tell fiction stories in shattered mirrors mirrors that may have passed through some unlucky soul once and live to tell about it There s a positive message in all the stories and I hope the readers can find it through all the insanity and emotion of the book Ultimately having readers that like your creativity and your twisted style of the writing is enough one could ask for One can only hope to keep the eager readers neurons firing and their attention glued to the whole story captured by the shockers in each special chapter capturing and keeping the reader a part of the story I truly want to create books that readers can read a long with each other and have fun doing it

Queenie's Whim Rosa Nouchette Carey, 1894 **The Headmistress** Angela Margaret Thirkell, 2022-08-16 Angela Margaret Thirkell's *The Headmistress* is an incisive exploration of the complexities of gender class and education in post World War II England Through her richly drawn characters and vibrant prose Thirkell gives voice to the challenges faced by women in roles of authority particularly in the setting of a girls' school The narrative deftly combines humor and social commentary highlighting the evolving institution of the English school system while weaving in the personal lives of its

inhabitants Thirkell's ability to balance light hearted wit with serious undertones situates her work firmly within the tradition of British social novels resonating with readers of contemporaneous authors such as E M Forster and Virginia Woolf Thirkell a prominent author of the early 20th century was well acquainted with the intricacies of British societal norms and the educational landscape having experienced them firsthand as a mother and educator Her own background characterized by both privilege and keen observation imbues her characters with a depth that reflects the contradictions and aspirations of her time The Headmistress serves as a fusion of her personal insights and the broader cultural shifts occurring in mid century England I wholeheartedly recommend The Headmistress for those seeking a thoughtful yet entertaining examination of women's evolving roles in society Thirkell's astute observations and engaging storytelling make this book a valuable addition to any reader's collection providing not only timeless reflections on education and gender but also a vivid portrait of English life during a transformative era

Lacan and Critical Feminism Rahna McKey Carusi, 2020-12-29 This book takes a critical feminist approach to Lacan's fundamental concepts merging discourse and sexuation theories in a novel way for both psychoanalysis and feminism and exploring the possibility of a feminist subject within a non masculine logic In Lacan and Critical Feminism Carusi merges Lacan's theories of discourse and sexuation not only from a gender sexuality angle but also from a literary feminist and women's studies framework By drawing examples from literature film art and socio political movements to focus on discourse and sexuation the text examines how tropes impact the subject's positionality within any discourse mode The book also uses women's collective experience and action to illustrate ways that women have repositioned dominant narratives discursively This text represents essential reading for researchers interested in the relationship between Lacan and feminist theory

The Waking Dark Chapter Sampler Robin Wasserman, 2013-08-12 Experience The Waking Dark read the first seventy pages for free A taut haunting read The Waking Dark is a horror story worthy of Stephen King Booklist and will appeal to the readers of Gillian Flynn and Rick Yancey They called it the killing day Twelve people dead all in the space of a few hours Five murderers neighbors relatives friends All of them so normal All of them seemingly harmless All of them now dead by their own hand except one And that one has no answers to offer the shattered town She doesn't even know why she killed or whether she'll do it again Something is waking in the sleepy town of Oleander Kansas something dark and hungry that lives in the flat earth and the open sky in the vengeful hearts of upstanding citizens As the town begins its descent into blood and madness five survivors of the killing day are the only ones who can stop Oleander from destroying itself Jule the outsider at war with the world West the golden boy at war with himself Daniel desperate for a different life Cass who's not sure she deserves a life at all and Ellie who believes in sacrifice fate and in evil Ellie who always goes too far They have nothing in common They have nothing left to lose And they have no way out Which means they have no choice but to stand and fight to face the darkness in their town and in themselves Suspense chills gasps all that and a gem like writing style that will make you shiver with beauty and horror A book you won't soon forget Cassandra Clare author of the

bestselling Mortal Instruments series and Infernal Devices trilogy Twisted pulse pounding shocking and very very scary With The Waking Dark Robin Wasserman conjures vintage Stephen King as she peers into the dark heart of a nightmare America where violence and evil lurk behind the golden glow of small town life and new terrors arrive by the hour A superb horror story that is by turns visceral and lyrical heartrending and heart stopping Libba Bray bestselling author of the Gemma Doyle trilogy and the Diviners series This book has the combination of mystery and fright that I love So many twists and shocks I nearly jumped out of my chair several times Trust me this is a true chiller Not to be missed R L Stine A thriller dark and beautiful and yes achingly romantic at every unexpected twist and turn Astounding Lauren Myracle New York Times bestselling author of The Infinite Moment of Us and Bliss Wild nihilistic madness that will get true horror fans raising their pitchforks and torches in frenzied glee Wasserman writes as if hooked up to IVs of Stephen King and John Carpenter s spiked blood Daniel Kraus author of Rotters and Scowler Great dialogue and intriguing subplots add to the action packed story The suspense doesn t let up until the final pages School Library Journal Starred
