*In the Meantime* Adeline Masquelier, Deborah Durham, 2023-03-10 The meantime represents the gap between what is past and the unknown future When considered as waiting the meantime is defined as a period of suspension to be endured By contrast the contributors of this volume understand it as a space of the possible where calculation coexists with uncertainty promises with disappointment and imminence with deferral Attending to the temporalities of emerging rather than settled facts they put the stress on the temporal tactics social commitments material connections dispositional orientations and affective circuits that emerge in the meantime even in the most desperate times

Gathering Storm Sherilyn Decter, 2020-02-29 She left criminal life behind Will her new business venture send her to sleep with the fishes Florida Coast 1932 Edith Duffy might be grieving her gangster husband's death but she's no damsel in distress Leaving the sordid world of Philadelphia bootlegging she settles in a small town outside Miami and buys a speakeasy But when she launches a lucrative rum running operation indignant locals conspire to destroy her Edith lands squarely back in gangland culture with a Bible thumping preacher campaigning to shut her down and smugglers resentful of her skill And now she must forge alliances and make unlikely allies just to survive Luckily her mentor is none other than the wife of the notorious Al Capone Will Edith's fondness for underworld profits lead her to a dead end Gathering Storm is the first book in the Rum Runners Chronicles a fast paced historical women's fiction trilogy If you like atmospheric settings mob stories and independent heroines then you'll love Sherilyn Decter's Prohibition era adventure *Josiah Reynolds Mysteries Box Set 5* Abigail Keam, 2022-02-09 Death By Deceit Josiah Reynolds and her girlfriend had just seen a movie and were going home when they discover a dead body Why does this always happen to Josiah She learns the dead man was a reporter and a

stranger to the Bluegrass The police believe his death is due to a botched robbery but Josiah thinks otherwise and begins snooping around When Detective Drake tells Josiah to back off Josiah s forensic psychiatrist boyfriend Hunter comes to the rescue and hires her to help investigate the case Now Josiah has carte blanche to all the reports concerning the case and they bear out her theory of what really happened to the dead reporter but no one will listen Josiah makes it her mission to unearth evidence that will prove her theory She begins the dangerous game of finding out the truth in a world that hides its secrets among antebellum mansions oak cured bourbon and million dollar horses grazing in emerald pastures This is the world of the Bluegrass a world of wealth privilege and now murder Death By Magic Josiah goes to a fundraiser for abandoned Thoroughbred horses and meets Rudy Lee whereupon he tells her a fortune teller at the event prophesied he will be murdered But while Josiah tells Rudy the fortune is utter nonsense she can t help shake the notion the fortune teller might be right Join Josiah in her search for the truth in the dark and bloody ground of Caintuck where secrets are held tight to one s heart and deep within the dark loamy soil of its ancient hunting grounds Death By Shock Josiah is joined by Shaneika and her sweet innocent cousin Heather on an archaeological dig at Fort Boonesborough where Daniel Boone led pioneers to the wild frontier of Caintuck At Boonesborough Josiah and Shaneika meet the Dane twins rich society women who just rub them the wrong way However Heather is entranced by the sisters having read about them in the society columns and financial pages That is until Heather catches one of them plotting to murder her identical twin But which twin is planning to murder the other Heather can t tell them apart She tells Josiah what she witnessed hoping our intrepid sleuth will intervene Josiah is unable to prevent the murder but soon discovers Heather is neither sweet nor innocent and might have a motive for lying about the Dane sisters As Josiah does some digging of her own it turns out other participants on the excavation also have motives for murder Josiah searches for truth in a land that hides its secrets well in soil soaked with the blood of innocents and scoundrels alike Kentucky is not called the dark and bloody ground for nothing If you like mysteries from Jana DeLeon CeeCee James Kathi Daley Lynn Cahoon Sally Berneathy Tonya Kappes Cindy Bell Vikki Walton Dianne Harmon Janet Evanovich Krista Davis Leighann Dobbs Heather Hoffman Laurien Berenson Hope Callaghan and Leslie Langtry you will love the Josiah Reynolds Mysteries by Abigail Keam      *The Midnight Cabaret* Dakarai Jelani-Miller,2004-05-28 The path less travelled The road seldom seen A collection of short stories that define the unknown The Midnight Cabaret is the darkest hours of your psyche the parts hidden away from the majority A mans musings into Death result in an answer that lasts forever A musician finally finds his true love whos fate is intertwined with a particular piece of music A detective that finds that even as he nears the end of his journey the road still moves on A series of stories that are for those who wish to look at a world seldom seen From the author of Demon Seige comes an experiment in the abstract      **The Birth to Presence** Jean-Luc Nancy,1993 The epoch of representation is as old as the West Indeed representation is the West understood as what at once designates and expands its own limits But what comes after the West What comes after representation s disclosure of

its own limit The central problem posed in these essays collected from over a decade of work is how in the wake of Western ontologies to conceive the coming the birth that characterizes being We are now at the limit of representation where objects as we experience them have been show to be merely objects of representation or rather of presentation since there is nothing to re present The first part of this book Existence asks how today one can give sense of meaning to existence as such arguing that existence itself as it comes nude into the world must now be our sense In examining what this birth to presence might be we should not ask what presence is rather we should conceive presence as presence to someone including to presence itself This birth is not the constitution of an identity but the endless departure of an identity from and from within its other or others Its coming is not desire but jouissance the joy of averring oneself to be continually in the state of being born a rejoicing of birth a birth of rejoicing The second section Poetry asks What art exposes this In writing in the voice in painting And what if art is exposed to it How does it inscribe or rather exscribe in a term the book develops the coming existence as such The author s trajectory in this book crosses those of Hegel Schlegel Baudelaire Nietzsche Freud and Heidegger in their comments on art and politics existence and corporeality everyday life and its modes of existence and ecstasy An analysis that dares this crossing involves all the varied accounts of existence political as well as philosophical and all the realms of poverty

Abuse of History Friedrich Nietzsche,2019-11-13 In this essay the philosopher presents a complex many faceted argument that cautions against an uncritical devotion to the study of history and excessive devotion to any country s past greatness
