century In the reflections from these situations and influences he works his way back to stories of personal origin and growth He has sauntered through persistent issues with which he has been engaged throughout his life and he has made a few pronouncements some of which might even ring true Within these pages a little wisdom may even be found And hopefully with some love and concern he has responded to the challenging question Do you have anxiety Outofshapeworthlessloser Gracie Gold,2024-02-06 NEW YORK TIMES BESTSELLER A piercing account The Wall Street Journal of surviving as a young woman in a society that rewards appearances more than anything and demands perfection at all costs especially if you re an Olympic figure skater A riveting memoir which details her experience with an eating disorder depression and her high stakes career People Best Books to Read in February 2024 When Gracie Gold stepped onto center stage or ice rather as America s sweetheart at the 2014 Sochi Olympics she instantly became the face of America s most beloved winter sport Beautiful blonde Midwestern and media trained she was suddenly being written up everywhere from The New Yorker to Teen Vogue to People and baking cookies with Taylor Swift But little did the public know what Gold was facing when the cameras were off driven by the self destructive voice inside that she calls outofshapeworthlessloser In 2017 she entered treatment for what was publicly announced as an eating disorder and anxiety treatment but was in reality suicidal ideation While Gold s public star was rising her private life was falling apart Cracks within her family were widening her bulimia was getting worse and she became a survivor of sexual assault The pressure of training for years with demanding coaches and growing up in a household that accepted nothing less than gold had finally taken its toll Now Gold reveals the exclusive and harrowing story of her struggles in and out of the pressure packed world of elite figure skating the battles with her family her coaches the powers that be at her federation and her deteriorating mental health Outofshapeworthlessloser is not only a forceful reckoning from a world class athlete but also an intimate memoir told with unflinching honesty and stirring defiance
