Documents on Disarmament United States. Arms Control and Disarmament Agency,1983 **NATO's New Strategic Concept. A Comprehensive Assessment** Sten Rynning,2011 Documents on Disarmament ,1979 NATO Review ,1983 **Making Sense of the Americas** Jan Hansen,Christian Helm,Frank Reichherzer,2015-11-12 From anti Reagan riots in West Berlin to pictures of revolutionary Nicaragua it is often impossible to grasp social protest movements of the 1980s without referring to how they imagined the Americas This edited volume is aimed at historicizing the representations of the United States and of Latin America among Western European protesters around that decade By researching dominant interpretation patterns practices and symbols within these movements this book offers a fresh and compelling look at protest in the second half of the 20th century Page 4 of cover **Arms Control and Europe** Polina Sinovets,William Alberque,2022-08-08 This book examines the recent changes in strategic stability caused by the collapse of the international security architecture Against the background of Russia s invasion of Ukraine international experts discuss topics and critical issues such as the revanchist strategy of Russia and the readiness of the United States US and Europe to give an adequate response the influence of new technologies in the future of nuclear deterrence and the crumbling of the arms control and nonproliferation system under the new challenges The book explains how the combination of these factors lead to a crucial change of strategic stability and the international security landscape the first such change since the end of the Cold War Divided into three parts the book presents timely analyses on 1 US Russia New Challenges and Strategic Stability in Europe 2 Extended Deterrence and Arms Control in Europe and 3 Regional Dimensions of Strategic Stability in Europe It further offers perspectives from and case studies on different countries such as Ukraine France Germany the United Kingdom the USA Turkey Poland and Romania This book is a must read for scholars for international relations as well as policy makers interested in a better understanding of the changing international security architecture Russia s strategy arms control nonproliferation and the future of nuclear deterrence *The Future of NATO* Andrew A. Michta,Paal Sigurd Hilde,2014-06-23 The conclusion of International Security Assistance Force ISAF operations in Afghanistan in 2014 closes an important chapter in the history of the North Atlantic Treaty Organization NATO In this volume European and US experts examine a range of perennial issues facing the Alliance including relations with Russia NATO s institutional organization and command structure and the role of the United States in the Alliance in order to show how these issues shape today s most pressing debate the debate over the balance between NATO s engagement in security operations globally and traditional defense within the North Atlantic region The volume s contributors propose that NATO can indeed find a viable balance between competing but not inherently incompatible strategic visions A theoretically informed empirical account and analysis of NATO s recent evolution this volume will appeal to both security scholars and practitioners from the policy community *Perspectives on International Relations* Henry R. Nau,2015-12-11 Henry R Nau s bestselling book Perspectives on

International Relations is admired for its even handed presentation of realism liberalism constructivism and critical theory and for expertly applying those perspectives in every chapter Students focus on the ways the different perspectives shape our understanding of the root causes of historical events and current controversies in world affairs and learn to think critically about the world s most urgent issues In the new fifth edition updates include the rise of ISIS new developments in Russia China and the Middle East ongoing environmental concerns and more Instructors will find a new primer for students on how to learn to identify the perspectives and levels of analysis in the introduction and chapter one

A History of Twentieth-Century Germany Ulrich Herbert,2019-08-15 Germany in the 20th century endured two world wars a failed democracy Hitler s dictatorship the Holocaust and a country divided for 40 years after World War II But it has also boasted a strong welfare state affluence liberalization and globalization a successful democracy and the longest period of peace in European history A History of Twentieth Century Germany provides a survey of German history during a century of extremes Ulrich Herbert sees German history in the 20th century as determined by two contradictory perspectives On one hand there are the world wars and great catastrophes that divide the country s history into two parts before and after 1945 Germany is the birthplace of radical ideologies of the left and right and the only country in which each ideology became the foundation of government This pattern left its stamp on both the first and second halves of the century On the other hand the rise of modern industrial society led to decades of conflict over the social and political order regardless of which political system was in force Considering these contradictory developments Herbert tackles the questions of both the collapse in the first half of the century and the development from a post fascist ruined society to one of the most stable liberal democracies in the world in the latter half Herbert s analysis brings together wars and terror utopia and politics capitalism and the welfare state socialism and liberal democratic society gender and generations culture and lifestyles European integration and globalization The resulting book sets a standard by which historians of the period will be measured in the future

The U.s.-canada Security Relationship David G Haglund,Joel J Sokolsky,2019-07-09 This book focuses on the critical issues shaping the bilateral defense relationship of the U S and Canada including the future of ballistic missile defense the increased deployment of air and sea launched cruise missiles and the growing debate within Canada over security relations with the US
