Ireland and the Magdalene Laundries Claire McGettrick,Katherine O'Donnell,Maeve O'Rourke,James M. Smith,Mari Steed,2021-08-12 Between 1922 and 1996 over 10 000 girls and women were imprisoned in Magdalene Laundries including those considered promiscuous a burden to their families or the state those who had been sexually abused or raised in the care of the Church and State and unmarried mothers These girls and women were subjected to forced labour as well as psychological and physical maltreatment Using the Irish State's own report into the Magdalene institutions as well as testimonies from survivors and independent witnesses this book gives a detailed account of life behind the high walls of Ireland's Magdalene institutions The book offers an overview of the social cultural and political contexts of institutional survivor activism the Irish State's response culminating in the McAleese Report and the formation of the Justice for Magdalenes campaign a volunteer run survivor advocacy group Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened Drawing from a variety of primary sources this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials exhumation and cremation of former Magdalene women remains a deeply troubling issue today emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives The Authors are donating

Walker, 2012-01-17 This ground breaking political history of the two Irish States provides unique new insights into the Troubles and the peace process It examines the impact of the fraught dynamics between the competing identities of the Nationalist Catholic Irish Community on the one hand and the Unionist Protestant British community on the other **A Student's History of England from the Earliest Times to 1885: A.D. 1689-1910** Samuel Rawson Gardiner, 1899 **Gay and Lesbian Activism in the Republic of Ireland, 1973-93** Patrick McDonagh, 2021-10-07 This thematically arranged study traces the emergence of visible gay and lesbian communities across the Republic of Ireland and their impact on public perceptions of homosexuality Along the way it explores the critical and hidden activism of lesbian women the role of rural provincial activists the importance of interactions with international gay and lesbian organisations and the extent to which HIV and AIDS impacted the gay rights campaign Gay and Lesbian Activism in the Republic of Ireland 1973 93 focuses in particular on activists efforts to engage with the different religious organisations in Ireland the Trade Union movement Irish political parties and the media and how these efforts in turn shaped the strategies and activities of gay and lesbian organisations McDonagh argues that gay and lesbian activists mounted an effective campaign to improve both the legal and social climate for Ireland's gay and lesbian citizens In doing so gay and lesbian individuals were important agents of social and political change in the Republic of Ireland in the period from the 1970s to the early 1990s particularly in relation to Irish sexual mores The book also helps to contextualise the changes in perceptions of homosexuality that have taken place in recent years and encourages scholars of Irish history to further explore the contribution of Ireland's LGBTQ community in transforming Irish society in the 20th and 21st centuries Hansard's Parliamentary Debates Great Britain.
