**November Ever After** Craig T. Greenlee, 2011-08-01 The legacy of the Marshall players who perished transcends wins and losses Their tragic deaths squashed the likelihood of a bloody race riot on campus The evening of November 14 1970 was damp and chilly with a steady drizzle and dense fog Students at Marshall University had no idea that the night's horrific events would change their lives forever On this night a plane crash wiped out most of the school's football team Unless you were there you could never fully comprehend the gravity of grief that engulfed Huntington West Virginia in the days following the worst aviation disaster in the history of American sports I know I was there I'll never forget It could have been me on that plane I played football at MU for two seasons A year before the tragedy I left the team for personal reasons When the school began the daunting task of resurrecting its football program in the spring of '71 it was a no-brainer decision for me to rejoin the team and become part of the rebuilding process Media projects devoted to the plane crash provide well deserved notoriety Still there are glaring omissions Now for the first time former Marshall defensive back Craig T Greenlee tells the real story the whole story about Thundering Herd football from back in the day November Ever After Craig T Greenlee, 2024-03-05 The legacy of the players who perished in the 1970 Marshall football plane crash transcends wins and losses Their tragic deaths squashed the likelihood of a bloody race riot on campus Students at Marshall University had no idea that the horrific events on the night of November 14 would change their lives forever The team's plane crashed into the side of a mountain and there were no survivors among the 75 passengers Unless you were there you could never comprehend the full gravity of grief that engulfed a college town in the days following the worst aviation disaster in the history of American sports I know a lot about it For two seasons I was a Marshall football player But for personal reasons I decided that 1969 would be my last hurrah As things turned out it proved to be a life saving choice Had I not walked away from the game I know it could have been me on that plane When the school started to pick up the pieces of the football program it was a no-brainer for me to return and become part of the rebuilding process in the spring of 1971 Media projects devoted to the Marshall football crash generated well deserved exposure Even so there are glaring omissions in those presentations Through this book the record is set straight Former Marshall defensive back Craig T Greenlee provides insights and recollections that you simply will not find in other media accounts about the tragedy and its aftermath *Harlequin Romantic Suspense November 2021 Box Set* Cindy Dees, Linda O.
