Collins, 2014-07-01 A struggling artist finds a lost angel has crash landed atop her New York City apartment building and she must help the angel become mortal or return to heaven before it turns into a daemon Struggling artist Lucy Bender is at the end of her rope After being betrayed by both her boyfriend and a jealous rival in the cut throat art world she finds herself standing on the roof of her New York apartment contemplating suicide Her luck is changed however when a misplaced angel named Joth plummets to Earth landing at her feet Lucy's first thought is to alert the media in the form of a sleazy reality TV show But her dreams of instant fame and fortune are cut short when she discovers she's the only person who can see Joth for what it truly is Making things even more difficult is the realization that the downed angel is attracting attention from servants of the Infernal Machine led by the daemon Meresin who is eager to add Joth to his roster of imps and devils Lucy is befriended by Ezrael who was once like Joth and is now a wandering Muse Ezrael warns her if Joth fails to find its way back to where it came from it will automatically become a daemon unless it chooses to become mortal The only catch is that angels don't have free will Can Lucy save her fallen angel from falling farther still And is she willing to knock on heaven's door to do so **Whisper of Angels , Not Quite a Lady** Sarah McCulloch, 2014-09-23 At seventeen and reckoned a complete nobody certainly not quite a lady Angel has nonetheless charmed the whole of London society with her gamine graces But what is she doing as the ward of mad Matt Vail the dashing hero of the recent French campaign Impulsively rescued by Matt from the evil intentions of his black hearted cousin Martin Angel quite frankly adores him But to win his love she has to seduce him from the worship of his long dead sweetheart and his very live mistress *Elemental Angels Volume One: A Paranormal Romance Boxed Set* Aimee Robinson, 2024-04-30 Four headstrong women Four fallen angels Four heart stopping journeys to uncover and claim their

fated mates if fate doesn't have other plans for them first Fall in love with volume one of this paranormal romance boxed set full of shifting fallen angels sassy heroines sweet seduction and sizable wingspans Angel's Target His job is to vanquish the demon threat But when a mortal woman gets stuck in the crossfire can he protect her from the new target on her back Titan is second in command of the fallen sentinel angels a fearsome group of earthbound angels who are tasked with protecting heaven from the demon charmers But when a mortal woman becomes a target of his enemy he saves her only to discover she looks just like the woman he lost months ago Not a day goes by that Rose Meyer doesn't spend looking for her twin sister What she finds however is a frightening magic user intent on killing her and a hulking angel of gleaming metallic titanium who shuttles her out of the kill zone As Titan's power grows so does the mysterious bond between him and the woman occupying his every thought When they learn that Rose unknowingly possesses what the demons are searching for their deep connection is tested as tensions run high Because this elemental angel refuses to put her in harm's way Even if it means shattering his heart in the process Angel's Duty Her touch rekindled his dormant power yet she wants nothing to do with him Can he convince her he's more than the stuff of her nightmares Tungsten leader of the fallen sentinel angels has one job restore heaven's light to its celestial throne and cut down any demon charmers who get in his way A task made difficult when the very light he's sworn to protect manifests in the one mortal woman who refuses to even look at him Any day now Tammy Meyer hopes her life will return to normal But normal is a pipe dream when for her protection a fallen angel is assigned as her bodyguard An angel who claims she's something more just like the demons had But Tammy refuses to be managed Especially not by a dangerously strong angel whose constant nearness threatens to break through her indestructible resolve When a great enemy resumes the hunt for Tammy and threatens to annihilate the sentinels Tungsten must convince her to let him in before heaven's guard and his heart is destroyed for good Reader advisory Angel's Duty contains themes of abduction and post traumatic stress Angel's Devotion A quiet beauty risks it all to save a stranger except the man she rescues is no man at all but a fallen angel one who has been admiring her in secret for years The last thing Bridget Olsen needs is an unconscious man bloodied and scarred draped across her back deck But the sight of two solid steel wings jutting from the stranger's chiseled back gives her pause A dangerous curiosity and long denied temptation outweigh her good sense and she misguidedly helps him For four years Steel has silently watched over shy Bridget His secret reason eats at him every day but it's one he'll never share When the battle against the demon charmers intensifies one unseen strike blasts him out of the sky and lands him at Bridget's doorstep the one place he'd sworn to never go An unspoken pull flares bright between them and undeniable passion ignites their soul bond When Steel's enemies return to finish the job they started he and Bridget must summon the courage to come together and face their pasts before the demons destroy their futures Angel's Light He never forgot that one night of searing passion Now he's finally found her but she doesn't remember him and she's working for his enemy Drea Arnold is no stranger to the weird and unusual and thought herself immune to surprises That is until a brawny

