biblical truths about the rapture In the last few years the world has witnessed unprecedented events that were difficult to imagine However the Bible has not left us in darkness concerning all these happenings Unfortunately many Christians are in darkness about the next sets of events coming Gladly the Bible is not silent about the future either The event of Rapture is one of such matters Though Christians are divided about the actual timing of the rapture the Bible is clear on the exact timing The timing of rapture as the Bible puts it has been painstakingly searched out and written in this book Order your copy now and you won't be left with an iota of doubt about the timing of the coming of Christ *Could the Rapture Happen Today?* Mark Hitchcock, 2009-02-04 Get Caught Up in the Rapture Religious jargon aside just what is the rapture Why is it such a big deal among Christians today Here are the answers *Could the Rapture Happen Today* clearly defines this event and tackles the most commonly asked questions surrounding it With solid evidence backing his responses Mark Hitchcock also boldly explores the most controversial and pressing question When will it happen With biblically sound detailed arguments supporting the belief that the rapture will occur prior to the tribulation pre trib Hitchcock tackles the question from every angle Your nagging questions relieved this fascinating page turner will still leave you on the edge of your seat anticipating Christ's return at any unexpected moment WRAPPED UP IN THE RAPTURE Pre Trib Mid Trib Post Trib Say what Scholars debate and theses are written but you simply want to know Just what is the Rapture and When might it occur Or maybe you're wondering how the Rapture differs from Christ's return or whether the destinies of the unsaved can change during the horrifying years of the Great Tribulation Prophecy expert Mark Hitchcock tackles your most common questions from every angle Because while the exact day and hour cannot be forecasted biblically sound detailed arguments state the case for the Rapture occurring prior to the Tribulation Get the clear answers you need and move boldly forward with peace of mind *Story Behind the Book* The one biblical truth that has affected my Christian life more than any other is the rapture of the church the belief that Jesus could come at any moment to take His people away to be with Him It deeply affects how I view my life this world and how I live each day I have always wanted to write a book that clearly explains the truth of the any moment rapture and how it should affect our daily lives I'm grateful that the good people at Multnomah have given me the opportunity to share my passion for this blessed hope with others Mark Hitchcock **The Rapture** John Musser, 2018-09-11 One day while I was attending Brookside Baptist Church in Myrtle Springs Texas the pastor announced that starting the following Wednesday night service he would begin an in depth study on the rapture The study would be titled 16 Reasons for a Pretribulation Rapture That statement really piqued my curiosity Having had studied the subject for an extended period of time over the years I was amazed that someone could come up with that many reasons so I joined the study the following Wednesday After having received the handouts that evening I began to take a critical look I began to point out the errors in much of the reasoning behind the conclusions of that pastor When the pages became numerous I decided it was sufficient to be turned into a book I felt this study should be examined by every believer Many talk about salvation issues in Christianity

Many say the rapture is not one of them That attitude alarms me While ones belief on the rapture will not affect his salvation in itself it will without a doubt become a stumbling block to being prepared to not receive the mark of the beast Of that mark the Bible says the one who receives that mark will have his fate sealed with the judgment of eternal damnation If one is confident in a pretribulation rapture he will be susceptible to dismissing the actual mark of the beast since he is convinced he will be taken out before that implementation And for this cause this book must be read Goethe's Wilhelm Meister's apprenticeship, books 7-8 ; Travels Thomas Carlyle,1893 **Thomas Carlyle's Works** Thomas Carlyle,1905 **Goethe's Wilhelm Meister's apprenticeship**,1871 *Translations from the German* Thomas Carlyle,1871 *Collected Works* Thomas Carlyle,1871 The Rapture: from the Ground Up Richard L. Guthrie,2014-04-11 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2 3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of Gods Word **The Pretrib Rapture** Paula Martin,2008-03 Jesus told His disciples that includes us to Watch for His return Matt 24 42 The rapture is a subject of much controversy Since scholars cannot agree on the timing of the rapture how can we know what to believe Is the rapture pie in the sky theology This book does not tread a well worn path The Bible has more to say about the rapture than has been previously realized This oft surprising ground breaking book reveals the choreographed pretrib answer from none other than Jesus Himself While we in the church have been arguing amongst ourselves about the timing of the rapture some no longer look for it Others rip the spirit from the imminent return of the Lord teaching that He only returns at the end of human history The Pretrib Rapture Choreographed in the Gospels can resolve doubt bring back hope and instill confidence in the pretrib rapture Paula is a penetrating thinker What she has put together here is biblically based

well written and thought provoking It s enlightening and well worth reading Dr David R Reagan Prophecy Teacher Founder of Lamb Lion Ministries Host of Christ in Prophecy TV Program As her pastor for many years I know Paula has a great passion for the Lord s return She has studied the Olivet Discourse for over 30 years In this work she respectfully challenges assumptions associated with it as she has challenged her own assumptions concerning it The fresh insights she presents will have us all doing our homework Jerry McAnulty Senior Pastor Calvary Chapel Rivergate Paula Martin married to Allen for 47 years is the mother of four grandmother of 13 She graduated from Rancho Santiago College with Honors and Department Honors in Journalism She is the author of *The Simplicity of Faith*      **The Rapture** Hal Lindsey,1983-07-01 Before Armageddon before the Second Coming there will be the Rapture As the world s attention turns to a battle beginning in Israel prophecies foretell that living men and women will suddenly vanish as the Bible says into the clouds to meet the Lord in the air What is the impact of this extraordinary promise upon Christians in America Jews in Israel and people everywhere Why has anti Semitism plagued the Jewish people throughout history and why is it such a critical issue for Christians today

