Rebecca Solnit and anyone who wants and deserves to be seen If Jen Winston knows one thing for sure it s that she s bisexual Or wait maybe she isn t Actually she definitely is Unless she s not Jen s provocative laugh out loud debut takes us inside her journey of self discovery leading us through stories of a childhood girl crush an onerous quest to have a threesome and an enduring fear of being bad at sex Greedy follows Jen s attempts to make sense of herself as she explores the role of the male gaze what it means to be queer enough and how to overcome bi stereotypes when you re the posterchild for all of them greedy slutty and constantly confused With her clever voice and clear eyed insight Jen draws on personal experiences with sexism and biphobia to understand how we all can and must do better She sheds light on the reasons women queer people and other marginalized groups tend to make ourselves smaller provoking the question What would happen if we suddenly stopped Greedy shows us that being bisexual is about so much more than who you re sleeping with it s about finding stability in a state of flux and defining yourself on your own terms This book inspires us to rethink the world as we know it reminding us that Greedy was a superpower all along

*The Disappointed Bridge* Richard Pine,2014-06-02 This original study is the first major critical appraisal of Ireland s post colonial experience in relation to that of other emergent nations The parallels between Ireland India Latin America Africa and Europe establish bridges in literary and musical contexts which offer a unique insight into independence and freedom and the ways in which they are articulated by emergent nations They explore the master servant relationship the functions of narrative and the concepts of nationalism map making exile schizophrenia hybridity magical realism and disillusion The author offers many incisive answers to the question What happens to an emerging nation after it has emerged

*Sideways* Josh O'Kane,2022-09-13 NATIONAL BESTSELLER FINALIST FOR THE WRITERS TRUST SHAUGHNESSY COHEN PRIZE FOR POLITICAL WRITING From the Globe and Mail tech reporter who revealed countless controversies while following the Sidewalk Labs fiasco in Toronto an uncompromising investigation into the bigger story and what the Google sister company s failure there reveals about Big Tech data privacy and the monetization of everything When former New York deputy mayor Dan Doctoroff landed in Toronto promising a revolution in better living through technology the locals were starstruck In 2017 a small parcel of land on the city s woefully underdeveloped lakeshore was available for development and with Google co founder Larry Page and his trusted chairman Eric Schmidt leaning into Sidewalk Labs pitch for the long forsaken property with Doctoroff as the urban planning company s CEO Sidewalk s bid crushed the competition But as soon as the bid was won cracks appeared in the partnership between Doctoroff s team and Waterfront Toronto the government sponsored organization behind the contest There were hundreds more acres of undeveloped former port lands nearby that kept creeping into conversation with Sidewalk and more questions were emerging than answers about how much the public would actually benefit from the Alphabet owned company s vision for the high tech neighbourhood and the data it could harvest from the people living there Alarm bells began ringing in the city s corridors of power and activism To

Torontonians accustomed to big promises with little follow through the fiasco that unfolded seemed at first like just another city building sideshow But the pained battle to reel in the power of Sidewalk Labs became a crucible moment in the worldwide battle for privacy rights and against the extension of Big Tech s digital might into the physical world around us With extensive contacts on all sides of the debacle O Kane tells a story of global consequence fought over a small forgotten parcel of mud and pavement taking readers from California to New York to Toronto to Berlin and back again In the tradition of extraordinary boardroom dramas like *Bad Blood* and *Super Pumped* Sideways vividly recreates the corporate drama and epic personalities in this David and Goliath battle that signalled to the world that all may not be lost in the effort to contain the rapidly growing power of Big Tech

**The Best Yes** Lysa TerKeurst, 2014-08-19 Are you tired of living with the stress of an overwhelmed schedule and aching with the sadness of an underwhelmed soul Do you find yourself unable to say no even when you should Are you stuck under the weight of endless demands and responsibilities The good news is it doesn t have to be this way In *The Best Yes* New York Times bestselling author Lysa TerKeurst guides you through the insightful lessons she s learned about what it means to live out the purpose that God has in store for you Lysa demonstrates the incredible power of two words yes and no and the way that these simple daily decisions can shape the story of our lives Lysa has learned firsthand that there s a big difference between saying yes to everyone and saying yes to God Drawing from applicable scriptures and her own personal experiences Lysa teaches us that if we know and believe that God has a plan for each of us we ll live it out serving as living proof of His never ending grace and kindness Throughout *The Best Yes* Lysa will give you the practical tools you need to Stop people pleasing by embracing a biblical understanding of love Escape the guilt of disappointing others by learning the secret of the small no Overcome the agony of hard choices by grounding your decisions in wisdom Grow closer to God as you sharpen your own discernment Learn to be intentional with your time your choices and yourself Incorporate the Best Yes as a filter for your daily decision making If we take time to slow down and rise above the rush of the world s endless demands we can rest assured that God s wisdom will help us make decisions that will still be good tomorrow No matter what season of life you find yourself in you deserve the chance to make decisions that bring out the best you

