Murder in Toulouse Susan Kiernan-Lewis,2024-09-27 Revenge may be a dish best served cold but vengeance is best when it sizzles When Laurent gets word that his friend Antoine Dubois head chef at a top culinary bistro in Toulouse was brutally murdered on the opening day of the city s famous Merguez Sausage Festival he drives to Toulouse determined to find the killer As Laurent interrogates staff and rival chefs it becomes clear that more than reputations are at stake When Maggie joins her husband in Toulouse to help in any way she can she quickly vanishes without a trace and Laurent is told to stop looking for his friend s killer or she will die Maggie s job now is to stay alive and try to leave a trail of breadcrumbs for Laurent to follow Working with the Toulouse police Laurent must find Maggie in the treacherous Pyrenees mountains before it s too late To do that he will have to outwit two cunning killers Antoine s killer and the ones who kidnapped Maggie and who will stop at nothing to keep their crimes buried including killing her In this edge of your seat mystery infused with the rich culture and cuisine of southern France Maggie will once more risk everything during a pulse pounding game of cat and mouse high in the French alps This book is a clean read with no graphic violence sex or strong language Genre culinary mystery women amateur sleuth Chinatown Family Yutang Lin,2007 Lin Yutang 1895 1976 author of more than thirty five books was arguably the most distinguished Chinese American writer of the twentieth century In Chinatown Family he brings humor and wisdom to issues of culture race and religion as he tells the engrossing and heart warming story of an immigrant working class Chinese American family that settled in New York City during the 1930s and 1940s Tracing their sometimes troubled and sometimes rewarding journey Lin paints a vivid portrait of the wonder and the woe of settling into a new land In an era when interracial marriages were frowned upon and it was forbidden for working class Chinese men to bring their families to America this story shows how one family struggled to become new Americans by applying their Taoist philosophy to resist peacefully the discriminatory laws and racism they encountered Beyond the quest for acceptance and economic success Chinatown Family also probes deep into the heart of the immigration experience by presenting the perils of assimilation The burgeoning tension between the desire for material wealth and the traditional Chinese belief in the primary importance of family poses the question Is it possible to attain the American dream without damaging these primary ties For each family member the answer to this question turns out to be different Through the varied paths that each character takes the novel dramatizes the ways that Chinese immigrants have negotiated between the competing interests of economic opportunity and traditional values Forever More Steven Meyer,2017-06-02 Romania stays vacant and the people stay far

away from the predator of the night Lucian stays in his castle in slumber by day and attacks by night He finds himself craving for blood but what he finds is beyond a surprise Young Erin mistakenly flees out as the night grows darker Yet the presence stays colder What this vampire is wanting is something he cant take away But a love blossoms from out of the shadows and the attraction is more than a simple feeding In this poetic romance you see prey meet the predator With action enticing the chapters and twisting chilling details this is Forever More And love casts all fear aside in Forever No Less It is about a mothers instinct and a childs cry Erin is alone and her lover is nowhere to be found Doubt catches her off guard And the search for truth causes her fears to become a cycle of ruin Time remains unfazed and changes us in the most fascinating ways The journey is more than what the eye can see What is is not reality And what was comes knocking The door for hope is one to be yet opened when words remain unspoken Erin finds a family curse and a path to the other side She carries on and walks to the light Lucian is searching for his lost child Fate shows the destination And hope is not compensated Forever and always time shows to be an advantage of surprising demands What is to be of the land of Eden Will all be free Here beauty is but a figment of imagery It is a kingdom of royal decrees and fate becomes a mockery An enemy changes the heart of one hero But good has plans to overcome all evil and to forgive all against them Love triumphs and hate breeds What youre expecting is not a clichd ending but a story of the ages Words bounce for off these pages And faith has unsatisfying wages Death is a foe and cannot prevail Sink your teeth into love everlasting For what history shows is a passage way unto the unknown