will come to grasp all the plans that God has in store for this world Now is the time for you to recognize the absolute need to believe in the gospel of the water and the Spirit so that you may gain the wisdom that can deliver you from all the trials and tribulations of the end times With these two books and by believing in the gospel of the water and the Spirit you will be able to overcome all the trials and tribulations prophesied in Revelation The New Life Mission <https://www.bjnewlife.org>     **The Rapture, One-World Government and the "Great Tribulation"** Luis Munoz, 2012-11 This book explains in great detail and exceptional clarity the issues related to the Rapture of the Church the government of the Antichrist the Great Tribulation and all the apocalyptic judgments that God will pour out upon the world in the latter days The Rapture of the Church will bring about the global collapse of the economic political and religious institutions around the world Humanity will look for a leader who can put the world back together offer them peace and security So by popular acclamation the world will host a false prince of peace the Bible calls the Antichrist He will elate the masses by telling them what they want to hear The Antichrist will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray We cannot begin to imagine the horror and the endless suffering humanity will experience through the chaos wrought by the Antichrist The Bible says that the Antichrist's empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 In reference to this dreadful period of human suffering the Lord Jesus said For then there will be great tribulation such as has not been since the beginning of the world until this time no nor ever shall Matthew 24 21 This will be a period characterized by widespread wars which will bring death to billions of people During this period 25 and 33 percent of the world population will die in two major wars If these two conflicts were to take place in our time 3 56 billion of the world population would die     The Year of the Rapture Dave Allan, Val Lanade, 2009-09 The Year of the Rapture a trilogy of fantasy fiction and fact is UNIQUE The fantasy section of The Year of the Rapture begins as the author takes an imaginary journey into heaven via a dream as a boy of eight While there he morphs into an adult and finds himself viewing a strange scene on earth Though curiosity and creativity are rampant throughout the integrity of the scripture is maintained COMPELLING The fiction portion of The Year of the Rapture reveals a town full of young adults headies seeking a secular experience to satisfy their search for reality Their reverie is hijacked by a few Christians whose reality wins The story builds and explodes with three shocking events that lead to a dynamic conclusion leaving the reader astonished and incredulous INSIGHTFUL Fact The future is now is a popular twenty first century phrase and could be a Biblical reality anytime Perhaps today is another statement regarding the imminent return of the Lord Jesus Being ready for that occasion is urged by God in scripture Therefore regarding the Rapture a constant NOW is presented in the Bible and by the author Dave Allan has had an inveterate career of ministry experience His credentials as a director includes three organizations seven youth enterprises multiple church ministries numerous missionary junkets abroad and two Christian

college positions He is a speaker author strategist instigator organizer and practical Biblicist Special thanks to Val Lanade for his imagination creativity and inspiration His personality is transparent and his enthusiasm is infectious Rapture at Sea Carolyn Muller,Humphrey Muller,2000-10-27 With the advent of the year 2000 for so many the prospect of Christ s promised return has become more of a reality So what if Parousia or the Rapture does take place during the millennium era What if Christ returns to Earth while some are on a sea voyage Would some be taken and some left **The**

**Posttribulational Rapture of the Church** Bruce Tucker,2001-12-17 There are numerous texts written about the rapture and the end times A brief excursion to your local Christian bookstore will provide ample evidence of the interest in this topic From time to time people will attempt to give their text a twist or a slant in order to make their text different from the others Nevertheless most books about the rapture present the standard pretribulational argument and their unique nesses rest primarily in the contemporary issues which have stimulated the renewed discussion New developments in the Middle East will usually generate a new set of books Today the New World Order Y2K and even El Nino have provided fresh grist for predicting an imminent rapture The interest enthusiasm publications and even movies about the rapture are still increasing A series of fictional novels about the tribulation period are cranked out monthly Recent Hollywood motion pictures including Left Behind are based upon this This book is different for several reasons It does not emphasize any contemporary issue or current events which relate to the pretribulational scenario Instead it will spend its energies on specific biblical principles and doctrines and leave the application of those doctrines to the reader What is more unique is that this book promotes a posttribulational rapture a position which is different from most of the other books and it critiques the theology of the pretribulational rapture which is the foundation for most of the other texts Books which promote a posttribulational rapture are few indeed and they are often too technical for the average lay person There is a need for a book which is a comprehensive look at the rapture question and yet attempts to keep the language more understandable To achieve the goal of being comprehensive this book is divided into three parts 1 a critique of the major arguments for a pretribulational rapture 2 an analysis of the major biblical sections which discuss the rapture and 3 a selective commentary on the Book of Revelation The first section defines and evaluates the major pretribulational arguments These arguments are repeated time and again in books promoting a pretribulational rapture They are significant because they either help sustain a pretribulational rapture if justified or they weaken it significantly if not The church is not destined for wrath The rapture must be imminent The distinction between the church and Israel The posttribulationists spiritualize the Bible The types and parables teach a pretribulational rapture The differences between the rapture and second coming The second part of the book is an exposition of the major sections of the Bible which discuss the rapture As the first part writes from the perspective of systematic theology the second part deals with biblical theology The Bible is evaluated independently from a system of theology and attempts to interpret the major texts on the rapture Here are the passages to be addressed The rapture passages in the

Gospels The rapture passages In First and Second Thessalonians The rapture passages in First Corinthians The rapture passages in Second Peter The third part focuses upon the Book of Revelation No discussion of the issue of the rapture or eschatology could be complete without including a discussion on this book This book is both complicated and controversial and my intent is not to write a complete commentary about Revelation but only to discuss what is necessary to