**Properties of Materials** P.F. Kelly, 2014-12-01 The second volume in the author s three part series *Properties of Materials* uses the principles of classical mechanics to qualitatively and quantitatively model specific features of matter The text develops linear models of elasticity to correlate and quantify the changes in an object s shape induced by the application of a constant force It describes quiescent and flowing liquids and gases and examines the behavior of oscillating systems subjected to time dependent external applied forces The author employs linear superposition to analyze the combined effects of two or more waves simultaneously present in a medium such as standing waves beating interference and diffraction The book considers acoustics including the production propagation and perception of sound as well as optics including the laws of reflection and refraction It also treats temperature heat and thermometry before applying the laws of thermodynamics to

ideal gas systems Throughout the investigations of particular phenomena the author emphasizes the modeling of composite systems assembled from simple constituents This text extends the rigorous calculus based introduction to classical physics begun in his Elements of Mechanics With more than 300 problems it can serve as a primary textbook in an introductory physics course as a student supplement or as an exam review for graduate or professional studies Solutions manual available upon qualifying course adoption View the author s related textbooks Elements of Mechanics and Electricity and Magnetism Read reviews of Elements of Mechanics      Perspectives on Kuhn Leandro Giri,Pablo Melogno,Hernán Miguel,2023-01-16 This book presents essays and commentaries that continue on Thomas Kuhn s work from where he left off at the time of his death Contrary to other books this volume picks up the gauntlet to develop from a contemporary perspective some points that can be improved in the light of recent findings and conceptualizations in metatheory Thus this work pays a visit to the classical Kuhnian landscapes but rather proposing interpretations it takes them as the starting point to go further One hundred years after Kuhn s birth the editors and authors rekindle the passion and interest that have always surrounded the work of the great Boston philosopher and historian      *The Air Force Law Review* ,2015      **Henry's Rule** Claudius Mollokwu,2022-09-21 This new biography of Henry viii tells the tale of one of the most influential monarchs in the world s history Detailing Henry s ascent to the throne of Britain and detailing his momentous break from the Roman Catholic church as a result of internal disputes concerning his love life where he established the Anglican church the text goes some way to advance new discoveries about Britain s break from Rome and the agent that caused the breakdown Henry and his team of men also transformed the country by modernising many of its institutions and empowering them with authority and discretion Henry is a tale of one king and how his country became mixed up and caught up in one man s personal issues leading Britain to acquire new powers and influence in the world      The Side Road Sarah Lahey,2025-08-28 I couldn t put it down Lahey writes with warmth and wit capturing the slow realistic building of trust between two people It had me rooting for their future Their chemistry is undeniable Readers Favorite Absolutely loved this quiet funny and charming book Goodreads I m a fan This did not disappoint Goodreads From the award winning author Sarah Lahey comes a sweet and spicy romantic comedy about life s winding paths the choices we make and the threads that knit us together When Oliver a former MotoGP racer returns to his hometown to raise his daughter he doesn t expect to find a party underway in his living room The neighbours have gathered to celebrate the passing of his daughter s grandmother Among the revellers he finds Mia a newcomer to the small town nursing a bottle of gin in his kitchen Seeking a fresh start Mia has moved from the city bringing her rescue dog Snood along for the journey As the owner of the local craft store she hosts the local Sit Knit groups where gossip flows as freely as the yarn Oliver and Mia find themselves drawn together in a way neither expected But as their relationship deepens shadows from Mia s past threaten their blossoming romance Set against the stunning backdrop of wine country Oliver and Mia s love story unfolds amidst vintage motorbikes a lively knitting circle the ups and downs of raising an

almost teenager and a colourful array of elderly relatives But lurking beneath the charm lies a mystery what happened to the missing money Was the strict Baptist grandmother embezzling

**Behind Closed Doors** Erik de Haan, 2016-06-30 Behind Closed Doors is a ground breaking exploration of executive coaching based on a wide range of real life case studies of coaching in action Despite the significant growth of executive

coaching over the last 20 years very few case studies are available which can be used to guide practising coaches and those who retain their services and which reveal the reality of coaching in action Yet when the curtain is pulled back we can learn much about the impact of different interventions and different styles where change happens for the better and where potential pitfalls may occur Written by skilled and experienced practitioners and showing what happens inside coaching relationships this book provides just such guidance      Extreme Trust Don Peppers, Martha Rogers, 2016-06-21 Not so long ago being reasonably trustworthy was good enough But soon only the extremely trustworthy will thrive In the age of smartphones and social networks every action an organization takes can be exposed and critiqued in real time Nothing is local or secret anymore If you treat one customer unfairly produce one shoddy product or try to gouge one price the whole world may find out in hours if not minutes The users of Twitter Yelp and similar outlets show little mercy for bad behavior The bar for trustworthiness is higher than ever and continues to rise Bestselling authors Don Peppers and Martha Rogers PhD argue that the only sane response to these rising levels of transparency is to protect the interests of customers proactively even if that requires spending extra money in the short run to preserve your brand reputation in the long run The payoff of generating extreme trust will be worth it With a wealth of fascinating research as well as practical applications this book will show you how to earn and keep the extreme trust of everyone your company interacts with      **The Infinity Puzzle** Frank Close, 2011-11-29 Speculation is rife that by 2012 the elusive Higgs boson will be found at the Large Hadron Collider If found the Higgs boson would help explain why everything has mass But there's more at stake what we're really testing is our capacity to make the universe reasonable Our best understanding of physics is predicated on something known as quantum field theory Unfortunately in its raw form it doesn't make sense its outputs are physically impossible infinite percentages when they should be something simpler like the number 1 The kind of physics that the Higgs boson represents seeks to renormalize field theory forcing equations to provide answers that match what we see in the real world The Infinity Puzzle is the story of a wild idea on the road to acceptance Only Close can tell it
