The Apocryphal Acts of Paul, Peter, John, Andrew, and Thomas Bernhard Pick, 2006-05-04 The publication of the apocryphal Acts in Greek and Latin by Lipsius and Bonnet as well as Schmidt have opened a large but very little cultivated field of ancient Christian literature The oldest of these Acts are those which are treated in the present volume They give us a picture of Christianity towards the end of the second century They are important for the history of the Christian cultus in the second and third centuries and by their description of the divine service in the houses they supplement the picture delineated in the Acts of the Apostles They are also important for the history of Christian poetry which commences among the Gnostics in short though these Acts contain both truth and fiction they cannot be ignored from the Preface

1 Peter, 2 Peter, and Jude John Paul Heil, 2013-07-22 This book proposes new and comprehensive chiastic structures as well as new unifying themes for the often neglected New Testament letters of 1 Peter 2 Peter and Jude In accord with these structures which organize the oral performance of these letters in a context of communal worship the subtitle of the book Worship Matters expresses the letters main concern By worship is meant not only liturgical worship but also the ethical behavior that complements it for a holistic way of worshipping God Matters refers not only to the matters or issues regarding worship in these letters but also to the fact that worship matters in the sense of making an all important difference to Christian living not only for the original audiences of letters but equally for their contemporary audience Accordingly this

book proposes that 1 Peter exhorts its audience to worship for life both present and eternal through the sufferings of Jesus Christ 2 Peter exhorts its audience to worship in the knowledge regarding the final coming of our Lord and Savior Jesus Christ and Jude exhorts its audience to worship in the mercy and love of God through our Lord Jesus Christ **The Chronicles of Marcus the Son of Simon Peter** Paul Dyal,2007-04 Follow the exciting moving tale of Marcus Son of Peter the Apostle He escapes slavery only to find himself at odds with the Romans and zealots He then meets the person who shows him the pathway to Christ and he becomes involved with the founding apostles In his struggle to find faith he flees with his family and Joseph of Arimathaea to the Isle of Britannia to escape the wrath of Judaism against the Christians A book set in the time of Christ It speaks of a young man s struggle to find his way in tumultuous time He is influenced by the forces of that time zealot Christianity and the struggle for sheer survival He feels God calling him but tries to turn his back to go on his own way Instead he finds himself in slavery being beaten by his masters hungry destitute Then he meets someone that changes the direction of his life She goes on to become his wife and influences his decision to turn to the Lord He becomes involved in the church and meets many of the early apostles and then the persecution of the church begins He finds himself fleeing before a man sworn to kill the Christians Saul of Tarsus He and his companions including Joseph of Arimathaea begin a long journey looking for a place to share the great glorious gospel of Christ to others Paul Dyal entered the ministry at age twenty eight and has pastored the same church for the past thirty years He has two sons and four grandchildren whom he dearly loves He currently resides in Jacksonville FL and has been happily married to his wife Catherine for forty one years
