Congress,1995 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **Exclusive Territorial Allocation Legislation** United States. Congress. Senate. Committee on the Judiciary,1973      Choosing Divorce Dr. Cassie Seal PT DPT,2025-04-07 There is an unwritten rule in our culture that to divorce someone means that we no longer Love them Yet I am convinced the question we should be asking ourselves in the face of divorce is not whether we still Love this person but rather HOW CAN I LOVE THIS PERSON MORE By the time I started asking these questions it was undeniable that something was deeply wrong with our marriage Neither

of us were happy and neither of us knew what to do about it Armed with two choices stay or leave and a commitment to loving him more I set out to uncover the path that was right for me I discovered that the problem in our marriage wasn't that either one of us had done something wrong It was that we didn't know what Love is More than anything this book is a journey to discover Love It is the dismantling of what we have learned Love to be conditional and co dependent and the rebuilding of a relationship structure that is built on a foundation of Love that is unconditional and whole I am not advocating for more divorce I am advocating for more Love I do not care whether you are married or divorced I care whether you are living breathing and being in a state that is Love
