Missions, Mantras, Migrants and Microchips Leonard A Gordon, 2025-04-10 The fame of people like Priyanka Chopra Satya Nadella Sundar Pichai Kumail Nanjiani Indra Nooyi Mindy Kaling M Night Shyamalan Tata Consultancy Services TCS sponsorship of the New York City Marathon the ubiquitousness of Indian restaurants and yoga studios in many American cities and much else illustrates the close relationship the US and India enjoy today From the 1780s onwards there have been relationships of various kinds all mediated until India s independence through the British Raj While ties in the eighteenth and nineteenth centuries were somewhat thin the closer relationship through three quarters of the twentieth century has now become an extremely close one as India has sent large rivers of people and goods to America and Americans have responded with growing interest and involvement in India This despite occasional blips like the Bhopal industrial disaster Missions

Mantras Migrants and Microchips takes the long view of the Indo US encounter Besides documenting well known ties it also brings into focus some ignored and forgotten people like Kumar Goshal Ida Scudder Charles Page Perin John Bissell and Maharishi Mahesh Yoqi Deeply researched and engagingly written by veteran historian Leonard A Gordon this work is the definitive account of the Indo US connection The Word as word Michael Straus, 2024-09-12 This book provides an original translation methodology applicable to the New Testament one that remains rooted in the literal Greek considers its paleographic and philological characteristics as well as its socio historical context understands the text as part of a canonical whole reflects its reception history in church doctrine and liturgy accounts for classical formulations of its translation tradition yet speaks with contemporary literary style In developing a new methodology the book appropriates ancient and modern insights into the relationship of thought and language not previously considered in the context of translation Further the book is premised on the understanding that Scripture is the divinely communicated Word of God made incarnationally present in the words of the Bible As the viva vox evangelii biblical texts thus have ongoing effects in the continuum of church history and tradition The book argues that contemporary translators of the Bible should therefore be aware of their own situatedness in and shaping by this continuity of linguistic and cultural transmission As such the book provides a pathway to translating the Scriptures in such a way as to capture recapitulate and incorporate the living sweep of the timeless Word in A Compact Study of Numbers William Thomas Miller, 2013-12-10 Individuals and groups reading words that cross time the Scriptures for their own enrichment can find appropriate guides for Genesis and Exodus Numbers is another matter The complexities of ritual laws holy days moral codes and conflicts experienced by Moses and the people during their forty years in the wilderness form a daunting maze Average readers especially Christians are often unsure of the inner logic of the regulations or of how to apply the sound theology found therein This compact study starts with Numbers following the story from exodus to the wilderness The format is Socratic asking as many step by step questions as seems reasonable and providing the answers at the back to encourage note taking and discussion beforehand The forty years of strife depict the deep spiritual stresses experienced by the Chosen People and by God and can serve our own understanding for surviving challenges as a people called by God Another lesson is the significant role of ancient Jewish laypeople within their system of ritual and prayer They did much more than simply watch priests handle altar sacrifices and incense A better understanding of that ancient teamwork in worship can aid our own modern worship customs A Compact Guide to the Whole Bible Robert W. the men and women who met Jesus and the apostles as they are described in the Gospel of Luke and in the Acts of the Apostles in the way that Luke who wrote these works intended This socio historical literary study seeks to interpret Luke s writings in the light of the time when they were written on the basis that Luke was a skilled writer who wrote what he meant and meant what he wrote It argues that Luke's depiction of women has been grossly misunderstood and finds that this misunderstanding may be due to a widespread attempt around the end of the first century to impose a patriarchal system of governance upon the church Luke s People shows that Luke did not share such a patriarchal viewpoint but instead always presents Christian women as autonomous and agentic It also finds that this patriarchal interpretation both distorts Luke s presentation of the rich and powerful who are shown to receive their authority from the devil and obscures the way in which the love of money corrupts men in his story Taking Back Faith Matthew Tittle, 2006 From heretical theologies to progressive social justice and the core of liberal faith author Matthew Tittle talks about what many preachers can t or won t in Taking Back Faith Matt Tittle's sermons are full of insights and surprises Whether drawing from children's literature to celebrate the role of friendship in personal salvation or tapping his Navy experience to explore the nature of personal integrity Matt approaches significant subjects from fresh and unexpected perspectives This first collection will leave you wanting more Reverend Gail Lindsay Marriner minister First Unitarian Universalist Church Houston Texas Matt Tittle is a preacher who has been touched with the ability to provide it all ideas that allow the purpose of one s life to emerge stories that stretch one to deeper spirit and wisdom gained from the insights of his own living We are fortunate to have this budding new preacher in our midst He is helping us to grow into our best selves Reverend Dr Lee Barker president Meadville Lombard Theological School Chicago Illinois Matt Tittle preaches out of an honesty that empowers He delivers not THE Good News but his good news in a voice that holds and supports his readers I wish I could have heard him preach each of these sermons So will you Reverend William Sinkford president Unitarian Universalist Association Boston Massachusetts