military style man with the looks and attitude to match follows her home from work one night spouting nonsense about fallen angels and immortal mages The wickedly handsome man insists he knows her but he s crazy as crazy as the strange feelings he stirs inside her It s been eons since Chrome laid eyes on Drea and he s never forgotten her Drea s memory loss offers an opportunity for a second chance but with her being as good as human and unknowingly working in the demon stronghold would his revelations only bring peril upon her Renewed passion for an undeniable hunger grows between them even as the demons latest weapon against the sentinel angels comes to light It s only a matter of time before the truth shatters the mists of the past and the demons come hunting for them both **Angels, Saints, and Spirits** Karen Kazimer

One Year in King City High School Cristian Saileanu, 2013-02-10 John Holbrook one of the heroes of this book once told me that he had mused his way to the conclusion that a school is to a community what the skin is to a body You see the rash on your arms and you might think that it s the skin that s sick when actually the disease is

somewhere deep inside and it is only reflected in the skin Or conversely when the skin is silky smooth soft and supple and pleasant to the touch it s because the entire inside of the body is healthy It has just occurred to me that I have written a book to illustrate what John said I must confess that at times in order to better move the story along two or three real life persons have been shoved into one or one person has been split up into two Chronology has not been always rigorously followed either and real lives have been twisted to allow the sap of fiction to better flow to the heart and mind of the reader Wait Did I say fiction I ll take that back For this is not a fictional book The stories all of them without any exception the stories they are true And if they sometimes seem far fetched it s only because many times reality is stranger than fiction and also more pitiless and more brutal I have kept some of the original quizzes essays newspaper articles and classroom drawings to give the book its well deserved air of authenticity If you are a teacher you will read the book and nod in agreement If you are a parent now you know a teacher s life is not the bowl of cherries you always thought it was If you are a principal or a superintendent you will naturally want to burn the book in the public square this book is a mirror and you will not like what you see Some of the real names of the characters have been maintained Marina Argueta Elizabeth Ramirez Franklin Sosa Jose Alberto Ochoa and the rest of the Ochoa clan Hector Mandujano aka Camar n and most of the soccer players on the KCHS varsity team have given me kind permission to use their real life names Only one character in the entire book is completely fabricated and I will allow you the reader the investigative pleasure of discovering who that character is on your own If you like the book please recommend it to your friends to that nasty brother in law of yours who gets drunk on Thanksgiving to the guy sitting next to you in the carpool or to your fellow teacher in the teacher s lounge But don t lend it to him Let him buy his own copy You see I live off the books I sell Author Saileanu Cristian Angels of the Unborn Elizabeth Laden,2001-06 Get carried away on the wings of Angels Angels of the Unborn should be given to every high school and college student in North America It s the kind of book today s readers yearn for fast paced a gripping plot beautiful Rocky Mountain setting fascinating characters and a story that needs to be told The novel intertwines two searches one for a psychopathic killer who murders abortionists and bombs their clinics and the other a search for souls Guardian angels prick the minds of their strong willed charges and ask them one crucial question Is abortion murder As the characters search for the answer they realize they must make a choice for Heaven or Hell a choice that takes them on a harrowing journey of life death and redemption This is a book that will keep you awake reading all night and thinking about its major questions all day Dr Betty B Bosarge Author and Criminologist Angels of the Unborn is chock full of all the elements of a favorite book human interest metaphysical happenings love romance intrigue and philosophy A great companion and closure to Elizabeth Laden s first novel Mystic Warriors of the Yellowstone Angels is a must read Readers will be transported to new worlds and situations that somehow seem familiar It s one of those books whose characters stay with you long after you ve finished it and get you asking When s the next one coming out Get carried away on the wings of Angels A B Ledbetter Inspirational Writer Journalist
