Who's Laughing Now? Anna Frey,2021-02-15 From dour old women to buzzkills who can t take a joke the stereotype of the humourless feminist has repeatedly been deployed to derail and delegitimize the women s rights movement This collection skips the tired debates that ask whether feminists can be funny we know the answer to this already to instead investigate contemporary expressions and functions of humour within international feminist movements and communities This interdisciplinary volume showcases critical analyses of cultural texts and events personal accounts of producing and encountering feminist humour and creative interruptions that pair laughter with insight As a whole this work seeks to sideline caricatures of the humourless feminist by promoting a vision of a diverse movement vibrant with innovative generous threatening and ultimately triumphant laughter
